October Sun A Year Of Haiku:

October Sun Joseph Gustafson, Maine Writers and Publishers Alliance Collection (Bowdoin College Library), 1988-06-01

Haiku Moment Bruce Ross, 2011-12-27 Kagero Nikki translated here as *The Gossamer Years* belongs to the same period as the celebrated *Tale of Genji* by Murasaki Shikibu This remarkably frank autobiographical diary and personal confession attempts to describe a difficult relationship as it reveals two tempestuous decades of the author's unhappy marriage and her growing indignation at rival wives and mistresses Too impetuous to be satisfied as a subsidiary wife this beautiful and unnamed noblewoman of the Heian dynasty protests the marriage system of her time in one of Japanese literature's earliest attempts to portray difficult elements of the predominant social hierarchy A classic work of early Japanese prose *The Gossamer Years* is an important example of the development of Heian literature which at its best represents an extraordinary flowering of realistic expression an attempt unique for its age to treat the human condition with frankness and honesty A timeless and intimate glimpse into the culture of ancient Japan this translation by Edward Seidensticker paints a revealing picture of married life in the Heian period

Harvey Quaytman Apsara DiQuinzio, 2018-10-23 Harvey Quaytman's paintings are distinct for their inventive whimsical exploration of shape meticulous attention to surface texture and experimental application of color While his works display a rigorous commitment to formalism they are simultaneously invested with rich undertones of sensuality decorativeness and humor expressed too in his playful poetic titles such as *A Street Called Straight* and *Kufikind* Demonstrating the arc of Quaytman's oeuvre from his radically curvilinear canvases of the late 1960s and 1970s to his exploration of serialized geometric abstraction in the 1980s and finally to his serene cruciform canvases of the 1990s this retrospective exhibition and accompanying illustrated catalogue is a timely reconsideration of Quaytman's influential work placing him and his work more prominently in the trajectory of American modern art With contributions by Suzanne Hudson and John Yau as well reflections by R H Quaytman an artist and the daughter of Harvey Quaytman on her father's work and life Published in association with the Berkeley Art
