Sailing Around The World The Wrong Way Volume Iii Scandinavia To Rome:

Sailing Around the World the Wrong Way: Volume III Harold Knoll Jr, Harold Byler, 2004-05-20 This book is the true story of one man's attempt to live out his lifelong dream of sailing around the world to strange foreign ports in his own sailboat. Upon retiring from teaching school and farming in Michigan, Harold Knoll Jr left his forthcoming sedentary life. He took his sailboat down to the Gulf and headed around the world. Few men have the courage to do this, even though most of us have these dreams. Volume I covered the first part of his journey from Michigan to Trinidad. Volume II covered his journey from Trinidad to Spain and through France to Amsterdam and Scandinavia. This Volume III covers the third part of his journey from Amsterdam around the British Isles through the French canals to the Mediterranean and down the coast of Italy. Captain Knoll, a true free spirit, picks up crew as he travels along. In the process, he meets many very fascinating people and has many thrilling and sometimes humorous experiences. Forthcoming volumes will cover his trip through the Aegean Sea and the future trips that he takes as he proceeds on his voyage around the world the wrong way against the prevailing westerly winds.

Sailing Around the World the Wrong Way Harold Knoll, Jr., Harold Byler, Jr., 2004-06 Dr. James Chambers, Chancellor University's most popular history professor, told the fall semester students in his Western Civilization class that legacies from past civilizations could provide clues for solving present-day problems. A mere five months later, Ryan Anderson, Rebecca Chan, and Sarah Flemming, three of his brightest and most resourceful students, were painfully aware of the accuracy of the professor's pronouncement. Initially, they enjoyed all the new and exciting challenges faced by beginning freshmen, but within weeks, they became progressively fascinated with the deaths of prominent Atlanta citizens murdered under extremely bizarre circumstances. Their curiosity drew them from the streets of Atlanta to the mountains of North Georgia as they tried to unravel these mysteries, which had authorities baffled. Their discovery of alarming parallels between the perplexing crimes and villainous figures from Greek mythology ultimately provided a dramatic solution, which brought an inconceivable serial killer to justice.
