POWER OF THE MIND KNOW YOURSELF Dr. Anthony Emmett,2024-01-03 POWER OF THE MIND Know yourself the real you within your layers of thinking The unknown potential which exists in each of us lies in our Unconscious mind As a medical doctor and plastic surgeon I had observed the way a patient s health and well being was influenced by the thoughts they held in their mind especially their Subconscious and the deeper levels of that Appreciation of Surgical results can be closely affected by the Self Image Body healing is run from the Unconscious mind But how we feel about results is influences from the Subconscious Later when I retired from surgery and retrained as an artist I was given skilled help for a couple of years to explore in deeper levels of Consciousness I had the intuitive desire to know who I really was beyond the family identity I was born with I had found in childhood the ways knowing could just arrive and sought the source when given the opportunity The Subconscious is a working part of our everyday life and we use it all the time without knowing We are more influenced from the Unconscious mind than we may realise We each Have these 4 basic levels in our system which we explore through the book Our real identity and meaning is to be found in these deeper levels of Consciousness hidden away from the world If you want to know more of your own meaning then look within your Self For it is all there stored in the Unconscious levels of your mind *Alone* John
