**Resources in Education** ,1997-04   **Racial Inequality in Education** Barry Troyna,2012-04-27 The education system should be in the forefront of the battle to combat racial inequality The contributors to this book however argue that far from reducing racial inequality the education system in the UK systematically generates maintains and reproduces it Through careful consideration of the complex and pervasive nature of racism and the practices it gives rise to the contributors draw attention to the failure of the contemporaneous multicultural education theories and policies The contributors concerns are with the role of the state in sustaining and legitimating racial inequalities in education black students experiences of racism in schools and post school training schemes and proposals for the realization of genuine and effective antiracist education principles

**Equality and Inequality in Education Policy** Liz Dawtrey,1995 Discusses the history and gendered nature of education policy and the impact of policies on practice in education The articles represent a range of views and approaches to education demonstrating the complexity of educational experience and the influence of class race culture and gender

**The Palgrave Handbook of Race and Ethnic Inequalities in Education** P. Stevens,A. Dworkin,2014-01-22 This comprehensive state of the art reference work provides the first systematic review to date of how sociologists have studied the relationship between race ethnicity and educational inequality over the last thirty years in eighteen different national contexts   **Gender and Racial Inequality at Work** Donald Tomaskovic-Devey,2018-05-31 No detailed description available for Gender and Racial Inequality at Work   **Race and Local Politics** Wendy Ball,John

Solomos,1990-10-12 Aims to provide a detailed overview of policy conflict and change in the area of race relations and local politics during the 1980s and reviews some of the prospects for the 1990s It assesses the objectives development and impact of race related policies developed by local authorities    *Progress and Inequality in Comprehensive Education* Anthony G.

Green,Stephen J. Ball,2017-04-28 This book first published in 1988 examines the development of secondary comprehensive education from the 1960s to the 1980s Tensions and transformations in the meaning and practice of comprehensive and progressive education within the state education sector are examined and described The main themes throughout the collection are the deepening crisis of comprehensive education and the profound restructuring which is taking place in secondary education as a result of current government policy This title will be of interest to students of education and sociology    *Radicalism, Anti-Racism and Representation* Alastair Bonnett,2023-02-14 First published in 1993 Radicalism

Anti Racism and Representation is a study set within a wider political context for the discussion of racial representation and anti racism The second half of the book is devoted to interview based exploration of the ambiguities and political characteristics of race equality consciousness amongst public educators It is shown that there is no one anti racism Different ideals and assumptions have been arrived at within different historical and geographical contexts It is suggested that this intellectual plurality provides a resource for those wishing to rethink anti racism in the light of its contemporary malaise The study also explores and explains the development of self critical reflexive anti racist and radical consciousness amongst educators The book provides the first sociological study of anti racism Indeed it is the first to provide a substantive critique of anti racism from outside the New Right It is also the first to look at this phenomenon geographically and to compare anti racism in multiracial and white areas This book will be of interest to students of human geography sociology history ethnic studies and race studies    *Culture and Society* Rosamund Billington,Sheelagh Strawbridge,Lenore Greensides,Annette Fitzsimons,1991-08-30 This text explores the difficulties of defining a sociology of culture emphasising the complex

interdisciplinary nature of cultural studies and the variety of theoretical contributions from sociology literature history and anthropology Intended for a wide range of undergraduates the text covers areas not usually included in cultural studies together with those more familiar to the field It deals with the development and breakdown of key conceptual distinctions like structure culture culture knowledge objective reality subjective experience and the implications for the study of culture

*Race, Masculinity And Schooling* Archer, Louise,2003-12-01 This work explores the complex interplay between race ethnicity religion masculinity and social class within Muslim boys lives Attention is also given to the role of the teacher researcher in relation to the boys constructions of Muslim masculinities    *The Study Of Primary Education* Colin Conner,Brenda Lofthouse,2003-10-04 The four books are intended to be used by students taking BEd or PGCE courses and by teachers in service taking diploma or higher degree courses in primary education The material extracted can be used by tutors as a focus for seminars or as reading to back up lectures and by students as a source for essays or as a starting point

for further reading The books are not intended to be read straight through from cover to cover but can be selectively and flexibly used at various stages in the course For convenience the extracts have been organized into a number of sections Volume 1 comprises extracts which examine primary education from historical ideological philosophical sociological and psychological perspectives Volume 2 deals with curriculum studies Volume 3 with school organization and management and Volume 4 with teaching and classroom studies Because of limitations of space primary education has been confined to the education of children aged 5 to 11 though the compilers acknowledge that in doing so they may offend those teachers in nursery or middle schools who regard themselves justifiably as primary practitioners **Education in Divided Societies** T. Gallagher,2004-10-18 All societies contain ethnic divisions Traditionally education has acted to promote social integration but with the acknowledgement of diversity do we know which system best promotes positive inter community relations Education in Divided Societies examines the experience of a range of systems including those which provide common schools and those which place minorities in separate schools The book argues that structures do not guarantee outcomes and that processes of dialogue and interconnected social systems provide the route to the future **Equity and Efficiency?** Lynn Davies,1990 Inherent in the educational policies of most countries are concerns to make education both more efficient and more equitable In theory these goals are not incompatible However this book examines the reasons why in practice the harmonization of equity and efficiency has not proved feasible **Class, Race and Gender in Schools** Scottish Council for Research in Education,1992 The Educational Institute of Scotland a trade union representing approximately 80% of Scottish teachers is committed to an anti racist anti sexist education system which in pursuing excellence for each learner will also advance social equality The conference reported in this document was designed to further this commitment Papers presented in this collection include 1 Research and Practice in Pursuit of Social Justice in Education by Sheila Riddell and Sally Brown 2 Social Class in Scottish Education by Lindsay Paterson 3 Social Class and Educational Disadvantage Are the Schools to Blame by David Hughes 4 Racism and Education Issues for Research and Practice by David Gillborn 5 Turning a Multi Cultural and Anti Racist Education Policy into Practice by Helene Witcher 6 Gender and Education Progressive and Conservative Forces in the Balance by Sheila Riddell 7 Gender Issues Policy into Practice by Sheena Erskine 8 The Inter Connections of Gender Class and Ethnicity within Educational Contexts by Rowena Arshad 9 Bringing about Change in the Culture of a School by Margaret Macintosh and 10 Equality in Education Old Dilemmas and New Possibilities by Sally Brown and Sheila Riddell The book also contains a preface and a list of nine suggested further readings LBG **Equity Or Excellence? Educ & C** James Lynch,Celia Modgil,Sohan Modgil,2014-07-10 First published in 1992 The books aim to engage with a broad audience aiming at new laicized paradigms of understanding capable of being shared with a wider international public This series of books is committed to the premise that racism and all other forms of negative prejudice are detrimental to a harmonious and healthy pluralist world society and that it is the duty of all good democratic citizens to

combat them but that there are many valid routes by which such prejudice can be challenged and that there are other kinds of prejudice and abuse which must also be combatted This is the third volume in a series of four books dedicated to a re examination of cultural diversity and its implications for education and schooling
