I Saw That Tracie Jack, 2013-08 God is always involved in our lives but often we don't notice too busy with our own agenda to appreciate what He is doing for us In her book *I Saw That* Tracie shares some poignant events in her life where she was able to see God's hand interceding in her life in divine life changing ways This is a well written engaging narrative that will provide valuable biblical insights on how you too can say I saw that when God intervenes in your life Bob Russell Retired Senior Minister of Southeast Christian Church Everybody wants a miracle a Red Sea to be parted a giant to be slayed a mountain to be moved And while God can still part seas take down giants and move mountains often the most significant miracle is that God chooses to walk with His children in the daily grind of life that He knows our prayers before we speak them and knows the number of hairs on our head *I Saw That* is about the miracle of the minutiae We rarely miss the big things God does or the ways He answers our big bold prayers but we rarely see the small ways He cares for us speaks to us and dances over us mostly because we aren't looking But God is at work daily in the ordinary and mundane bringing all things together for our good It's never a matter of whether or not He is faithful It's always a matter of whether or not we see it If you're a follower of Jesus this book will strengthen your faith If you're not quite sure you believe in God it may just change your mind

Pray Kristin Smith,2025-08-04 The purpose of this book is twofold The first is to glorify God by helping others who desire to find their voice through prayer The second is to encourage others by sharing the prayers of my heart Prayer is a lifestyle It is not just something we do when we need something The Bible says we are to pray without ceasing This book of prayers was developed through my own desire to know God better and to have a personal relationship with him God loves us so much and He desires to have a relationship with us Amazing But what is a relationship without communication I've once heard it said that communication is like blood to the body or life to bones Prayer is life out of souls See yourself in a relationship with God accept Him as Lord and talk to Him every day throughout the day It is my hope that these prayers will help you see God as your friend and ally God who listens to our hearts and cares for our every need If those words are difficult for you to find I hope and pray these prayers will breathe life into your own *The Frontier*,1921 **The Enemies to Lovers Manual**
