Awareness The French Film Musical Phil Powrie, Marie Cadalanu, 2020-09-17 Like many national cinemas the French cinema has a rich tradition of film musicals beginning with the advent of sound to the present This is the first book to chart the development of the French film musical The French film musical is remarkable for its breadth and variety since the 1930s although it flirts with the Hollywood musical in the 1930s and again in the 1950s it has very distinctive forms rooted in the traditions of French chanson Defining it broadly as films attracting audiences principally because of musical performances often by well known singers Phil Powrie and Marie Cadalanu show how the genre absorbs two very different traditions with the advent of sound European operetta and French chanson inflected by American jazz 1930 1950 As the genre matures operetta develops into big budget spectacles with popular tenors and revue films also showcase major singers in this period 1940 1960 Both sub genres collapse with the advent of rock n roll leading to a period of experimentation during the New Wave 1960 1990 The contemporary period since 1995 renews the genre returning nostalgically both to the genre s origins in the 1930s and to the musicals of Jacques Demy but also hybridising with other genres such as the biopic and the documentary *Agent Provocateur for Hitler or Churchill?* David Tremain, 2021-09-30 There have been many remarkable women who served British Intelligence during the Second World War One whose dubious claim to have worked for them is a fascinating tale involving three marriages the first to a spurious White Russian prince the second to a playboy turned criminal involved in a major jewellery robbery in the heart of London s Mayfair in the late 1930s After the war she became romantically involved with a well known British Fascist but finally married another notorious criminal whom she had met earlier during the war The descriptions variously ascribed to her ranged from remarkable and quite ravishing to a woman whose loose living would make her an object of shame on any farm yard Until now very little has been recorded about Stella Lonsdale s life She doesn t even merit a mention in the two official histories of MI5 even though she managed to tie them up in knots for years This book will explore the role this strange woman may or may not have played in working for British Intelligence the French Deuxi me Bureau or the Abwehr German military intelligence during the Second World War using her MI5 files as a primary source **Supplement to The Index of Violin Music** , 1974 Brahms and His World Peter Clive, 2006-10-02 As an influential and well connected composer Johannes Brahms 1833 1897 had encountered befriended and collaborated with hundreds of people over his significant career In *Brahms and His World A Biographical Dictionary* author Peter Clive provides extensive and up to date information on the composer s personal and professional association with some 430 persons These persons include relatives friends acquaintances and physicians fellow musicians and composers whom Brahms particularly admired and in the editions of whose works he was involved conductors instrumentalists and singers who took part in notable or first performances of his works poets whose texts he set to music publishers and artists and even the rulers of certain German states with whom he had significant contact Offering information not usually available in Brahms biographies this volume combines findings from both primary and secondary sources giving insights into Brahms

The Mahabharata: A Modern Retelling Erin Bernstein,Kisari Mohan Ganguli,2022-01-31 Please take a moment to enjoy this book a volume the original editors feel is an interpolation since the story pauses for a time to catch its breath The original editor thought the pale men of White Island were Romans Were they really that pasty Author *The Compleat Brahms* Leon Botstein,1999 The 1997 centennial of Brahms s death has intensified interest among concertgoers and music lovers in the composer s prodigious body of work *Baker's Biographical Dictionary of Musicians* Theodore Baker,Alfred Remy,1919
