Pastures New Odense University The First 25 Years:

Pastures New Per Boje, Knud J. V. Jespersen, 1991 A History of the University in Europe: Volume 4, Universities since 1945 Walter Rüegg, 2010-12-16 This is the final volume in a four part series covering the development of the university in Europe east and west from its origins to the present day focusing on a number of major themes viewed from a European perspective The originality of the series lies in its comparative interdisciplinary collaborative and transnational nature It deals also with the content of what was taught at the universities but its main purpose is an appreciation of the role and structures of the universities as seen against a backdrop of changing conditions ideas and values This volume deals with the reconstruction and epoch making expansion of higher education after 1945 which led to the triumph of modern science It traces the development of the relationship between universities and national states teachers and students their ambitions and political activities Special attention is paid to fundamental changes in the content of teaching at the universities

History of Universities Mordechai Feingold, 2012-10-25 This volume contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication useful for the historian of higher education Subjects covered in this volume include The Viterban Stadium of the 16th century Scholarly reputations and international prestige and The Netherlands William Carstares and the reform of Edinburgh University 1690 1715 *Utopian Universities* Miles Taylor, Jill Pellew, 2020-11-12 In a remarkable decade of public investment in higher education some 200 new university campuses were established worldwide between 1961 and 1970 This volume offers a comparative and connective global history of these institutions illustrating how their establishment intellectual output and pedagogical experimentation sheds light on the social and cultural topography of the long 1960s With an impressive geographic coverage using case studies from Europe the Americas Africa and Asia the book explores how these universities have influenced academic disciplines and pioneered new types of teaching architectural design and student experience From educational reform in West Germany to the establishment of new institutions with progressive interdisciplinary curricula in the Commonwealth the illuminating case studies of this volume demonstrate how these universities shared in a common cause the embodiment of utopian ideals of living learning and governance At a time when the role of higher education is fiercely debated *Utopian Universities* is a timely and considered intervention that offers a wide ranging historical dimension to contemporary predicaments The A to Z of Denmark Alastair H. Thomas, 2010-05-10 The A to Z of Denmark relates the history of this successful country through a chronology an introductory essay appendixes a bibliography and hundreds of cross referenced dictionary entries on kings politicians officials explorers authors architects composers painters **The A to Z of Denmark** Alastair H. Thomas, 2010-05-10 Denmark is the oldest monarchy in Europe At different points in its history Denmark's boundaries have encompassed England Sweden West Africa India and the West Indies Despite its changing and relatively small boundaries Denmark has played a much larger part in the politics of Europe than might be expected

Additionally through its territories Faroe Islands and Greenland Denmark has managed to retain an important presence in the North Atlantic Today democratic Denmark with its thriving capital Copenhagen is peaceful prosperous and progressive Within NATO Denmark has contributed to peace keeping in the Persian Gulf and Bosnia The Danish Model of welfare gives Danes a real sense of social security and presents many naysayers with a provocative example of a successfully managed welfare state Danes have a reputation for inventiveness and good design whether in architecture furniture or industrial design The A to Z of Denmark relates the history of this successful country through a chronology an introductory essay appendixes a bibliography and hundreds of cross referenced dictionary entries on kings politicians officials explorers authors architects composers painters astronomers educationists reformers political parties social movements and other aspects of Danish society

Historical Dictionary of Denmark Alastair H. Thomas, 2016-07-26 Denmark has a millennium long continuous history and development from Viking times about 800 1050 AD to the modern welfare state The resilience of the Danish people is evident in the artistic golden age of the early 19th century despite national bankruptcy the agricultural revival during the final third of the 19th century Modern Denmark leads in industrial design furniture engineering pharmacy and social development in the 20th century Danish scientists medical doctors composers musicians choreographers playwrights authors sculptors architects designers painters and film directors have made significant contributions to the development of European culture In the 21st century Denmark combines a thriving and highly productive modern economy with extensive social care and welfare and thus refutes the neo conservative economists who claim that such a combination is impossible In short Denmark is seen by the Danes and their neighbors as a very good place to live This third edition of Historical Dictionary of Denmark contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Denmark

Scandinavica Elias Bredsdorff, 1995 **Geschichte der Universität in Europa** Walter Rüegg, 1993 Die von Walter Rüegg herausgegebene vierbändige Geschichte der Universität in Europa erscheint in mehreren Ländern und Sprachen Sie verdankt ihre Entstehung der Europäischen Rektorenkonferenz die ein internationales Herausgeberkomitee bestellte Dieses einzigartige gesamteuropäische Projekt das mit dem Erscheinen des vierten Bandes nun abgeschlossen vorliegt wird für lange Zeit grundlegend bleiben

Knowledge, Politics and the History of Education Jesper Eckhardt Larsen, 2012 The humanities and social science disciplines are increasingly expected to prove their relevance faced with the politics of knowledge in the knowledge economy This tendency is investigated in this book regarding the discipline of the history of education in America and Europe
