Political Myth And Epic:

Political Myth and Epic Gilbert Morris Cuthbertson, 1963 **Political Myth** Christopher Flood, 2013-12-02 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company **A Political History of the Bible in America** Paul D. Hanson, 2015-08-24 Biblical history enriched by many religious and cultural traditions flows into and is intertwined with our nation's epic both for better and for worse To ignore that history is to cut ourselves off from our roots and to deny the ancestral experiences that forged our individual and collective identity from the prologue This substantial work explores the interplay of religion and politics throughout the history of the United States Paul D Hanson traces American history back to colonial times paying close attention to the role that biblical tradition has played in shaping the national story of the United States He then presents a detailed study of politics in the Bible that is framed by the challenges and crises in American history Students will learn how deeply religion has influenced both domestic and international policy and contributed to the nation's sense of identity and purpose After laying these biblical historical foundations Hanson considers a method of biblical interpretation that can speak to the diverse nation of today He proposes an inclusive form of public moral discourse that invites full participation by members of all religious and philosophical groups **Producing Cultural Change in Political Communities** Holger Mölder, Camelia Florela Voinea, Vladimir Sazonov, 2023-11-13 In light of many crises in the last two decades including democratic recession climate change economic crises and massive waves of migration affecting perceptions of security around the world this book examines the impact of cultural change in political communities on the global political and security environment Through various case studies of political communities around the world the book analyzes contemporary responses to cultural change often culminating in the rise of political populism and extremism The book is divided into two parts and presents a foreword by Larry Diamond and an afterword by Eric Shiraev The first part focuses on the micro level of cultural change in political communities and discusses conflict mechanisms and the role of political participation in producing changes The second part features studies on extremism and populism analyzing their impact on cultural change in Europe The book is intended for scholars and students in a variety of disciplines including international relations security studies cultural studies and related fields **Mythologies , Political Myths and Economic Realities** Francis Delaisi, 1927 **The Political Theory of the Bhagavad-Gita** Stuart Gray, 2025-03-17 This book provides the first systematic analysis and interpretation of the Bhagavad Gita as a work of political theory Exploring its narrative and characters comprehensively in its own textual and historical context with a close reading of the original Sanskrit this volume fills a crucial gap by enriching the study of this ancient religious and philosophical work Key themes include monarchy rule pluralism and power Additionally by examining its influence on Mohandas Gandhi Narendra Modi Hindu nationalism and contemporary Indian democracy it offers timely insights into the enduring impact of the Gita's ideas on political ideologies movements and rhetoric today *Mapping The Faerie Queene*

Wayne Erickson,2013-10-28 This book analyzes the Faerie Queene s setting examining Spenser s quest structures and his ideas about epic romance and history Critics almost invariably treat Spenser s Faeryland as coextensive with the world of the poem but this is not the case rather Faeryland is part of an epic cosmos reaching from heaven and the abode of the classical deities to demonic underground realms Spenser situates Faeryland within a specific spatial and temporal terrestrial geography in which locations outside Faeryland represent various heroic settings in political history The politico historical world built around Faeryland is ripe for analysis by contemporary historicist critics Spenser uses political geography in conjunction with the time inclusive medium of Faeryland to coordinate several transhistorical quests that create a pattern of temporal mediations among sixth century British 16th century English and biblical and prophetic versions of history He juxtaposes chronicle history empirical historiography and cultural myth while manipulating genre to create a world capable of accommodating his grand romantic epic design In mapping the world of The Faerie Queene the book provides a widened context for Spenser s quest structures a significant contribution to the study of the poem s relation to history and a new perspective from which to view Spenser s debts to classical epic Italian romantic epic and his native medieval inheritance

Index Bibliography **WealthWatch** Michael S. Moore,2011-05-12 The purpose of this book is to help postmodern

Westerners understand what the Bible has to say about wealth and possessions its acquisition and protection deprivation and slavery corruption and hedonism and even relations between management and labor Focusing on Torah the Pentateuch it interprets this great text against other great texts in its literary historical environment including some epic poems from Mesopotamia some Jewish texts from Syro Palestine and some Nazarene parables from the Greek New Testament

Popular Cinema as Political Theory J. Nelson,2013-12-05 The book presents cinematic case studies in political realism versus political idealism demonstrating methods of viewing popular cinema as political theory The book appreciates political myth making in popular genres as especially practical and accessible theorizing about politics **Hollywood Westerns and American Myth** Robert B. Pippin,2010-06-22 In this pathbreaking book one of America s most distinguished philosophers brilliantly explores the status and authority of law and the nature of political allegiance through close readings of three classic Hollywood Westerns Howard Hawks Red River and John Ford s The Man Who Shot Liberty Valance and The Searchers Robert Pippin treats these films as sophisticated mythic accounts of a key moment in American history its second founding or the western expansion His central question concerns how these films explore classical problems in political psychology especially how the virtues of a commercial republic gained some hold on individuals at a time when the heroic and martial virtues were so important Westerns Pippin shows raise central questions about the difference between private violence and revenge and the state s claim to a legitimate monopoly on violence and they show how these claims come to be experienced and accepted or rejected Pippin s account of the best Hollywood Westerns brings this genre into the center of the tradition of political thought and his readings raise questions about political psychology and the political passions that

have been neglected in contemporary political thought in favor of a limited concern with the question of legitimacy Myth and Reality in the Old Testament Brevard Childs, 2009-10-01 Explore biblical theology with monographs from a diversity of experts The Studies in Biblical Theology series includes a wealth of resources to help you understand the development of various doctrines concepts and terminology across the Old and New Testaments Investigate the characteristics of worship in the early church with studies on its liturgy and sacraments Fine tune your understanding of Jesus ministry by exploring his wilderness experience and the nature of his mission Delve into detailed word studies investigate Christological titles used by Paul and come to a new appreciation of the Ten Commandments These in depth treatments will give you a better grip on key theological themes found throughout the Bible **Theories of Myth** Thomas J. Sienkewicz, 1997-08-28 Theories of Myth a companion to the author's World Mythology An Annotated Guide to Collections and Anthologies Scarecrow Press and Salem Press 1996 has been written to serve the needs of college undergraduates high school students and general readers approaching the study of myth for the first time Whereas the earlier volume describes the plethora of anthologies collections and general introductions to myth from around the world Theories of Myth lists the most important English language studies of myth theory which attempt to answer the questions What is myth How does it function in human society and how is it to be interpreted Here the reader will find the most significant theoretical studies of traditional stories legends tales and sagas from around the world which attempt to address such questions from a variety of perspectives Includes an author editor index and a subject index *The Discourse of Kingship in Classical Greece* Carol Atack, 2019-10-11 This book examines how ancient authors explored ideas of kingship as a political role fundamental to the construction of civic unity the use of kingship stories to explain the past and present unity of the polis and the distinctive function or status attributed to kings in such accounts It explores the notion of kingship offered by historians such as Herodotus as well as dramatists writing for the Athenian stage paying particular attention to dramatic depictions of the unique capabilities of Theseus in uniting the city in the figure of the democratic king It also discusses kingship in Greek philosophy the Socratic identification of an art of kingship and Xenophon and Isocrates model of virtue monarchy In turn these allow a rereading of explorations of kingship and excellence in Plato's later political thought seen as a critique of these models and also in Aristotle's account of total kingship or pambasileia treated here as a counterfactual device developed to explore the epistemic benefits of democracy This book offers a fascinating insight into the institution of monarchy in classical Greek thought and society both for those working on Greek philosophy and politics and also for students of the history of political thought Repeat Performances Laurel Fulkerson, Tim Stover, 2016-07-31 The uses and effects of repetition imitation and appropriation in Latin epic poetry Political myths and economic realities Frances Delaisi, 1927 *Gods and Mortals in Early Greek and Near Eastern Mythology* Adrian Kelly, Christopher Metcalf, 2021-05-06 Explores the interaction between Greece and the Ancient Near East through stories about the gods and their relationships with humankind **Greek Mythology** , *Hegel's Political*

Aesthetics Stefan Bird-Pollan, Vladimir Marchenkov, 2020-05-14 What is the role of art in modern society To what extent are the beautiful and the morally good intertwined Hegel's Political Aesthetics explores Hegel's take on these ever relevant philosophical questions and investigates three key themes art's contribution to modern ethical life the loss of art's authority in modern ethical life and ways of thinking beyond Hegel's analysis of art's role in society The aesthetic is explored through the lens of German Idealism from Kant to Hegel ultimately placing ethics and morality at the forefront of this debate The authors explore Hegel's take on Kant's conception by historicizing what it means to be responsible to others which for Hegel means being free within the norms of society within what he calls ethical life As a set of concrete social arrangements designed for finite human beings however ethical life falls short of actualizing freedom absolutely The themes in this volume are motivated by a central ambivalence in Hegel's thinking about modernity The question of freedom sits at the forefront of this text alongside the relation between art and the spirit This book will be of particular interest to philosophers of aesthetics politics and ethics

Political Myth And Epic Introduction

In today's digital age, the availability of Political Myth And Epic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Myth And Epic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Myth And Epic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Myth And Epic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Myth And Epic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Myth And Epic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Myth And Epic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Myth And Epic books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Myth And Epic books and manuals for download and embark on your journey of knowledge?
