

# New Federalism

- Shifted power of federal gov't to state/local gov't.
- **Revenue sharing**: state and local gov't. could spend their federal dollars however they saw fit (within certain limitations)
- ***Revenue sharing*** was one of the largest overhauls of federal spending since the New Deal.

# New Federalism

**ML Morrison**

## **New Federalism:**

The New Federalism Michael D. Reagan, 1972      **New Federalism** Timothy J. Conlan, 1988 By analyzing spending regulatory and tax policies surprising differences are found in the goals and policies of the Nixon and Reagan ideologies Nixon sought to use federalism reform as a means of diffusing governmental activism and improving governmental performance Reagan in contrast used federalism reform initiatives to challenge government activism at every level Conlan relates these developments to theories of the modern state and to the future of American federalism No bibliography Also available in paper 15 95 Annotation copyrighted by Book News Inc Portland OR      *New Federalism* United States. Congress. Joint Economic Committee, 1983      **The New Federalism: Can the States Be Trusted?** , The New Federalism investigates whether returning a variety of regulatory and police powers back to the states will yield better government It poses the provocative question Can the states be trusted and emerges with a qualified yes This book should be an invaluable resource to federal and state policymakers alike      **Reaganomics** Carl Lowe, 1984 Examining the theoretical underpinning of Reaganomics and the New Federalism the first section looks at the history of its implementations during President Reagan s first two years in office focusing on how Reagan s economic theories adapted to the political realities Section II describes the ways in which Reagan has come into conflict with Federal regulations and the Federal payroll Section III deals with the effects of the new policies on different socio economic groups The last section discusses the future of Reaganomics      **From New Federalism to Devolution** Timothy J. Conlan, 2010-12-01 In the period from 1970 to the early 1990s Republican leaders launched three major reforms of the federal system Although all three initiatives advanced decentralization as a goal they were remarkably different in their policy objectives philosophical assumptions patterns of politics and policy outcomes Expanding and updating his acclaimed book *New Federalism Intergovernmental Reform from Nixon to Reagan* 1988 Timothy Conlan provides a comprehensive look at intergovernmental reform from Nixon to the 104th Congress The stated objectives of Republican reformers evolved from rationalizing and decentralizing an activist government to rolling back the welfare state to replacing it altogether Conlan first explains why conservatives have placed so much emphasis on federal reform in their domestic agendas He then examines Nixon s New Federalism including management reforms and revenue sharing analyzes the policies and politics of the Reagan revolution and reviews the legislative limitations and achievements of the 104th Congress Finally he traces the remarkable evolution of federalism reform politics and ideology during the past 30 years and provides alternative scenarios for the future of American federalism      **Administering The New Federalism** Lewis G. Bender, 2019-03-11 This book uses the most comprehensive survey and case research available on the administrative and subnational policy aspects of the New Federalism It presents readers with both summary and critical analyses of the management responses and adjustments throughout the fifty states in the U S      **The New American Political System** Anthony King, 1990 Everything is new in this second version of AEI s all time bestseller which brings

coverage of the vital trends in American political life up to the present      **Resources in Education** ,2001-04      **The Unsustainable American State** Lawrence Jacobs,Desmond King,2009-10-02 The complexity of the American economy and polity has grown at an explosive rate in our era of globalization Yet as the 2008 financial crisis revealed the evolution of the American state has not proceeded apace The crisis exposed the system s manifold political and economic dysfunctionalities Featuring a cast of leading scholars working at the intersection of political science and American history The Unsustainable American State is a historically informed account of the American state s development from the nineteenth century to the present It focuses in particular on the state produced inequalities and administrative incoherence that became so apparent in the post 1970s era Collectively the book offers an unsettling account of the growth of racial and economic inequality the ossification of the state the gradual erosion of democracy and the problems deriving from imperial overreach Utilizing the framework of sustainability a concept that is currently informing some of the best work on governance and development the contributors show how the USA s current trajectory does not imply an impending collapse but rather a gradual erosion of capacity and legitimacy That is a more appropriate theoretical framework they contend because for all of its manifest flaws the American state is durable That durability however does not preclude a long relative decline

## Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **New Federalism**

In some sort of inundated with monitors and the cacophony of instant transmission, the profound power and mental resonance of verbal art frequently diminish in to obscurity, eclipsed by the continuous barrage of noise and distractions. However, nestled within the musical pages of **New Federalism**, a charming perform of literary elegance that impulses with fresh thoughts, lies an wonderful journey waiting to be embarked upon. Published with a virtuoso wordsmith, this enchanting opus manuals readers on a mental odyssey, softly exposing the latent possible and profound affect embedded within the delicate internet of language. Within the heart-wrenching expanse of this evocative examination, we will embark upon an introspective exploration of the book is key subjects, dissect their fascinating publishing type, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
