Racism And Anti Racism In Europe:

Racism and Anti-Racism in Europe Alana Lentin, 2004-06-20 Remarkable a major contribution to our understanding and handling of one of the crucial contemporary issues that acquires more gravity by the day Zygmunt Bauman This is an in depth sociological study of the phenomenon of anti racism as both political discourse and social movement practice in western Europe Lentin develops a comparative study of anti racism in Britain France Italy and Ireland While race and racism have been submitted to many profound analyses anti racism has often been dealt with as either the mere opposite of racism or as a theme for prescriptives or polemics by those concerned with the persistence of racist discrimination By contrast this book views anti racism as a variety of discourses that are central to the understanding of the politics of modern states Examining anti racism gives us insights not only into current debates on citizenship immigration and Europeanisation but it also crucially assists us in understanding the nature of race racism and racialisation themselves At a time of mounting state racism against asylum seekers migrants and refugees throughout Europe and beyond this book provides a much needed exploration of the discourse of anti racism that shapes policy and public opinion today Racism in Europe Keith Popple, Jan Laurens Hazekamp, Jan Hazekamp, 1997 A comparative perspective on racism in Europe as experienced and exhibited by young people It offers a clear analysis of the causes of racism and nationalism and examines public policies designed to have a positive effect Anti-Racist Movements in the EU Stefano Fella, Carlo Ruzza, 2012-11-14 Based on extensive primary research including interviews with movement and policy actors across six European countries this book examines anti racist movements throughout Europe focusing on how they influence culture and government policy at national and EU level shedding light on the nature of racism and responses to it across Europe Anti-racism in European Football Christos Kassimeris, 2009-01-01 Anti Racism in European Football Fair Play for All challenges the issue of racism in European football identifies the causes of the problem and seeks its remedy **Anti-Racist Movements in the EU** Stefano Fella, Carlo Ruzza, 2012-11-14 Based on extensive primary research including interviews with movement and policy actors across six European countries this book examines anti racist movements throughout Europe focusing on how they influence culture and government policy at national and EU level shedding light on the nature of racism and responses to it across Europe

Racism and Anti-Racism in World Perspective Benjamin Bowser, 1995-09-18 Bowser is a unique and valuable resource for students and scholars of race relations The book s contributors come from a wide range of backgrounds including anthropology classics sociology political science communications and history They examine racism and anti racism through the historical and cultural lenses of different world settings including Europe South America Africa America and the Caribbean Europe's New Racism Evens Foundation, 2002-06 Europe has seen a tremendous rise in popularity of new rightist political parties in the last two decades or so claiming cultural supremacy of the so called native Europeans over foreign immigrants In this volume European scholars from Russian to Britain have come together to examine the media and

social and legal policies in an effort to determine the causes of this resurgence of rightist and anti democratic ideologies They furthermore suggest actions that might help combat racism more effectively *Europe's new racism? : causes, manifestations and solutions* ,2002 **The European Commission against Racism and Intolerance** Lanna Yael

Hollo,2009-11-01 This book provides a detailed assessment of the first 15 years of the European Commission against Racism and Intolerance ECRI s terms of reference deriving from the Vienna Plan of Action were to review member States legislation policies and other measures to combat racism xenophobia antisemitism and intolerance and their effectiveness and propose further action at local national and European level This book examines how ECRI has developed and fulfilled this mandate It begins by looking at ECRI s foundational years which were pivotal to its future character approach working methods and activities It then describes and closely examines the evolution of the three main prongs of ECRI s work programme country by country work general themes and relations with civil society Through this assessment the author reveals the detailed far reaching and progressive body of jurisprudence that ECRI has produced constituting a useful road map for actors seeking to address problems of racism and discrimination The work also examines ECRI s contribution to legal standards to protect individuals against racism and discrimination and its impact on the case law of the European Court of Human Rights It concludes with a discussion of ECRI s opinion on three important contemporary issues in European anti racism work positive measures racist expression and the current racist climate Racism in Australia Today Amanuel Elias,Fethi Mansouri,Yin

Paradies,2021-06-23 This book focuses on historical and current data to examine racism in Australia Making use of the latest state and federal data sets it critically synthesises contemporary research on race relations with a focus on racism and anti racism initiatives Employing innovative analytical methods the book provides students and researchers with a current and up to date analytical framework and benchmark empirical evidence on race relations In addition the book also analyses research data from other countries in order to generate some comparative insights and draw possible lessons and policy implications for Australia **The Immigration Crisis in Europe and the U.S.-Mexico Border in the New Era of Heightened Nativism** Victoria Carty,2020-11-24 In The Immigration Crisis in Europe and the U S Mexico Border in the New Era of Heightened Nativism Victoria Carty compares the immigration crises in the European Union and the United States Beginning in 2014 the Arab Spring upheavals and failed states in Northern Africa and the Middle East overwhelmed many European countries which the European Union system was not prepared for In the Americas failed states in Central America such as Honduras Guatemala and El Salvador also led to an unexpected influx of immigrants to the United States many of them unaccompanied minors fleeing gangs violence and poverty In The Immigration Crisis in Europe and the U S Mexico Border Carty studies theories of immigration social movements and critical race theory to provide a better understanding of the current immigration crises in Europe and the United States Carty shows that the high volume of immigration in both the EU and the United States has led to a resurgence of nativist sentiments and white supremacy groups **Fan Culture in**

European Football and the Influence of Left Wing Ideology , Re-configuring Anti-racism Yin Paradies,2018-04-19

In our interconnected world of increasing racial ethnic and religious diversity racism is an enduring phenomenon with a range of pernicious consequences for individuals communities and societies Despite considerable scholarly attention to race and racism there has been relatively little focus on anti racism defined as the theory and practice of addressing racism counteracting its detrimental effects or envisaging its possible alternatives This edited collection explores the re configuration of anti racism in order to better combat racism in modern neo liberal societies Should anti racism focus on tolerance harmony inclusion equality participation recognition acknowledgement indifference and or justice What is the role of everyday race labour the potentials and pitfalls of post raciality and the potential of alter racism via humour viscosity embodiment and affective atmospheres The eight chapters forming this collection bring together scholars from cultural studies geography philosophy political science race relations and sociology to debate key epistemologies practices and contradictions pertaining to anti racism as a global endeavour This book was originally published as a special issue of Ethnic and Racial Studies **The Securitization of the Roma in Europe** Huub van Baar,Ana Ivasiuc,Regina Kreide,2018-05-23

This book discusses how Europe s Roma minorities have often been perceived as a threat to majority cultures and societies Frequently the Roma have become the target of nationalism extremism and racism At the same time they have been approached in terms of human rights and become the focus of programs dedicated to inclusion anti discrimination and combatting poverty This book reflects on this situation from the viewpoint of how the Roma are often securitized understood and perceived as security problems The authors discuss practices of securitization and the ways in which they have been challenged and they offer an original contribution to debates about security and human rights interventions at a time in which multiple crises both in and of Europe are going hand in hand with intensified xenophobia and security rhetoric

Governance, Citizenship and the New European Football Championships Wolfram Manzenreiter,Georg Spitaler,2013-09-13 Over the past decade European football has seen tremendous changes impacting upon its international framework as well as local traditions and national institutions Processes of Europeanization in the fields of economy and politics provided the background for transformations of the production and consumption of football on a transnational scale In the course of such rearrangements football tournaments like the UEFA Championship or the European Champions League turned into mega events and media spectacles attracting ever growing audiences The experience of participating in these events offers some of the very few occasions for the display and embodiment of identities within a European context This volume takes the 2008 EUROS hosted by Austria and Switzerland as a case study to analyze the political and cultural significance of the tournament from a multidisciplinary angle What are the special features and spatial arrangements of a UEFAesque Europe in comparison to alternative possibilities of a Europe Situating the sport tournament between interpretations of collective European ritual and European spectacle the key research question will ask what kind of Europe

was represented in the cultural political and economic manifestations of the 2008 EUROS This book was published as a special issue of Soccer and Society **Fascist Europe** Glyn Ford,1992 Neo Nazi and ultra right groups are mushrooming throughout Europe at an alarming rate Electoral support for fascist organizations is reflected in the 17 strong Group of the European Right led by Jean Mari Le Pen within the European Parliament Destabilization and economic crisis in Eastern Europe and spiralling unemployment in the West have led millions to look to nationalistic and authoritarian groups from the Pamyat movement in the Soviet Union to the Republikaner Partei in Germany The attendant racism and violence is escalating The EU Race Directive Erica Howard,2009-10-16 In 2000 the European Union adopted a Directive against discrimination on the grounds of racial or ethnic origin This book provides an in depth evaluation of the Race Directive and its effects questioning how successful the Race directive has been The EU Race Directive discusses the history of the fight against racial discrimination in the EU and the equality clauses in international Human Rights instruments It then examines the terms race racism and racial discrimination and equality in the Directive The book also looks at the concepts of equality which can be distinguished in the Race Directive and in the subsequent developments at EU level Examining whether the Directive has improved the protection against racial or ethnic origin discrimination for people within the EU the book concludes with an assessment of how far the EU has come on the road to racial equality with the adoption of the Race Directive and the subsequent developments It also contains proposals for possible improvements The comprehensive and up to date analysis in this book goes beyond most other books written on the subject and the specific focus on racism and racial discrimination means a more thorough examination than most texts focusing on discrimination on a larger number of grounds This book will be of great value to students and academics in European law social sciences and human rights researching racism racial discrimination ethnicity and race relations It will also be useful for policy makers The European Institutions in the Fight Against Racism ,1997 1997 23 July 1996 Routledge Handbook of Sport, Race and Ethnicity John Nauright,David K Wiggins,2016-09-13 Few issues have engaged sports scholars more than those of race and ethnicity Today globalization and migration mean all major sports leagues include players from around the globe bringing into play a complex mix of racial ethnic cultural political and geographical factors These complexities have been examined from many angles by historians sociologists anthropologists and scientists This is the first book to offer a comprehensive survey of the full sweep of approaches to the study of sport race and ethnicity The Routledge Handbook of Sport Race and Ethnicity makes a substantial contribution to scholarship presenting a collection of international case studies that map the most important developments in the field Multi disciplinary in its approach it engages with a wide range of disciplines including history politics sociology philosophy science and gender studies It draws upon the latest cutting edge research to address key issues such as racism integration globalisation development and management Written by a world class team of sports scholars this book is essential reading for all students researchers and policy makers with an interest in sports studies Chapter 18 of this
