John Joseph Collins, Robert A. Kugler

Qumran And History The Place Of The Teacher In Religion:

Qumran and History Olive Kuntz Gilliam,1974 Religious Books, 1876-1982 ,1983 History and Memory in the Dead Sea Scrolls Travis B. Williams,2019-05-16 Charts a new methodological course in Dead Sea Scrolls scholarship by employing memory theory to inform historical research This is an instructive resource for scholars who are seeking an alternative to currently constructed approaches to the subject and will be of appeal to those interested in the Dead Sea Scrolls more generally *One Teacher* John Yueh-Han Yieh,2012-08-06 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus role as the Teacher of God s will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew s church polemic apologetic didactic and pastoral

Religion in the Dead Sea Scrolls John Joseph Collins,Robert A. Kugler,2000-07-17 Eight European and North American scholars explore the concept of divinity in the Scrolls monotheism vs a host of divine beings and the efficacy of prayer the Scrolls relation to important halakic issues the interpretation of sacrifice and the continuity of halakic tendencies the question of Hellenistic influence especially the Greek language and the Scrolls apocalypticism and messianism Included is one index of ancient literature and one of modern authors Collins is professor of the Old Testament at Yale and Kugler is professor of religious studies at Gonzaga Annotation copyrighted by Book News Inc Portland OR Qumranica Minora I Florentino García Martínez,2007-05-31 *Qumranica Minora I* *Qumran Origins and Apocalypticism* brings together the author s much discussed articles on the so called Groningen Hypothesis an hypothesis about the origins of the Qumran Community in relation to the parent Essene movement and Palestinian apocalyptic movements as well as a selection of his most important essays on Early Jewish and Qumran apocalypticism The third part of the book consists of surveys of the history of research on the Dead Sea Scrolls The volume includes English translations of essays that were originally written in Spanish and French

Encyclopaedia of Midrash Jacob Neusner,Alan Avery-Peck,2022-11-07 *The Encyclopedia of Midrash Biblical Interpretation in Formative Judaism* provides a systematic account of biblical interpretation in Judaism from well before the second century BCE through the end of the seventh century CE While emphasizing the Rabbinic literature it also covers interpretation of Scripture in a number of distinct canons ranging from the Targumic literature and Dead Sea Scrolls to the New Testament and Church Fathers The encyclopedia comprises fifty six essays written by thirty scholars representing the leading figures in the study of ancient Judaism and biblical interpretation in North America Europe and the State of Israel Alongside a general introduction to Rabbinic Midrash and its traits including the theoretical questions of definition origins

theology hermeneutics genre criticism and language the encyclopedia addresses specific topics of concern in the study of scriptural interpretation How Rabbinic midrashic documents that focus on specific books of Scripture read those specific books the theology expressed by Rabbinic midrashic compilations and the historical context in which Rabbinic Midrash took shape all are treated Beyond these central issues in understanding Rabbinic Midrash the encyclopedia treats interpretations of Scripture that came to closure prior to or outside of the framework of Rabbinic Midrash Hellenistic Jewish Midrash Josephus Pseudo Philo Jubilees as well as to the New Testament Karaite and Samaritan writings and the Dead Sea Scrolls The Encyclopedia of Midrash provides readers with a depth and breadth of treatment of Midrash unavailable in any other single source Through the writings of top scholars in each of their fields it sets out the current state of the question for each of the many topics discussed in its pages The print edition is available as a set of two volumes 9789004141667

History, Ideology and Bible Interpretation in the Dead Sea Scrolls Devorah Dimant, 2014-02-12 In this volume Devorah Dimant assembles twenty seven thoroughly updated and partly rewritten articles discussing various aspects of the Dead Sea Scrolls that she published over the past three decades An introductory essay written especially for this volume surveys the present state of research on the Scrolls Dealing with major themes developed in the Dead Sea Scrolls the author reflects the rapid expansion and change of perspective that has taken place in research on the collection in recent years following its full publication Among the topics treated are the nature and contents of the Scrolls collection as a whole the specific literature of the community that owned this collection the Aramaic texts and the apocryphal and pseudepigraphic works found therein The volume also includes discussions of particular themes such as the history of the community related to the Scrolls its self image and particular interpretation of biblical prophecies and its notion of time

THE TEACHER OF RIGHTEOUSNESS AND THE WICKED PRIEST Edward D. Andrews, 2024-10-25 THE TEACHER OF RIGHTEOUSNESS AND THE WICKED PRIEST Their Roles Rivalry Conflict and Divine Judgment in the Dead Sea Scrolls uncovers the lives beliefs and intense ideological conflicts of two significant figures from the Second Temple period the Teacher of Righteousness and the Wicked Priest In this richly researched volume Edward D Andrews explores the complex history of the Qumran community a secluded Jewish sect as seen through the Dead Sea Scrolls These texts illuminate a society fervently devoted to righteousness prophetic interpretation and adherence to the Law set against the backdrop of a religious landscape often marked by corruption and compromise Through an extensive examination of texts like the Damascus Document the Community Rule and the Habakkuk Commentary Andrews delves into the Teacher of Righteousness s pivotal role as a spiritual guide interpreter of Jehovah s Law and beacon for the Qumran faithful In contrast the Wicked Priest emerges as a powerful adversary symbolizing moral decay and the erosion of covenantal values within the established religious order This study vividly illustrates their struggle offering readers insights into the spiritual theological and eschatological dimensions that framed the Qumran community s worldview THE TEACHER OF RIGHTEOUSNESS AND THE WICKED PRIEST is an essential resource

for those interested in the Dead Sea Scrolls early Jewish thought and the profound impact of these enigmatic figures on both ancient and modern religious perspectives This book invites readers to reflect on timeless themes of faith loyalty and the quest for righteousness in a world filled with spiritual challenges Theory and Practice in Essene Law Aryeh Amihay, 2017 This book offers a novel approach for the study of law in the Judean Desert Scrolls using the prism of legal theory Following a couple of decades of scholarly consensus withdrawing from the Essene hypothesis it proposes to revive the term and suggests employing it for the sectarian movement as a whole while considering the group that lived in Qumran as the Yahad It further proposes a new suggestion for the emergence of the Yahad based on the roles of the Examiner and the Instructor in the two major legal codes the Damascus Document and the Community Rule The understanding of Essene law is divided into concepts and practices in order to emphasize the discrepancy between creed rhetoric and practices The abstract exploration of notions such as time space obligation intention and retribution is then compared against the realities of social practices including admission initiation covenant leadership reproof and punishment The legal analysis yields several new suggestions for the study of the scrolls first Amihay proposes to rename the two strands of thought of Jewish law formerly referred to as nominalism and realism with the terms legal essentialism and legal formalism The two laws of admission in the Community Rule are distinguished as two different laws one of an association for a group as a whole the other as an admission of an individual The law of reproof is proven to be an independent legal procedure rather than a preliminary stage of prosecution The methodological division in this study of thought and practice provides a nuanced approach for the study of law in general and religious law in particular **Emerging Sectarianism in the Dead Sea Scrolls**, 2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism **Scripture as Social Discourse** Todd Klutz, Casey Strine, Jessica M. Keady, 2018-06-14 Throughout the last several decades professional biblical scholars have adapted concepts and theories from the social sciences particularly social and cultural anthropology in order to cast new light on ancient biblical writings early Jewish and Christian texts that circulated with the Scriptures and the various contexts in which these literatures were produced and first received The present volume of essays draws much of its inspiration from that same development in the history of biblical research while also offering insights from other newer approaches to interpretation The contributors to this volume explore a wide range of broadly social scientific disciplines and discourses cultural anthropology sociology archaeology political science the New Historicism forced migration studies gender studies and provide multiple examples of the ways in which these diverse

methods and theories can shed new and often fascinating light on the ancient texts The fruit of scholarly work that is both international in flavour and truly collaborative this volume provides fresh perspectives not only on familiar portions of Jewish and Christian Scripture but also on select passages from the Dead Sea Scrolls the Nag Hammadi library and previously untranslated French texts Text as Revelation Hanna Tervanotko,Jonathan Stökl,2023-12-28 Text as Revelation analyses the shift of revelatory experiences from oral to written that is described in ancient Jewish literature including rabbinic texts The individual essays seek to understand how why and for whom texts became the locus of revelation While the majority of the contributors analyze ancient Jewish literature for depictions of oral and written revelation such as the Hebrew Bible and the literature of the Second Temple era a number of articles also investigate textualization of revelation in cognate cultures analyzing Egyptian Mesopotamian and Greek sources With subjects ranging from Ancient Egyptian and Sibylline oracles to Hellenistic writings and the books of Isaiah Deuteronomy and Jeremiah the studies in this volume bring together established and new voices reflecting on the issues raised by the interplay between writing and divinatory revelation Historical Perspectives Orion Center for the Study of the Dead Sea Scrolls and Associated Literature. International Symposium,2001 These symposium papers focus on various aspects of Jewish history in light of the Dead Sea Scrolls including specific topics of Jewish history and the concepts of community and covenant A section on natural sciences and the Scrolls completes the volume *Scriptures and Sectarianism* Collins,2016 Essays representing ten years of John J Collins s expert reflection on Scripture and the Qumran community are here collected in a volume that is sure to be of interest to students and scholars of Early Judaism and the Dead Sea Scrolls Collins opens with the introductory chapter What Have We Learned from the Dead Sea Scrolls before offering essays on the authority and interpretation of Scripture historiography and the emergence of the Qumran sect and specific aspects of the sectarian worldview covenant and dualism the angelic world the afterlife prayer and ritual and wisdom A concluding epilogue considers the account of the Suffering Servant and illustrates the relevance of the Dead Sea Scrolls for early Christianity **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography,1978 *From Sacred Story to Sacred Text* James A. Sanders,2000-06-14 **The Bible and the Dead Sea Scrolls: The scrolls and Christian origins** James H. Charlesworth,2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity **John of History, Baptist of Faith** James F. McGrath,2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus s unkempt forerunner But meticulous historical study reveals his wide reaching and enduring

influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John s pupil Jesus as a window into his mentor s beliefs Along the way he brings new clarity to questions of contention among scholars such as John s use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath s pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism A Teacher for All Generations Eric Farrel Mason,2011-10-28 This collection of essays honors James C VanderKam on the occasion of his sixty fifth birthday and twentieth year on the faculty of the University of Notre Dame An international group of scholars including peers specializing in Second Temple Judaism and Biblical Studies colleagues past and present and former students offers essays that interact in various ways with ideas and themes important in VanderKam s own work The collection is divided into five sections spanning two volumes The first volume includes essays on the Hebrew Bible and ancient Near East along with studies on Qumran and the Dead Sea Scrolls Essays in the second volume address topics in early Judaism Enoch traditions and Jubilees and the New Testament and early Christianity

If you ally craving such a referred **Qumran And History The Place Of The Teacher In Religion** book that will have the funds for you worth, get the enormously best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are as well as launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all book collections Qumran And History The Place Of The Teacher In Religion that we will enormously offer. It is not approximately the costs. Its approximately what you habit currently. This Qumran And History The Place Of The Teacher In Religion, as one of the most full of zip sellers here will utterly be among the best options to review.
