Kaminkow, 2012-09 A complement to genealogies in the Library of Congress t p of fifth v **A Family Saga** B.B. Ellis, 2013-04-30 Although the seven of us have dispersed across the country in our adult lives we still get together occasionally for family reunions When we do the conversation often turns to stories beginning with Do you remember when One day we decided that some of these stories should be written down especially since some of the most cherished stories dealt with our grandparents We were afraid that these older stories would become lost in the mists of time and we were aware that our more recent stories would someday be old stories to our children and grandchildren Thus was born the idea of this book We have all contributed remembrances to this little volume and we hope that our children will be able to know more about where their parents came from Compiling this book has been one more enjoyable and unifying activity for a family that continues to cherish each other Catalog of Copyright Entries.
