Saga School Heika:

Saga School Heika Saga I. Ac, Saga Ikenabana Academy (Kadō Sōshisho) Technology Center, 1992-01-01 Saga School
Saga Ikebana Academy (Kado Soshisho) Technology Center, 1970 Japanese Flower Arrgt- Primer Ellen G.
Allen, 2012-06-05 There is something of the artist in each of us Some of us find expression in painting poetry or sculpture
some in landscape gardening With talent and facility expression in these art forms is Satisfying And this is true also of flower
arranging an ancient art that can express a thought or mood and in a sense combine the expression of several other media
Yet special talent for flower arranging is not essential The feeling for it is engendered by the practice of it With these words
Ellen Gordon Allen begins the introduction to her eminently practical primer of Japanese flower arrangement which is here
being offered in a new revised edition As a certified teacher Ohara school and a very successful one Mrs Allen is well
qualified to present her subject The purpose of her book is fourfold to increase the skill of all who love to arrange flowers to
provide a more comprehensive understanding of the Japanese art of flower arrangement to help students when no teacher is
available and to provide a medium of instruction among the many often confusing schools of Japanese flower arrangement It
is Mrs Allen's hope that the primer will serve as a practical handbook for beginners and that it will dispel the aura of mystery
that seems to surround the subject To this end she has made her instructions as elementary as possible The few fundamental
rules of Japanese flower arrangement and the various techniques are presented in a simple manner Wherever possible
English equivalents have been substituted for Japanese terms Each lesson sketches photographs and diagrams which clearly
show the student what to do in working toward completion of the arrangement Although Mrs Allen teaches principally the
methods of the Ohara school for the moribana and heika styles and the methods of the Saga school for the seika style her
book is also a compilation of information from the Sogetsu the Ikenobo the Shofu ryu and other famous schools in Japan She
has selected what she considers most practical for use in the American or other foreign setting By using the step by step
methods outlined in the 14 well organized lessons the flower arrangement student will not only be able to learn rapidly but
will also experience the pleasure of making genuine progress in an art that provides an endless source of enjoyment And as
Mrs Allen expresses it it is the enjoyment of making flower arrangements that I want particularly to stress Learn the
fundamentals and you will enjoy their application sharing your pleasure with others who will marvel at your skill in arranging
