Lundberg,2019-11-19 A lively portrait of Horace Greeley one of the nineteenth century s most fascinating public figures The founder and editor of the New York Tribune Horace Greeley was the most significant and polarizing American journalist of the nineteenth century To the farmers and tradesmen of the rural North the Tribune was akin to holy writ To just about everyone else Democrats southerners and a good many Whig and Republican political allies Greeley was a shape shifting menace an abolitionist fanatic a disappointing conservative a terrible liar a power hungry megalomaniac In Horace Greeley James M Lundberg revisits this long misunderstood figure known mostly for his wild inconsistencies and irrepressible political ambitions Charting Greeley s rise and eventual fall Lundberg mines an extensive newspaper archive to place Greeley and his Tribune at the center of the struggle to realize an elusive American national consensus in a tumultuous age Emerging from the jangling culture and politics of Jacksonian America Lundberg writes Greeley sought to define a mode of journalism that could uplift the citizenry and unite the nation But in the decades before the Civil War he found slavery and the crisis of American expansion standing in the way of his vision Speaking for the anti slavery North and emerging Republican Party Greeley rose to the height of his powers in the 1850s but as a voice of sectional conflict not national unity By turns a war hawk and peace seeker champion of emancipation and sentimental reconciliationist Greeley never quite had the measure of the world wrought by the Civil War His 1872 run for president on a platform of reunion and amnesty toward the South made him a laughingstock albeit one who ultimately laid the groundwork for national reconciliation and the betrayal of the Civil War s emancipatory promise Lively and engaging Lundberg reanimates this towering figure for modern readers Tracing Greeley s twists and turns this book tells a larger story about print politics and the failures of American nationalism in the nineteenth century *A Catalogue of Old, Rare and Curious Books* George E. Littlefield (Firm),1887 *Commercial Survey of New England: Market data handbook of New England*, by E.F. Gerish United States. Bureau of Foreign and Domestic Commerce,1929 **Commercial Survey of New England: Industrial structure of New England** ,1929 Good Roads ,1901
