

FORMS OF SAFETY IN YOUR SCHOOL AND COMMUNITY

Physical Safety

Physical safety refers to the protection of all stakeholders, including families, caregivers, students, school staff, and the community, from violence, theft, and exposure to weapons and threats, to establish a secure learning environment.

Emotional Safety

Emotional safety is an experience in which one feels safe to express emotions, security, and confidence to take risks and feel challenged and excited to try something new.

Mental Safety

Students often come to school with complex physical and mental health concerns or social service needs. Access to mental health services helps to create a positive school climate, prevents worsening of mental health conditions, and leads to better outcomes for students.
