The Complete Idiot's Guide to Boating and Sailing Frank Sargeant, 2002. Offers tips on choosing a boat, describes the parts of a boat and how they operate, explains marine navigation and covers maintenance and safety issues. **The Rules Book** Bryan Willis, 2017-03-09. This bestselling pocket-sized racing rules book is unique in covering the rules by race situation. It explains the rules affecting each part of the race course, from the start line, round the marks, and on to the finish line, and clear diagrams show which boat is in the right or the wrong. The entire 2017-2020 racing rules are also included in this edition. This book is ideal for all racers because the rules are explained by race situation using explanatory diagrams to show the rules that apply all around the race course. The rules are graded for all levels of competition: club, national, and international championship. This unique method of presentation has proved extremely popular with racers over ten editions.
