Rise Of Benedict XVI The Inside Story Of

Thom Gordon

Rise Of Benedict XVI The Inside Story Of:

The Rise of Benedict XVI John L. Allen, Jr., 2006-10-17 Commendable and balanced With crisp writing and an amazing attention to detail Allen brings readers inside the papal jockeying covering the days of mourning and the conclave The Los Angeles Times A welcome contribution to understanding the new pontificate The Rise of Benedict XVI is a useful chronicle that packs a lot into relatively few pages Richard John Neuhaus First Things For a current look at the new papacy Allen is the person to read He is fair free from the oracular pomposity of some American commentators and as always highly readable Commonweal The Rise of Benedict XVI covers the subject thoroughly and thoughtfully In smooth readable prose devoid of polemics he outlines competing expectations and explains the strengths and weaknesses of each San Antonio Express News A worthwhile contribution to understanding why Rome has its first German pope in 800 years The Washington Post On April 18 2005 the College of Cardinals of the Roman Catholic Church gathered to elect a successor to Pope John Paul II Faced with several potential candidates the cardinals made a bold choice entrusting the Keys of the Kingdom to 78 year old Cardinal Joseph Ratzinger of Germany a man whose views on the challenges facing the Church and the broader culture could not be more unambiguous or controversial Questions arose as the world watched while Ratzinger was installed as Pope Benedict XVI No one can tell the story of exactly what took place during the closed doors meeting known as the conclave when Cardinals from around the world cast their votes for the next pope better than John L Allen Jr As a correspondent for National Catholic Reporter and a Vatican analyst for CNN and National Public Radio Allen has spent years covering Vatican politics and personalities and his unique access to Roman halls of power has enabled him to write the ultimate behind the scenes account of the election of Pope Benedict XVI

The Rise of Benedict XVI John L. Allen, 2005-06-13 On 19 April 2005 at 5 50pm white smoke poured from the Vatican chimney Joseph Ratzinger had become one of the most important figures on earth How and why was Pope Benedict XVI elected And what will his impact be on the Catholic faith and the world Vatican correspondent John L Allen draws on his unparalleled knowledge to give the full inside story of the Church s new leadership In this in depth account he examines the transition from John Paul II to Benedict XVI the legacy of the previous Pope and the role of the current leader He takes us right into the heart of the selection process interviewing the cardinals who chose Benedict XVI to reveal their thoughts on the new Pope and the reasons why he was picked And he looks at why this conclave was one of the briefest of modern times Confronting many difficult questions Allen asks what the choice of a renowned hard line traditionalist will mean for 1 1 billion Catholics around the globe What do the way Ratzinger rose to power his history and theological views say about how the faith will now move forward Why did the Vatican choose such a seemingly safe candidate And what will the consequences be for Catholicism and the challenges it faces today

The Rise of Benedict XVI John L. Allen, Jr., 2007-12-18 From the author of Conclave and All the Pope s Men comes the story of Pope John Paul II s last days the behind the scenes dynamics within the College of Cardinals that led to the choice of Joseph Ratzinger

as Pope Benedict XVI On April 18 2005 the College of Cardinals of the Roman Catholic Church gathered to elect a successor to Pope John Paul II Faced with several potential candidates the cardinals made a bold choice entrusting the Keys of the Kingdom to 78 year old Cardinal Joseph Ratzinger of Germany a man whose views on the challenges facing the Church and the broader culture could not be more unambiguous or controversial Questions arose as the world watched while Ratzinger was installed as Pope Benedict XVI the 266th pontiff of the Catholic Church Why Ratzinger Why someone so clearly identified with the previous pope Why not a compromise choice Why a Cardinal from Western Europe and not from Africa or Latin America What would this mean for the future of the Catholic Church No one can tell the story of exactly what took place during the closed doors meeting known as the conclave when Cardinals from around the world cast their votes for the next pope better than John L Allen Jr As a correspondent for National Catholic Reporter and a Vatican analyst for CNN and National Public Radio Allen has spent years covering Vatican politics and personalities and his unique access to Roman halls of power has enabled him to write the ultimate behind the scenes account of the election of Pope Benedict XVI The Rise of Benedict XVI is based on extensive research and exclusive interviews with eight cardinals representing five nationalities guaranteeing readers an intimate glimpse into this monumental decision But Allen s insight also means that he is in a unique position to evaluate the accomplishments and legacy of the man now known as Pope Benedict XVI and to provide some analysis of the direction he would take the Catholic Church in the coming years Ratzinger s long career as a major Vatican insider force of influence and occasionally polarizing figure has ensured that his pontificate will be one of the most fascinating in the history of the Catholic Church Benedict XVI would certainly have a major impact on the lives of the faithful around the world and John Allen s riveting new book is the definitive work on this turning point in history

The Thought of Pope Benedict XVI Aidan Nichols, 2024-06-13 This important and illuminating book focuses on Ratzinger s status as one of the preeminent Catholic theologians of the 20th century Aidan Nichols provides a full scale investigation of his theology as it develops from the 1950s onward The book presents a chronological account of the development of Ratzinger s writing which reflects a wide range of historical and theoretical interests such as Augustine s ecclesiology early Franciscanism and the idea of salvation history Christian brotherhood the unfolding of the Second Vatican Council the Apostles Creed explorations of the concept of the Church preaching liturgy and Church music eschatology the foundations of dogmatic and moral theology and the problem of pluralism This third edition as well as providing a two chapter long biography of Joseph Ratzinger Benedict XVI and amplifying the account already given of his later pre papal writings describes the new thinking that belongs to the years of Benedict s pontificate That comprises his trilogy of books on Jesus of Nazareth his quartet of encyclicals and the set of major speeches he gave at global venues chiefly on the contribution of faith to culture and civil society An expanded Conclusion weighing the lasting significance of his work leads into a presentation of the themes of his posthumous essay collection the curtain call he entitled What is Christianity

Pope Benedict XVI Thomas P. Rausch, 2009

A study of the theological vision of Pope Benedict XVI with special attention to his view of Scripture as well as his Christology ecclesiology and liturgical theology **Pope Benedict XVI** Thomas Streissguth,2006-08-15 Biography of the German Cardinal who succeeded John Paul II to become Pope Benedict XVI **Pope Benedict XVI** Vincent Twomey,2009-09-03 Fr D Vincent Twomey a former doctoral student of Joseph Ratzinger and long time friend of the Pope felt the need to respond to the common question he heard often after the papal election What kind of person is the new Pope So often Twomey had read false depictions of both the man and his thought especially the image presented by the media as a grim enforcer Twomey offers here a unique double presentation of the man Pope Benedict XVI a theological portrait that encompasses both an overview of the writings teachings and thought of the brilliant theologian and spiritual writer as well as the man himself and his personality traits and how he communicates with others Twomey shows that the secret to the serene dignified behavior of Benedict is that he is open to beauty as much as truth that he lives outside himself and is not preoccupied with his own self He also is a man that Twomey says has the courage to be imperfect showing he has a deep humility and strives for teaching the truth even when misunderstood or not presented as well as he would like Fr D Vincent Twomey S V D holds a PH D in Theology and is a Professor of Moral Theology at the Pontifical University at St Patrick s College in Ireland He is the author of several books including his most recent acclaimed study on the state of Irish Catholicism The End Of Irish Catholicism

The Eucharistic Vision of Laudato Si Lucas Briola,2022-12-28 No other encyclical has generated as much conversation both Catholic and non Catholic as Laudato si Often forgotten in these conversations is the theological heart and eucharistic vision of the encyclical and its integral ecology Even the title of Laudato si Praised be signals the centrality of right praise in caring for our common home Using Bernard Lonergan s theology of history this book unearths the doxological eucharistic vision that shapes the encyclical s integral presentation of social and ecological conversion It offers the first book length study that recovers the eucharistic nature of Laudato si In drawing out the eucharistic vision of Laudato si the book accomplishes several feats for the reader It roots the eucharistic dimensions of the encyclical in the writings of Popes John Paul II and Benedict XVI showing how Pope Francis develops their thought in notable ways It introduces Bernard Lonergan s theology of history showing how his framework can capture the eucharistic contours of caring for our common home so too in light of Laudato si does the book expand his theology of history to incorporate both ecological concern and the doxological eucharistic essence of the church The book assembles a liturgically shaped systematic account of the church s social mission It joins poles otherwise sundered in a polarized church and world between worship and justice between concerns for human life and concerns for the natural world Realizing the eucharistic vision of Laudato si promises much for our contemporary moment Pope Francis recently observed that the integral ecology of Laudato si holds the key for the world s recovery from the COVID 19 pandemic The U S Catholic Bishops recently launched a Eucharistic Revival that aims to rekindle eucharistic devotion and praxis The Eucharistic Vision of Laudato Si Praise Conversion and Integral Ecology supplies a timely study that

helps fulfill these intertwined calls Ratzinger on Religious Pluralism Fr. Sameer Advani, LC, 2024-10-01 What can Christian theology claim about the place of other religions in God's providential plan for humanity How can it reconcile the universality of God's saving plan and the particularity of Christ and the Church What meaning is left to Christian existence and mission in a religiously pluralist world As priest theologian cardinal archbishop and pope Joseph Ratzinger reflected on these difficult questions for more than half a century and in a variety of contexts proffering an array of profound answers that are dispersed across his substantial literary corpus In *Ratzinger on Religious Pluralism* Sameer Advani assembles and synthesizes these reflections and answers of the late pontiff providing a systematic study of Ratzinger's theology of religions that attends to the scope of his larger historical philosophical and theological concerns The first part analyzes Ratzinger's critical engagement with various paradigms of religious pluralism whose accounts of religion Christianity and non-Christian religions he found both phenomenologically and theologically wanting The second part in turn explores Ratzinger's positive proposal for a theology of religions which locates both Christianity and non-Christian religions against the larger backgrounds of anthropological unity the human search for truth and divine providence Advani argues that while Ratzinger rejected the idea that other religions are salvific or on par with Christianity he recognized both their important role in God's providential plan and their suitedness to an assumption into the Church through mutual albeit asymmetric purification and enrichment *The Two Popes* Anthony McCarten, 2025-10-16 THE STORY BEHIND THE SCREENPLAY OF THE TWO POPES THE MAJOR MOTION PICTURE STARRING ANTHONY HOPKINS AND JONATHAN PRYCE PREVIOUSLY PUBLISHED AS THE POPE From the Academy Award nominated screenwriter of *The Theory of Everything* and *Darkest Hour* comes the fascinating and revealing tale of an unprecedented transfer of power and of two very different men who both happen to live in the Vatican In February 2013 the arch-conservative Pope Benedict XVI made a startling announcement he would resign making him the first pope to willingly vacate his office in over 700 years Reeling from the news the College of Cardinals rushed to Rome to congregate in the Sistine Chapel to pick his successor Their unlikely choice Francis the first non-European pope in 1200 years a one-time tango club bouncer a passionate soccer fan a man with the common touch Why did Benedict walk away at the height of power knowing his successor might be someone whose views might undo his legacy How did Francis who used to ride the bus to work back in his native Buenos Aires adjust to life as leader to a billion followers If as the Church teaches the pope is infallible how can two living popes who disagree on almost everything both be right Having immersed himself in these men's lives to write the screenplay for *The Two Popes* Anthony McCarten masterfully weaves their stories into one gripping narrative From Benedict and Francis's formative experiences in war-torn Germany and Argentina to the sexual abuse scandal that continues to rock the Church to its foundations to the intrigue and the occasional comedy of life in the Vatican *The Two Popes* glitters with the darker and the lighter details of one of the world's most opaque but significant institutions The Underground Church Kathleen Kautzer, 2012-03-02 Since the 1970s liberal American

Catholics have sustained a Reform Movement to counteract the conservative drift of the Vatican and to preserve and expand on the reforms of Vatican II This book draws on a range of theory to analyze and interpret this movement which is intent on creating a model of church that examples Vatican II s open receptive attitude toward the modern world In response to backlash from church officials the movement has increasingly abandoned effort to reform Roman Catholicism from within and has moved in a sectarian direction by creating independent worship communities The movement faces a precarious future due to its rapidly aging membership and the unstable nature of its newly formed communities

One Opinion in 8 Billion Thom Gordon, 2025-08-18 One Voice One Vision One Opinion in 8 Billion In a world of noise division and endless opinion One Opinion in 8 Billion An Individual Perspective cuts through with clarity curiosity and courage This is not just another non fiction book it is a bold unapologetic exploration of life s most pressing provocative and perplexing questions Across sixteen chapters author Thomas Gordon tackles 335 controversial questions spanning politics religion media science identity war and beyond Each is presented without filters or agenda challenging you to think reflect and decide for yourself But that s just the beginning The book also delves into 34 of the most talked about conspiracy theories not to preach belief but to investigate analyse and weigh the evidence From ancient mysteries like the Pyramids and the Anunnaki to modern controversies surrounding global events you ll find balanced examinations paired with the author s personal conclusions For readers drawn to the frontiers of science Gordon presents five original physics hypotheses thought experiments designed to question the limits of our current understanding and bridge the gap between general relativity and quantum mechanics These sections challenge the status quo of scientific thinking while remaining grounded in logical reasoning The book closes with something rare a call to action You ll find a published open letter to every world leader and a five year Global Unity Business Plan a vision for practical steps towards international cooperation environmental sustainability and peace Whether you agree disagree or find yourself somewhere in between One Opinion in 8 Billion refuses to leave you indifferent It s for the reader who Wants to explore complex issues from multiple angles Values independent thinking over echo chambers Believes curiosity is more powerful than certainty Welcomes the discomfort of having their assumptions challenged Inside you ll explore Provocative questions on society morality and the future of humanity The facts theories and debates behind enduring conspiracies Ground breaking ideas in physics and cosmology A vision for a united cooperative and compassionate world This is not a book that tells you what to think It is a book that dares you to think for yourself Whether you read it cover to cover or dip in at the topics that matter most to you One Opinion in 8 Billion is a challenge an invitation and a conversation all in one A minimum of 10% of all profits will be donated to charitable causes referenced in the book meaning your purchase also supports real world change In a planet of eight billion perspectives here is one distilled considered and ready for you to examine The question is What s yours

The Francis Miracle John L. Allen, , 2015-03-03 There is no other organization whose inner workings are more secretive than the Vatican the spiritual and physical center of the Catholic Church Now with

a dynamic new leader in Pope Francis all eyes are upon the church as this immensely popular Pope seeks to bring the church back from the right to center in what can almost be described as a populist stance blurring the lines between politics religion and culture With topics including women finance scandal and reform at the fore never before have so many eyes been upon the church in what could be its defining moment for modern times Now the most respected journalist covering the Vatican and the Catholic Church today John L Allen reveals the inner workings of the Vatican to display the vast machinery and the man at the helm in a way that no other writer can The Boston Globe has stated that John L Allen is basically the reporter that bishops and cardinals call to find out what s going on within the confines of the Vatican *Pontifex Maximus* Christopher Lascelles,2017-04-28 A brilliant book on a number of different levels Lascelles has an engaging prose style and an amazing eye for detail and apposite anecdote Surely only purblind Catholic zealots will object to this outstanding analysis Frank McLynn author of Genghis Khan Napoleon and 1066 Lascelles has achieved the seemingly impossible a concise and highly readable history of Catholic Popes that manages to be extremely entertaining and informative at the same time Gerald Posner author of God s Bankers Lascelles has taken an overwhelming subject and not been overwhelmed by it in any way A highly enjoyable read Paul Strathern author of The Medici Entertaining incisive and unflinchingly honest this book charts the extraordinary rise and frequent fallibility of the popes across two tumultuous millennia From the Church s humble beginnings to the global institution it is today Lascelles explores how the papacy has been shaped by ambition faith corruption reform and power With a sharp eye for revealing detail and a gift for vivid storytelling he brings to life the saints scoundrels and complex figures who have occupied the papal throne This book reveals how these leaders shaped and were shaped by the turbulent forces of history politics and power *Faith and Leadership* Michael P. Riccards,2012-04-19 This volume is the first major study of the papacy as a managerial structure that has evolved over two thousand years Special emphasis is placed on the environments in which the Church functioned and in which it had to reach uneasy compromises The volume is both scholarly and very readable **A Living Sacrifice: Liturgy and Eschatology in Joseph Ratzinger** Roland Millare,2022-06-13 A Living Sacrifice focuses on the inherent relationship between eschatology and the liturgy in light of Ratzinger s insistence upon the primacy of logos over ethos When logos is subordinated to ethos the human person becomes subjected to a materialist ontology that leads to an ethos that is concerned above all by utility and progress which affects one s approach to understanding the liturgy and eschatology How a person celebrates the liturgy becomes subject to the individual whim of one person or a group of people Eschatology is reduced to addressing the temporal needs of a society guided by a narrow conception of hope or political theology If the human person wants to understand his authentic sacramental logos then he must first turn to Christ the incarnate Logos who reveals to him that he is created for a loving relationship with God and others The primacy of logos is the central hermeneutical key to understanding the unique vision of Ratzinger s Christocentric liturgical theology and eschatology This is coupled with a study of Ratzinger s spiritual Christology

with a focus on how it influences his theology of liturgy and eschatology through the notions of participation and communion in Christ's sacrificial love Finally *A Living Sacrifice* examines Ratzinger's theology of hope charity and beauty as well as his understanding of active participation in relationship to the eschatological and cosmic characteristics of the sacred liturgy

Joseph Ratzinger Maximilian Heinrich Heim, 2007 This is a major work on the theology of Joseph Ratzinger by a highly regarded German theologian priest and writer Since his election to the Papacy Ratzinger's theology and in particular his ecclesiology theology of the Church has been in the limelight of theological and ecumenical discussions This work studies in detail Ratzinger's ecclesiology in the light of Vatican II against the ongoing debate about what Vatican II really meant to say about the life of the Church its liturgy its worship its doctrine its pastoral mission and more *Roman Catholicism in America* Chester Gillis, 2020-03-24 Who are American Catholics and what do they believe and practice How has American Catholicism influenced and been influenced by American culture and society This book examines the history of American Catholics from the colonial era to the present with an emphasis on changes and challenges in the contemporary church Chester Gillis chronicles American Catholics where they have come from how they have integrated into American society and how the church has influenced their lives He highlights key events and people examines data on Catholics and their relationship to the church and considers the church's positions and actions on politics education and gender and sexuality in the context of its history and doctrines This second edition of *Roman Catholicism in America* pays particular attention to the tumultuous past twenty years and points toward the future of the religion in the United States It examines the unprecedented crisis of sexual abuse by priests the legal moral financial and institutional repercussions of which continue to this day and the bishops' role in it Gillis also discusses the election of Pope Francis and the controversial role Catholic leadership has played in American politics **Catholicism and Liberal Democracy** James Martin Carr, 2022-11 *Catholicism and Liberal Democracy* seeks to clarify if there is a place for Catholicism in the public discourse of modern liberal democracy bringing secular liberalism as articulated by Jürgen Habermas into conversation with the Catholic tradition James Martin Carr explores three aspects of the Catholic tradition relevant to this debate the Church's response to democracy from the nineteenth century up until the eve of the Second Vatican Council the Council's engagement with modernity in particular through *Gaudium et spes* and *Dignitatis humanae* and Joseph Ratzinger's theology of politics as a particularly incisive and influential articulation of the Catholic tradition in this area Jürgen Habermas's theorization of the place of religion in modern democracy both in his earlier secularist phase and after his post secular turn is evaluated The adequacy of Habermas's recent attempts to accommodate religious citizens are critically examined and it is argued that developments in his later thought logically require a more thoroughgoing revision of his earlier theory These developments it is argued create tantalizing openings for fruitful dialogue between Habermas and the Catholic tradition Using analytical tools drawn from communications theory the debates on same sex marriage at Westminster and in the Irish referendum campaign are analyzed assessing whether Catholic contributions to

these debates comply with Habermasian rules of civic discourse In light of this analysis the prospects of and impediments to Catholic participation in public discourse are appraised Carr concludes by proposing a Ratzingerian critique of contemporary attempts to redefine marriage within a broader more fundamental critique of the modern democratic state as currently configured A political system founded upon secularist monism cannot but regard Christian Gelasianism and its Catholic variant in particular as an existential threat Thus Catholics however Habermasian their political behavior can never be more than uneasy bedfellows with modern liberal democracy

The Great Reformer Austen Ivereigh, 2014-11-25 A biography of Pope Francis that describes how this revolutionary thinker will use the power of his position to challenge and redirect one of the world's most formidable religions An expansive and deeply contextual work at its heart The Great Reformer is about the intersection of faith and politics the tension between the pope's innovative vision for the Church and the obstacles he faces in an institution still strongly defined by its conservative past Based on extensive interviews in Argentina and years of study of the Catholic Church Ivereigh tells the story not only of Jorge Mario Bergoglio the remarkable man whose background and total commitment to the discernment of God's will transformed him into Pope Francis but the story of why the Catholic Church chose him as their leader With the Francis Revolution just beginning this biography will provide never before explained context on how one man's ambitious program began and how it will likely end through an investigation of Francis's youth growing up in Buenos Aires and the dramatic events during the Peron era that shaped his beliefs his ongoing conflicts and disillusionment with the ensuing doctrines of an authoritarian and militaristic government in the 1970s how his Jesuit training in Argentina and Chile gave him a unique understanding and advocacy for a Church of the Poor and his rise from Cardinal to the papacy

Rise Of Benedict Xvi The Inside Story Of Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rise Of Benedict Xvi The Inside Story Of PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rise Of Benedict Xvi The Inside Story Of PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rise Of Benedict Xvi The Inside Story Of free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rise Of Benedict Xvi The Inside Story Of Books

1. Where can I buy Rise Of Benedict Xvi The Inside Story Of books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
