poems In a series of focused readings he probes the sonnets sexual and temperamental ambiguity as well as their complex textual history and explores the difficulties editors face when modernising the spelling punctuation and layout of the 1609 quarto Orgel reminds us that the order in which the sonnets were composed bears no relation to the order in which they appear in the quarto and he warns against reading them biographically This edition retains the text prepared by G Blakemore Evans together with his notes and commentary Shakespeare's Poems and Sonnets Harold Bloom, 2009 Provides insight into the poems sonnets of William Shakespeare along with a brief biography
