Cox, 2012-11-19 Native American fiction writers have confronted Euro American narratives about Indians and the colonial world those narratives help create These Native authors offer stories in which Indians remake this colonial world by resisting conquest and assimilation sustaining their cultures and communities and surviving In Muting White Noise James H Cox considers how Native authors have liberated our imaginations from colonial narratives Cox takes his title from Sherman Alexie for whom the white noise of a television set represents the white mass produced culture that mutes American Indian voices Cox foregrounds the work of Native intellectuals in his readings of the American Indian novel tradition He thereby develops a critical perspective from which to re see the role played by the Euro American novel tradition in justifying and enabling colonialism By examining novels by Native authors especially Thomas King Gerald Vizenor and Alexie Cox shows how these writers challenge and revise colonizers tales about Indians He then offers red readings of some revered Euro American novels including Herman Melville s Moby Dick and shows that until quite recently even those non Native storytellers who sympathized with Indians could imagine only their vanishing by story s end Muting White Noise breaks new ground in literary criticism It stands with Native authors in their struggle to reclaim their own narrative space and tell stories that empower and nurture rather than undermine and erase American Indians and their communities *Dream Homes* Joyce Zonana, 2008-08-01 The American daughter of Egyptian Jewish immigrants journeys in search of belonging from Brazil to New Orleans and beyond includes recipes and photos Born to Egyptian Sephardic Jews who fled to the United States after the Arab Israeli war of 1948 Joyce Zonana spent her childhood in Brooklyn But her experience of Jewish culture was very different from that of the other children she knew from the foods they ate to

the language they spoke As she struggled to find a sense of inclusion never feeling completely American or completely Egyptian a childhood trip to Brazil became the basis for a lifelong quest to find her place in the world Meeting members of her extended family who had migrated to Brazil was one step in discovering the kind of life she might have lived in Egypt and exploring the woman she was becoming Through travels that ranged from Cairo to Oklahoma and finally New Orleans in the shadow of Katrina and including an evocative exploration of the way food varies from culture to culture this is a frank spirited memoir of identity from a Brooklyn raised Egyptian born Jewish feminist Kirkus Reviews Zonana makes every human encounter lively Booklist American Indian Quarterly ,2003 **Dream World** Belinda Weston Gulley,2011-02-10 I grew large yet I shrunk small I rose up yet I shrunk down low I knew this feeling well I was entering the dream world I stood outside of the cave of a thousand eyes and I began to feel rain pouring down on me I lifted my hand and looked at it and it was then that I realized I was not being covered with rain drops I was being covered with blood and this blood was that of my people that was shed during the battle to keep our homeland The legendary battle of the removal of the Cherokee known as the Trail of Tears Although I stand as one spirit I have lived many lifetimes Past meets present and present meets the past I entered the dream world hoping to find the answer and knowing I had fought many battles with the evil one and it always begins the same way by entering the dream world where my spirit guide Nonauma awaits for the past and the present to merge and become stronger stronger for the battle between good and evil The dream world is universal all beings go there but there are those few who stay longer sometimes hours sometimes days yet have only closed their eyes for a moment Morning Star and Olivia posses this gift and although they are two separate people they have one thing in common they share the same spirit Morning Star is Olivia s past life and Olivia is Morning Stars future life Together they must battle an angry entity simply called the evil one The evil one will do anything to capture and keep the girls gift of sight With this power he can rule many people therefore making it easier to cause chaos and disaster The evil one controls the bees and snakes and he uses them all to try and get an upper hand on the girls He is much like the coyote full of trickery But there is one rule that even he must follow and that is he can not take this gift away from either girl they must give it to him out of their own free will Both girls are born with a marking upon their palm a perfect medicine wheel and this mark holds the key that can destroy the evil one Who is the dream and who is the dreamer Well that is for you the reader to decide Although the girls are from different eras their battle has not changed The dream world is mystical and magical and it is a place with no boundaries At times it is hard for both girls to know whether they are in the good dream world or the world of bad dreams where the evil one lurks waiting for the right time to deceive the girls Their battles are legendary amongst Morning Stars people but in Olivia s world she stands alone isolated within the truth and it is only in the dream world that she finds freedom to use her gift without any worries of being different **The Sleep Revolution** Barrett Williams,ChatGPT,2025-03-31 Unlock the mysteries of the night with The Sleep Revolution an enthralling eBook that takes you on an enlightening journey through the
