New Horizons And My Angels:

New Horizons and My Angels Acaysha, 2002 I started my life all over again when I was 25 years old after I decided to have an innovative yet miraculous brain surgery to remove the damage in my brain and stop the epileptic seizures After living with epilepsy since I was 2 years old I wanted a new life one without seizures After surgery I regressed back to a two year old mentally and emotionally Join me as I take you on my journey through recovery and how I re learned to live again As you experience with me the laughter and the crying along with tears of anger and defeat you will want to hold me love me and even yell at me as I struggle to grasp the rules of life one more time Acaysha Through the trials and tribulations through life a woman emerges A true friend and an angelic being Many adversities were thrown her way and she emerged victorious with the help of the power that be Her life is a true inspiration She touches many and heals many souls I am honored to know her and be her friend Many blessings Rev Karen Wilkinson

Show Me, Teach Me, Heal Me Acaysha, 2010-10-11 Show Me Teach Me Heal Me is a much needed reference guide to the alternative and complementary health choices that are available today In our society we have been raised to believe that our health depends on the quality of the healthcare we receive and that our doctors always know what is best The truth is your health is your responsibility You are the only person who can make the lifestyle decisions that contribute to your well being and with this book you have the tools to start making educated decisions This is your life and there are no dress rehearsals Achieving wellness is an on going series of small steps taken one day at a time So enjoy the journey TESTIMONIALS An absolutely wonderful conglomeration of healing practitioners that explore many different modalities that can blend with Western medicine in your quest to achieve balance and health spiritually mentally and emotionally Lucy Throne Acaysha and her angels will show you how to open the door to set your soul free simply easily and completely I recommend getting Acaysha s positive light into your own life and feel re energized Caryn Suarez Author of *Living Crazy Like Fly* The world needs a simple tool like this book to help them find themselves and learn to heal Using this book will help you find the techniques that best suit your life MyLinda Butterworth Award winning author of *For Health s Sake A Cancer Survivor s Cookbook* Reviews *A Year with the Angels* Jenny Smedley, 2011-11-07 Many people have trouble focusing the right sort of thought power into connecting with angels The struggle of everyday life gets in the way they feel self conscious and unsure of themselves afraid that it s all in their head and their brains need a more logical and structured approach to the subject in order to succeed If only they could text or email their angel Of course this isn t possible but there are lots of practical steps that can help make the process easier and more rewarding Covering one month at a time *A Year with the Angels* gives the reader a strategy to follow and pinpoints the information people need to tame their modern day left centred brains and get their heads around a very real and lasting connection with the angels

of works by Tom Cheetham on the spirituality of Henry Corbin a major twentieth century scholar of Sufism and colleague of C G Jung whose influence on contemporary religion and the humanities is beginning to become clear Cheetham s books have helped spark a renewed interest in the work of this important creative religious thinker Henry Corbin 1903 1978 was professor of Islamic religion at the Sorbonne in Paris and director of the department of Iranic studies at the Institut Franco Iranien in Teheran His wide ranging work includes the first translations of Heidegger into French studies in Swedenborg and Boehme writings on the Grail and angelology and definitive translations of Persian Islamic and Sufi texts He introduced such seminal terms as the imaginal realm and theophany into Western thought and his use of the Shi ite idea of ta wil or spiritual interpretation influenced psychologist James Hillman and the literary critic Harold Bloom His books were read by a broad range of poets including Charles Olson and Robert Duncan and his impact on American poetry says Cheetham has yet to be fully appreciated His published titles in English include Creative Imagination in the Sufism of Ibn Arabi Avicenna and the Visionary Recital and The Man of Light in Iranian Sufism As the religions of the Book place the divine Word at the center of creation the importance of hermeneutics the theory and practice of interpretation cannot be overstated In the theology and spirituality of Henry Corbin the mystical heart of this tradition is to be found in the creative active imagination the alchemy of spiritual development is best understood as a story of the soul s search for the Lost Speech Cheetham eloquently demonstrates Corbin s view that the living interpretation of texts whether divine or human or indeed of the world itself seen as the Text of Creation is the primary task of spiritual life In his first three books on Corbin Cheetham explores different aspects of Corbin s work but has saved for this book his final analysis of what Corbin meant by the Arabic term ta wil perhaps the most important concept in his entire oeuvre Any consideration of how Corbin s ideas were adapted by others has to begin with a clear idea of what Corbin himself intended writes Cheetham his own intellectual and spiritual cosmos is already highly complex and eclectic and a knowledge of his particular philosophical project is crucial for understanding the range and implications of his work Cheetham lays out the implications of ta wil as well as the use of language as integral part of any artistic or spiritual practice with the view that the creative imagination is a fundamentally linguistic phenomenon for the Abrahamic religions and as Corbin tells us prayer is the supreme form of creative imagination
