Blood Mysteries Dr. Victor T. Nyarko, 2024-03-10 Every religion on earth godly or ungodly Christianity occultism and satanic religions all respects blood and have something in one way or the other to do with blood The Bible is a bloody book because blood is central to both the Old and New Testaments After man sinned in the garden the story of man s redemption has been a journey that began with the shedding of blood in Eden and ended with blood at Calvary We have been taught about blood and how that blood is powerful There are more religious songs about power in blood than any other subject but what the church have not looked much into is the revelation of what makes blood powerful Is it the usual red color of blood Pre suppose the blood of Jesus wasn t shed at all will there still be any power at all in bloods in general that were shed before the crucifixion of Christ This book takes the reader on an intriguing journey about mysteries in blood from a biblical perspective

Blood Power Dag Heward-Mills, 2014-07-26 The Bible speaks of many types of blood the blood of goats the blood of sheep the blood of pigeons The Bible also speaks very categorically that without the shedding of blood there is no remission of sins So can any one of these different types of blood take away our sins The answer is an emphatic No So what can wash away our sins Nothing but the blood of Jesus Only the blood of Jesus

Blood Cries Out A. J. Swoboda, 2014-11-11 John McConnell Jr was the famed founder and visionary of Earth Day McConnell s vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell s religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell s parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious

convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth s life and people In the spirit of McConnell today s Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice Blood Theology Eugene F. Rogers (Jr.),Eugene F. Rogers, Jr,2021-03-25 A recovery and rediscovery of the surprising strangeness of blood in theological especially Christian and civic discourse **The Blood Covenant** Henry Clay Trumbull,1893 **The Blood of Faithful Martyrs Precious in the Sight of Christ. A Discourse Delivered in the High Church of Paisley, on the Evening of Friday, the 24th October, 1834** Andrew Symington (D. D.),1834 **Righteousness** Jeffrey J. Niehaus,2023-12-06 The third volume of this three volume work exegetes and comments on every occurrence of the Greek terms for righteousness righteous righteously and righteous judgment in the New Testament It begins with a general discussion of the righteous word group in the New Testament and concludes with a discussion of the righteousness of God and the righteousness of faith The same proposal that was explored in Volumes 1 and 2 that righteousness means conformity to God s Being and doing is now explored in the NT Whatever flavor or nuance righteousness terminology may have in different NT contexts study shows that the underlying sense of righteousness as conformity to God s Being and doing both for God and for people has the explanatory power required to commend the definition Such a result has further implications for justification studies A Ransom for Israel Nicholas J. Schaser,2025-05-09 In this study of the Gospel of Matthew Nicholas J Schaser proposes that Matthew intended to narrate the corporate salvation of ethnic Israel rather than its replacement by an ethnically diverse Christian church Instead of presenting Jesus as a new Israel to replace the old Matthew highlights Jesus s salvific value in exchange for the nation of Israel when he dies as a ransom for their sins This book presents one of the most comprehensive challenges to the prevalent interpretation that Matthew locates Israel in an ongoing exile from which Jesus offers redemption only if they follow him Rather the gospel when read alongside Israel s Scriptures presents Israel at risk of an eschatological exile from God s kingdom and Jesus removes his people s exile inducing sins by being cast out in their place Schaser s compelling reading has the potential to open new dialogue between Jews and Christians **The Ante-Nicene Fathers** Alexander Roberts,2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the

Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch before he was killed Barnabas an anonymous writer given the name of Saint Barnabas Papias author of Interpretations of the Sayings of the Lord a textbook on quotes from Jesus Justin Martyr a Christian apologist and accomplished philosopher and Irenaeus disciple of Polycarp apologist and bishop of Lugdunum

Christ's Second Coming Fulfilled ... Marion Morris,1917 **The Gospel of Matthew** Dr. Brian J. Bailey,2018-06-08

More than any gospel the Gospel of Matthew contains the largest collection of the teachings of our Lord Jesus Drawing from numerous references from the Old Testament it is also the gospel that seeks to establish that the Lord Jesus is the King of the Jews the long awaited Messiah of the Jewish nation Dr Brian Bailey expounds on the Gospel of Matthew verse by verse unlocking the more complex truths by breaking them into simpler ones and skillfully weaving in life experiences that make this book alive applicable and well worth reading

Revelation 12-22 (ITC) Peter J. Leithart,2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensure that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition

The family expositor: or, A paraphrase and version of the New Testament, [ed. by J. Orton]. Philip Doddridge,1745 **When Angels Cry** Robert Wright,2006 This book culminates years of study and research by its writer

Robert Wright While still a child Robert intrigued by discussions held by his parents and family friends as they celebrated the Sabbath hours on Friday evenings and Saturdays developed a love for Bible prophecy and history Educated in both public and private Christian schools Robert has a Masters degree in Educational Psychology Of his many interests Bible prophecy is his passion In this book the writer examines Seventh day Adventists beliefs concerning Babylon the Great He addresses the issues head on challenging traditional views providing alternative perspectives yet leaving in tact the essential truths espoused by the church regarding the Papacy The symbols of Revelation 12 17 and 18 are re examined as the writer presents

evidence that suggests Babylon the Great does not symbolize the Papacy as traditionally taught This book offers a bible based defense of what Babylon symbolizes Most importantly this book encourages the reader to rely on the Bible as its own expositor the only source upon which to establish faith as it introduces compelling insights regarding the message of the angel of Revelation 18 The message of this angel the fourth angel s message accompanied by the outpouring of the Latter Rain represents God s final warning to the inhabitants of a planet destined for destruction Yet at the same time the message offers hope a means of escape for all people that heed the Divine invitation to come out of Babylon To follow up with questions about the contents of this book or its writer e mail questions or comments to mail powervisionministries org

The Historical Jesus and the Temple Michael Patrick Barber,2023-04-13 Investigates Jesus s teaching about the temple through a fresh methodology drawing also from new developments in Matthew research **An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H. Spurgeon** Matthew Henry,1886 **Jesus and the Nations** Cedric E. W. Vine,2022-08-11 Jesus s command to disciple all the nations in Matt 28 19 has provided a powerful catalyst for cross cultural mission for the past two thousand years But what does this command mean in the context of Matthew s narrative Cedric E W Vine proposes an understanding of Matthean discipleship and mission that builds on Richard Bauckham s open audience thesis in The Gospels for All Christians 1998 and his own The Audience of Matthew 2014 Vine argues from a biblical theology perspective that Matthew s pervasive and consistent application of the nation directed identities of prophet righteous person student teacher wise man and scribe to the followers of Jesus reveals a concern less with defining community boundaries or promoting church growth and more with casting a powerful vision of nations transformed through the acceptance of the sovereignty of the risen king Matthew s missiological horizon stretches well beyond defending as suggested by some commentators an inferred first century Matthean community in an acrimonious intramural dispute with other Jewish groups Rather Matthew prepares his readers first century and later through a multifaceted and nuanced theology of discipleship for participation in a missiological movement that is national in its focus breathtaking in its scope eschatological in its significance and open in its appeal **The Family Expositor; Or, a Paraphrase and Version of the New Testament ... By Philip Doddridge. [With a Portrait.]** ,1810 **Gospel truth demonstrated, in a collection of doctrinal books, given forth by that faithful minister of Jesus Christ, George Fox: containing principles essential to Christianity and salvation, held among the people called Quakers** George Fox,1831
