Shapiro, 2022-03-17

Compellingly and authoritatively written this biography illuminates the dilemmas that Europe's Jews have faced over the past century. The discussion of the inner struggles of one of twentieth century Judaism's most enigmatic religious leaders, a figure who became a central ideologue of modern Orthodoxy despite his traditional training in a Lithuanian yeshiva, elucidates many institutional and intellectual phenomena of the Jewish world and especially in pre-war Europe that have so far received little attention.

**The Jews of Provence and Languedoc** Ram Ben-Shalom, 2024-05-08 This exhaustive history of Provençal Jewry examines the key aspects of Jewish life in Provence over some 1,500 years of cultural florescence with far-reaching consequences. A seminal examination of the crucial role of the Jews of Provence in shaping medieval Jewish culture in the Mediterranean basin.

**The Contest and Control of Jerusalem's Holy Sites** Marshall J. Breger, Leonard M. Hammer, 2023-08-17 The Holy Places of Jerusalem's Old City are among the most contested sites in the world and the ground zero of the Israeli-Palestinian conflict. Tensions regarding control are rooted in misperceptions over the status of the sites, the role of external bodies such as religious organizations and civil society, and misunderstanding regarding the political roles of the many actors associated with the sites. In this volume, Marshall J. Breger and Leonard M. Hammer clarify a complex and fraught situation by providing insight into the laws and rules pertaining to Jerusalem's holy sites. Providing a compendium of important legal sources and broad-form policy analysis, they show how laws pertaining to Holy Places have been implemented and engaged. The book weaves aspects of history, politics, and religion that have played a role in creation and identification of the law. It also offers solutions for solving some of the central challenges related to the creation, control, and use of Holy Places in Jerusalem.

**My Dear Daughter** Edward Fram, 2007-12-31 How did Jewish women in sixteenth-century Poland learn all the rules, rituals, and customs pertaining to the sexual life of couples within the context of marriage? As in other areas of ritual life that concerned the household, it would seem that the primary source for the education of Jewish women was other women. But rabbinic law dictates that Jewish women who experience uterine bleeding are prohibited from having physical contact of any kind with their husbands, and the intricate laws of *niddah* enforced separation. Spell out exactly when and under what circumstances physical marital relations, even simple touching, can be resumed. Particularly difficult issues could be addressed only by rabbis or other learned men, since women rarely, if ever, attained the level of rabbinic scholarship necessary to parse the details of these complicated laws. To educate both men and women, but particularly women, in a more systematic and impersonal manner, the young rabbi Benjamin Slonik, ca. 1550–1620, who later became one of the leading rabbinic authorities in eastern Europe, harnessed the relatively new technology of printing and published a how-to book for women in the Yiddish vernacular, *Seder mitzvot hanashim*, *The Order of Women's Commandments*. It illuminates the history of Yiddish printing and public education. But it is also a rare remnant of a direct interface between a member of the rabbinic elite and the laity, especially women. Slonik's text also sheds light on the history of Jewish law, particularly the reception of the *Shulhan Arukh*, an important legal code that had just been published. This volume makes available the 1585 edition of the

Seder mitzvot hanashim in Yiddish and English Fram sets Slonik's work in its bibliographical and historical contexts demonstrating its relationship with the Shulhan Arukh exploring how rabbis opposed formal education for women considering how upheavals accompanying geographic shifts in the Ashkenazic community help explain how the women's commandments texts came to be used in Poland and offering a treasure trove of information on the place and roles of women in Polish Jewish society Fram thus creates a composite picture of how Slonik along with other men of his time perceived the main audience for his work and sought to connect it to contemporary texts **Collected Essays** Haym

Soloveitchik, 2020-11-04 Continuing his major contribution to medieval Jewish intellectual history Haym Soloveitchik focuses here on the radical German Pietists and their main literary work Sefer asidim and on the writings and personality of the Provençal commentator Ravad of Posquieres In both areas he challenges reigning views and sets a new agenda for research

The Cambridge History of Judaism: Volume 6, The Middle Ages: The Christian World Robert Chazan, 2018-10-11 Volume 6 examines the history of Judaism during the second half of the Middle Ages Through the first half of the Middle Ages the Jewish communities of western Christendom lagged well behind those of eastern Christendom and the even more impressive Jewries of the Islamic world As Western Christendom began its remarkable surge forward in the eleventh century this progress had an impact on the Jewish minority as well The older Jewries of southern Europe grew and became more productive in every sense Even more strikingly a new set of Jewries were created across northern Europe when this undeveloped area was strengthened demographically economically militarily and culturally From the smallest and weakest of the world's Jewish centers in the year 1000 the Jewish communities of western Christendom emerged despite considerable obstacles as the world's dominant Jewish center by the end of the Middle Ages This demographic economic cultural and spiritual dominance was maintained down into modernity **Sod ha-Shabbat** Elliot K. Ginsburg, 2012-02-01 The Sabbath

has been one of the most significant and beloved institutions of Jewish life since late antiquity Over a period of several centuries the classical Kabbalists developed a rich body of ritual and myth that articulated a fresh vision of the Sabbath The mystical understanding of the Sabbath was assimilated by virtually every Jewish community This volume is a translation and critical commentary to Sod ha Shabbat a treatise on the mystical Sabbath by the influential Spanish Turkish Kabbalist R Meir ibn Gabbai This important text the most systematic treatment of the Sabbath in classical Kabbalah has been inaccessible to the English reader until now The study includes an Introduction to ibn Gabbai's life and work accompanied by extensive critical notes that clarify general problems of translation and place the work in its historical context Broader theoretical issues regarding myth and the ritual process are also discussed **Maimonides** Israel Drazin, 2008 An examination of the remarkable penetrating mind of Moses Maimonides and to his rational eye opening thoughts on many subjects It includes ideas that are not incorporated in the usual books about this great philosopher because they are so different than the traditional thinking of the vast majority of people It contrasts the notions of other Jewish thinkers somewhat rational and

others not rational at all The reader will be surprised if not shocked to learn that a host of beliefs that are prevalent among the Jewish masses have no rational basis This does not suggest that Judaism itself is irrational and absurd Just the opposite But many Jews have opted to believe the unreasonable and illogical conventional ideas what Maimonides would label non Jewish sabian notions because they have not been acquainted with Maimonides correct rational alternatives and taken the time to reflect upon it     The Oxford Handbook of Jewish Studies Martin Goodman,Jeremy Cohen,David Sorkin,2002 This volume on Jewish studies presents surveys of today s interests and directions in the humanities and social sciences It covers the main areas taught and researched as part of Jewish studies in universities throughout the world especially in Europe the US and Israel     *Judaism* Eliezer Segal,2009
