Sailing Home Tom Basham, Lissa Calvert, 2012-08 My name is Eli Pruparrow and I'm sailing down the Chesapeake Bay with my friend Micha Kovnik In case you don't know the Chesapeake Bay is one of the biggest bays in the world and lies smack between Virginia and Maryland It's full of small fishing villages islands and big rivers like the Potomac James and Rappahannock It's really beautiful but a sailor in the bay has to be careful there are lots of hazards here and storms come up quick I might as well tell you how we got here since it's pretty hard to believe how we ended up in a small boat in the middle of the Chesapeake We're escapees from one of the worst foster homes ever I can say this because I'm kind of an expert on foster homes I've been in a dozen so far

Sailing Home Norman Fischer, 2008-06-03 Homer's Odyssey has a timeless allure It is an ancient story that is significant for every generation the struggle of a homesick battle weary man longing to return to love and family Odysseus's strivings to overcome divine and earthly obstacles and to control his own impulsive nature hold valuable lessons for people facing their own metaphorical battles and everyday conflicts people who are like Odysseus heartsick on the open sea whether from dealing with daily skirmishes at the office or from fighting in an international war *Sailing Home* breathes fresh air into a classic we thought we knew revealing its profound guidance for navigating life's pitfalls perils and spiritual challenges Norman Fischer deftly incorporates Buddhist Judaic Christian and popular thought as well as his own unique and sympathetic understanding of life in his reinterpretation of Odysseus's familiar wanderings as lessons that everyone can use We see how to resist the seduction of the Sirens song to stop sailing and give up how to bide our time in a situation and wait for the right opportunity as Odysseus does when faced with the murderous one-eyed Cyclops and how to reassess our story and rediscover our purpose and identity if like the Lotus Eaters we have forgotten the past With meditations that yield personal revelations illuminating anecdotes from Fischer's and his students' lives and stories from many wisdom traditions *Sailing Home* shows the way to greater purpose in your own life You will learn a new way to view your path when to wait and when to act when to speak your mind and when to exercise discretion how to draw on your innate strength and distinguish between truth and deception and how to deal with aging and changing relationships *Sailing Home* provides the courage you need for your journey to renew bonds with your loved ones and to make the latter portion of life a heartfelt time of spirit and love so that just as Odysseus does you can defeat the forces of entropy and death

Robert Lowell Steven Axelrod, Helen Deese, 1986 Robert Lowell is one of the most widely recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's

poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as Lord Weary's Castle Life Studies For the Union Dead Skunk Hour Notebook the sonnets of 1969-73 as well as four essays devoted to Lowell's last complete and often neglected work Day by Day Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell's poems

[The Past in Aeschylus and Sophocles](#) Poulheria Kyriakou, 2011-07-28 The book studies the past of the characters in Aeschylus and Sophocles a neglected but crucial topic The characters' beliefs values and emotions bear on their view of the past This view reinforces their beliefs and their conception of themselves and others as agents of free will and members of a family and or community The study reveals that although the characters' idea of the past is fixed the impact of the past is not The characters consider review and construct narratives of it as they seek to mould a future they perceive as morally just for themselves and others
