Plain Style Techniques For Simple Concise Emphatic Business Writing:

Plain Style Richard Lauchman,1993-10-22 Good writing is good business Simple straightforward writing saves time creates good relationships and prevents expensive misunderstandings But why is it so hard to achieve This incisive guide suggests ways to think about writing what it should look and sound like as well as what it should accomplish that can simplify how writers choose to express their ideas It examines the reasons why many businesspeople with good skills tend to write strange needlessly complicated sentences and shows them how to break the habit Plain Style offers 35 practical techniques that foster simplicity conciseness and emphasis Garner's Modern English Usage Bryan Garner,2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner s Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you re sure to learn from every single page of this book *Public Policy Writing That Matters* David Chrisinger,2022-02-01 A thoroughly updated and expanded guide to honing your public policy writing skills and making a significant impact on the world Winner of the George Orwell Award by the National Council of Teachers of English Professionals across a variety of disciplines need to write about public policy in a manner that inspires action and genuine change You may have amazing ideas about how to improve the world but if you aren t able to communicate these ideas well they simply won t become a reality In *Public Policy Writing That Matters* communications expert David Chrisinger who directs the Harris Writing Program at the University of Chicago and worked in the US Government Accountability Office for a decade argues that public policy writing is most persuasive when it tells clear concrete stories about people doing things Combining helpful hints and cautionary tales with writing exercises and excerpts from sample policy analysis Chrisinger teaches readers to craft concise story driven pieces that exceed the stylistic requirements and limitations of traditional policy

writing Aimed at helping students and professionals overcome their default impulses to merely explain this book reveals proven tips tested in the real world and in the classroom for writing sophisticated policy analysis that is also easy to understand For anyone interested in planning organizing developing writing and revising accessible public policy Chrisinger offers a step by step guide that covers everything from the most effective use of data visualization to the best ways to write a sentence from the ideal moment for adding a compelling anecdote to advice on using facts to strengthen an argument This second edition addresses the current political climate and touches on policy changes that have occurred since the book was originally published A vital tool for any policy writer or analyst Public Policy Writing That Matters is a book for everyone passionate about using writing to effect real and lasting change

Garner's Modern American Usage Bryan Garner,2009-08-27 Since first appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner s Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved
