New England Girlhood Lucy Larcom, 1899 **A New England Girlhood, Outlined from Memory (Beverly, Ma)** Lucy Larcom, 2018-08-06 A New England girlhood outlined from memory Beverly MA by Lucy Larcom To live beside a river had been to me a child s dream of romance Rivers as I pictured them came down from the mountains and were born in the clouds They were bordered by green meadows and graceful trees leaned over to gaze into their bright mirrors Our shallow tidal creek was the only river I had known except as visioned on the pages of the Pilgrim s Progress and in the Book of Revelation And the Merrimack was like a continuation of that dream We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope

that you will enjoy this wonderful classic work and that for you it becomes an enriching experience A New England Girlhood (Classic Reprint) Lucy Larcom, 2017-11-10 Excerpt from A New England Girlhood The following sketch was written for the young at the suggestion of friends My audience is understood to be composed of girls of all ages and of women who have not forgotten their girlhood Such as have a friendly appreciation of girls and of those who write for them are also welcome to listen to as much of my narrative as they choose All others are eavesdroppers and of course have no right to criticise To many the word autobiography implies nothing but conceit and egotism But these are not necessarily its characteristics If an apple blossom or a ripe apple could tell its own story it would be still more than its own the story of the sunshine that smiled upon it of the winds that whispered to it of the birds that sang around it of the storms that visited it and of the motherly tree that held it and fed it until its petals were unfolded and its form developed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
