naval affairs and reveal a close knit family life The narrative of his duty with black troops is especially valuable since few first hand accounts from white officers of the U S Colored Troops exist Furthermore his beliefs about race slavery and the Union cause were unconventional for the time and stand in contrast to those held by many of his contemporaries Double Duty in the Civil War is filled with lively descriptions of the men Bacon met and the events he experienced With Burkhardt s careful editing and useful annotations Bacon s letters and diary excerpts give rare insight into areas of the Civil War that have been neglected because of a lack of available sources Given the scarcity of eyewitness testimonies to navy life and life in African American regiments this book is a rarity indeed The Publishers' Trade List Annual ,1917 The Apostles of the Southeast Frank Thomas Bullen,1901 Using fictitious names and places the author tells the story of the people he worked with in his many years of mission work in London **A Whaleman's Wife** Frank Thomas Bullen,1903 **America's War with Spain** Anne Cipriano Venzon,2003 Beginning with an overview this work covers foreign and domestic events and battles It continues with specialized chapters on the U S Army Navy the all important press and public opinion before turning to actions in Cuba the Philippines Puerto Rico and Guam Two indexes complete the book *General Finding Lists of the Free Public Library of the City of Waterville ...* Waterville (Me.). Caiella,2025-08-01 The course of American naval history has not been set only by the relatively few famous ships whose stories have been told and retold This volume spotlights 50 less recognized vessels each significant in its own way from the Continental Navy to the first supercarriers while touching on many others with which their stories are interwoven Attention is given not only to the design and conceptual changes the vessels embodied but also the crews whose toil and heroism gave them life and sometimes notoriety One captain tried to sell his warship in the midst of the Civil War Each ship is detailed chronologically in chapters that often dispel timeworn misconceptions Some were trailblazers others were misdirected in their inspiration design or execution indeed two could not float and one was dampened only by rain Yet each helped shape America s seafaring history **A Catalogue of the Best Books in Every Department of Literature** Burrows Brothers Company, Cleveland,1901
