Gunina, 2015-10-13 This book is a result of the investigative attempts of linguistics professionals to identify and meet the challenges of developing communicative competence in future engineers economists and other such specialists The unifying feature of all the contributions brought together here is the active involvement of the authors in practical instruction of English for specific professional purposes at the tertiary bachelors and masters programs level in Russia This volume covers a number of relevant areas in this field including new developments in methodology approaches to course and materials design and the contribution of language theory to foreign language teaching in a professional context The unique teaching approach advocated in this book denounces the traditional practice of transferring classical methodology of communicative oriented teaching to language classes for students with a non linguistic or non teaching professional orientation The underlying idea of this volume is that a change in professional context implies a change in language teaching methodology including materials techniques and target competences The ideas and experiences analysed here will appeal to anyone interested in the current trends in foreign language teaching and learning and particularly to educationalists **Student-Centered Approaches to Russian Language Teaching** Svetlana V. Nuss, Cynthia L. Martin, 2022-12-30 Student Centered Approaches to Russian Language Teaching looks at how the field of Russian language pedagogy has evolved in recent years due to advances in technology along with shifts in attitudes to language pedagogy and how the pandemic has compounded and accelerated these changes This edited collection brings together different perspectives from the field of Russian language pedagogy With pedagogical conversations now centered around students and their needs as well as the evolving role of the teacher in the 21st century this volume highlights the diverse ways in which instructional practices have evolved

making curriculum and assessment more student centered and Russian language learning more engaging The collection will be of interest to current and future instructors of Russian as a foreign or additional language who wish to diversify their instruction as well as students of Russian language pedagogy and second language learning and teaching *MCAT Workout, 2022-2023* The Princeton Review, 2021-11-16 Make sure you re studying with the most up to date prep materials Look for the newest edition of this title The Princeton Review MCAT Workout 5th Edition ISBN 9780593517499 on sale February 2024 Publisher s Note Products purchased from third party sellers are not guaranteed by the publisher for quality or authenticity and may not include access to online tests or materials included with the original product Princeton Review MCAT Workout, 5th Edition The Princeton Review, 2024-02-06 GET THE EXTRA PRACTICE YOU NEED FOR MCAT EXCELLENCE with the help of The Princeton Review MCAT Workout is designed specifically to provide ample practice with realistic MCAT style questions and test passages so that you ll approach this challenging and important test with confidence This book includes more than 830 total practice questions divided into content silos Biology General Chemistry Organic Chemistry Physics Math Psychology Sociology and CARS 375 MCAT style passages and passage based questions and nearly 400 freestanding questions inside the book 55 additional passages and questions online Detailed answer explanations for all questions Access to our online Student Tools portal for up to the moment updates on AAMC news and exam info
