Paston Family In The Fifteenth Century Fastolfs Will:

The Paston Family in the Fifteenth Century: Volume 1, The First Phase Colin Richmond, 2002-05-16 This volume describes in lively and original style the beginnings of the family's gentility **The Paston Family in the Fifteenth Century: Volume 2, Fastolf's Will** Colin Richmond, 2002-05-16 The Paston family have long been famous for the large collection of letters and papers which bear their name. However, only recently have the Paston Letters been used systematically by historians of fifteenth century England; they are both attractive to read and fiendishly difficult to use as source material for the historian. This, the second volume in Colin Richmond's individual and compelling study of the Pastons, describes the bitter disputes over the will of Sir John Fastolf d. 1459 which dogged the family for many years and which hold a wider significance for the law, English country society and the complex politics of the fifteenth century. Professor Richmond uses his mastery of the Paston documents to illuminate many obscurities surrounding the will and at the same time creates an insightful and sympathetic picture of this fascinating, often troubled family.

The Paston Family in the Fifteenth Century Colin Richmond, 1996 The Paston family have long been famous for the large collection of letters and papers which bear their name. However, only recently have the Paston Letters been used systematically by historians of fifteenth century England; they are both attractive to read and fiendishly difficult to use as source material for the historian. This, the second volume in Colin Richmond's individual and compelling study of the Pastons, describes the bitter disputes over the will of Sir John Fastolf d. 1459 which dogged the family for many years and which hold a wider significance for the law, English country society and the complex politics of the fifteenth century. Professor Richmond uses his mastery of the Paston documents to illuminate many obscurities surrounding the will and at the same time creates an insightful and sympathetic picture of this fascinating, often troubled family.

The Paston Family in the Fifteenth Century Colin Richmond, 2000 This is the third and final volume in the trilogy by Colin Richmond on the Paston family in the 15th century, completing the sequence which began with *The First Phase* and continued with *Fastolf's Will*. This volume deals with the later years of the century and those topics and themes which arise at that point in the family's history. The principal characters are John Paston II, his younger brother John Paston III and their mother Margaret Paston. Richmond deals with a variety of issues, some of which have arisen in previous volumes, and attempts some judgements on the role of the English gentry in the later middle ages.

Laws, Lawyers and Texts, 2012-06-22 The essays in this volume, in honour of Paul Brand, Senior Research Fellow of All Souls College, Oxford, match his career and interests in the world of legal history as well as medieval social and economic history and textual studies. The topics explored include the Angevin reforms, legal literature, the legal profession and judiciary, land law, the relation between the crown and the Jews, the interaction of the Common Law with Canon and Civil Law as well as procedural and testamentary procedures, the management of both ecclesiastical and lay estates and the afterlife of medieval learning. Like Brand's own work, all the essays are grounded on detailed studies of primary sources. The result is a high quality scholarly book that will

be of interest and use to medieval scholars students and non specialists with wide ranging and varied interests Contributors include Sir John H Baker David Carpenter David Crook Charles Donahue Jr Barbara Harvey Richard H Helmholtz John Hudson Paul Hyams David J Ibbetson Susanne Jenks Janet S Loengard Alexandra Nicol Bruce R O'Brien Robert C Palmer Sandra Raban Jonathan Rose Henry Summerson and Sarah Tullis Professor Jon Baker is the winner of the American Society for Legal History's 2013 Sutherland Prize The prize which is awarded annually is for the best article on English legal history published in the previous year The Prize was awarded to John Baker for his article Deeds Speak Louder Than Words Covenants and the Law of Proof 1290-1321 in *Laws Lawyers and Texts Studies in Medieval Legal History in Honour of Paul Brand* ed Susanne Jenks Jonathan Rose and Christopher Whittick 2012 For more information about the Prize see <http://aslh.net> about aslh honors awards and fellowships sutherland prize

The Real Falstaff Stephen Cooper, 2011-02-23 This historical study examines the life and military accomplishments of the medieval knight who inspired one of Shakespeare's most beloved characters One of the most famous English knights of the Hundred Years War Sir John Fastolf is widely thought to be a model for Shakespeare's immortal character Sir John Falstaff In *The Real Falstaff* historian Stephen Cooper examines the link in full shedding light on his story as well as the declining English fortunes during the last phase of the Hundred Years War Witnessing both the triumphs of Henry V and the disasters of the 1450s Fastolf was one of the last of the brave but often brutal English soldiers who made their careers waging war in France Cooper retraces the entire course of Fastolf's long life putting special focus on his many campaigns A vivid picture of the old soldier emerges and of the French wars in which he played such a prominent part But the author also explores Fastolf's legacy his connection to the Paston family famous for the Paston letters and the use Shakespeare made of Fastolf's name career and character when he created Sir John Falstaff

Letter Writing and Language Change Anita Auer, Daniel Schreier, Richard J. Watts, 2015-07-16 *Letter Writing and Language Change* outlines the historical sociolinguistic value of letter analysis both in theory and practice The chapters in this volume make use of insights from all three Waves of Variation Studies and many of them either implicitly or explicitly look at specific aspects of the language of the letter writers in an effort to discover how those writers position themselves and how they attempt consciously or unconsciously to construct social identities The letters are largely from people in the lower strata of social structure either to addressees of the same social status or of a higher status In this sense the question of the use of standard and or nonstandard varieties of English is in the forefront of the contributors' interest Ultimately the studies challenge the assumption that there is only one legitimate and homogenous form of English or of any other language

Blood and Roses - The Paston Family in the Fifteenth Century Helen Castor, 2025-05-24 The Wars of the Roses turned England upside down Between 1455 and 1485 four kings lost their thrones

more than forty noblemen lost their lives on the battlefield or their heads on the block and thousands of the men who followed them met violent deaths Yet almost nothing is known about the thoughts and feelings of the people who lived through this bloody conflict whether kind of noble landowner or peasant Almost nothing but not quite As they made their way in a disintegrating world a Norfolk family called the Pastons were writing letters about politics about business about shopping about love and about each other Using these letters the oldest surviving family correspondence in English Helen Castor traces the extraordinary history of the Paston family across three generations Blood Roses tells the dramatic moving and intensely human story of how one family survived one of the most tempestuous periods in English history

Romance and the Gentry in Late Medieval England Michael Johnston, 2014-05 showing that contrary to the commonly held view that romances are representative of the popular culture of their day in fact such texts appealed primarily to the gentry England's elite landowners who lacked titles of nobility

The Historical Literature of the Jack Cade Rebellion Dr Alexander L Kaufman, 2013-04-28 Accounts of Jack Cade's 1450 Rebellion an uprising of some 30 000 middle class citizens protesting Henry VI's policies and resulting in hundreds of deaths as well as the leader's execution form the dominant entry in a group of quasi historical documents referred to as the London chronicles of the Fifteenth Century However each chronicle is inherently different and highly subjective In the first study of the primary documents related to the Cade Rebellion Alexander L Kaufman shows that the chroniclers produced multiple representations of the event rather than a single unified narrative Aided by contemporary theories of historiography and historical representation Kaufman scrutinizes the differing representations and distinguishes the writers' objectiveness their underrated literary skills and their ideological positions on the rebellion and fifteenth century politics He demonstrates how the use of figurative language is related to writing about trauma and how descriptions of Cade's procession through London are a violent parody of midsummer festivals In an exploration of authenticity in the descriptions of Cade Kaufman also examines the characterization and plot devices that push Cade towards the realm of myth showing that representations of Cade are influenced by popular fifteenth century stories of Robin Hood

Medieval Texts in Context Graham D. Caie, Denis Renevey, 2008-04-01 This collection of essays by leading experts in manuscript studies sheds new light on ways to approach medieval texts in their manuscript context Each contribution provides groundbreaking insight into the field of medieval textual culture demonstrating the various interconnections between medieval material and literary traditions The contributors work aids reconstruction of the period's writing practices as contextual factors surrounding the texts provide clues to the manuscript experience Topics such as scribal practice and textual providence glosses rubrics page layout and even page ruling are addressed in a manner illustrative and suggestive of textual practice of the time while the volume further considers the interface between the manuscript and early textual communities Looking at medieval inventories of books no longer extant and addressing questions such as ownership reading practices and textual production Medieval Texts in Context addresses the fundamental

interpretative issue of how scribe editors worked with an eye to their intended audience An understanding of the world inhabited by the scribal community is made use of to illuminate the rationale behind the manufacture of devotional texts The combination of approaches to the medieval vernacular manuscript presented in this volume is unique marking a major innovative contribution to manuscript studies

The Order of the Garter, 1348-1461 Hugh E. L. Collins, 2000 This is the first scholarly study of the political role of the Order of the Garter during the late middle ages It evaluates the relationship between the practical objectives served by the institution and its status as a chivalric elite Focusing on the years between the Garter's inception in 1348 and the deposition of Henry VI in 1461 the study considers the Order's conception companionship and collective activities and places them against the political backdrop of the fourteenth and fifteenth centuries Hugh Collins highlights the potential of the fraternity as an instrument of political patronage and attributes its success in this area to the important balance achieved in the Garter's constitution and fellowship between pragmatic considerations and knightly ideas His examination of the interdependence of these two facets thus reveals the extent to which political society in the late middle ages founded its ambitions and aspirations on the cult of chivalry

Rule, Redemption and Representations in Late Medieval England and France Linda Clark, 2008 Important aspects of fifteenth century England and Europe assessed in this new collection A variety of new perspectives and fresh insights into people and society in fifteenth century England and France are gathered together here We learn from contemporary accounts of the battle of Anthon how regional politics in the Dauphin were enmeshed in the broader conflict over the French throne subtle inferences about East Anglian politics in the fifteenth century are derived not only from a detailed study of stained glass but also from a close examination of Sir John Fastolf's papers the motivations of members of guilds in founding almshouses in their towns and how such establishments functioned are presented for our deeper understanding relations between Humphrey duke of Gloucester and the citizens of London at crucial stages of Henry VI's reign are explored anew the celebration of the accession of Edward IV by the artistic endeavours of a clerk of the staple of Calais gives our study of the period a new visual dimension and a drama perhaps performed in the household of Cardinal Morton throws a new perspective on contemporary attitudes towards the nobility and Henry VII's new men Contributors KATHLEEN DALY DAVID KING RUTH LEXTON JONATHAN MACKMAN CAROLE RAWCLIFFE COLIN RICHMOND LUCY RHYMER ANNE F SUTTON

The Jack Cade Rebellion of 1450 Alexander L. Kaufman, 2019-11-29 The Jack Cade Rebellion of 1450 was an uprising of the commons of England most of whom were from Kent Norfolk and Essex that culminated in a battle on London Bridge The rebel force led by a mysterious man known as Jack Cade protested King Henry VI's ineffectiveness as a leader the over taxation of the working classes the crown's failed attempts to secure French territories and the corrupt bureaucrats and church officials This book collects for the first time primary documents related to the rebellion that have been translated into Present Day English or glossed for ease of reading The sources included in this book comprise the rebels petitions entries from medieval and early modern chronicles letters

and formal correspondences official government documents and political poems of the fifteenth century Students interested in urban history popular rebellions medieval and early modern studies legal studies criminal justice Shakespeare and artistic expressions of protest will find these primary sources invaluable

Christian Culture and Society in Later Catholic England, 2024-08-05 This book in memory of F Donald Logan explores different aspects of Christian culture and society in England from the twelfth to the sixteenth century Although this period has traditionally been interpreted in terms of decline and decay this excessively gloomy picture has slowly given way over the last eighty years or so to a more positive view of Christian civilization during these centuries The twenty two studies brought together here seek to build on this ongoing reassessment of Later Catholic England especially in those areas in which Professor Logan himself had done so much to deepen our understanding of Christian English society Contributors are Travis Baker Caroline Barron Nicholas Bennett Barbara Bombi Paul Brand Janet Burton James G Clark Karen Corsano Virginia Davis Charles Donahue Jr Anne J Duggan Joan Greatrex Diana Greenway Michael Haren R H Helmholz Philippa Hoskin Henry Ansgar Kelly Frederik Pedersen Seymour Phillips Michael J P Robson Jens R hrkasten Jane Sayers R N Swanson Daniel Williman and Patrick Zutshi

The King, the Crown, and the Duchy of Lancaster Helen Castor, 2000-08-03 In 1399 Henry Bolingbroke duke of Lancaster seized the throne of England to become Henry IV From 1399 therefore the Lancastrian kings unlike their royal predecessors commanded not only the public authority of the crown but also the private power of the Duchy of Lancaster Until now this has been seen simply as an advantage to the Lancastrian crown and as an uncontroversial part of the evolution of a royal affinity during the later middle ages However this study makes clear that profound tensions existed between the role of the king and that of his alter ego the duke of Lancaster This book examines the complex relationship between the king the crown and the Duchy of Lancaster at both a national and a local level focusing particularly on the north midlands and East Anglia and in so doing sheds light on the nature and functioning of the late medieval English monarchy

Cecily Duchess of York J. L. Laynesmith, 2017-07-13 This is the first scholarly biography of Cecily Neville duchess of York the mother of Edward IV and Richard III She was said to have ruled Edward IV as she pleased and Richard III made his bid for the throne from her home Yet Cecily has been a shadowy figure in modern histories noted primarily for her ostentatious piety her expensive dresses and the rumours of her adultery Here J L Laynesmith draws on a wealth of rarely considered sources to construct a fresh and revealing portrait of a remarkable woman Cecily was the only major protagonist to live right through the Wars of the Roses This book sheds new light on that bloody conflict in which Cecily proved herself an exceptional political survivor Skilfully manipulating her family connections and contemporary ideas about

womanhood Cecily repeatedly reinvented herself to protect her own status and to ensure the security of those in her care From her childhood marriage to Richard duke of York until her final decade as grandmother of the first Tudor queen the story of Cecily Neville s life provides a rich insight into national and local politics women s power and relationships motherhood household dynamics and the role of religion in fifteenth century England
