O'Malley, SJ,2009-11-16 A History of the Popes tells the story of the oldest living institution in the Western world the papacy From its origins in Saint Peter Jesus chief disciple through Pope Benedict XVI today the popes have been key players in virtually all of the great dramas of the western world in the last two thousand years Acclaimed church historian John W O Malley s engaging narrative examines the 265 individuals who have claimed to be Peter s successors Rather than describe each pope one by one the book focuses on the popes that shaped pivotal moments in both church and world history The author does not shy away from controversies in the church and includes legends like Pope Joan and a comprehensive list of popes and antipopes to help readers get a full picture of the papacy This simultaneously reverent yet critical book will appeal to readers interested in both religion and history as it chronicles the saints and sinners who have led the Roman Catholic Church over the past 2000 years The author draws from his popular audio CD lecture series on the topic 2 000 Years of Papal History available through Now You Know Media [www.nowyouknowmedia.com](http://www.nowyouknowmedia.com)      **Lives of the Popes** Michael J. Walsh,1998 A invaluable source of reference magnificently illustrated Lives of the Popes provides chronologically listed biographies of each of these men giving the facts of each pontiff s life and the deeds and misdeeds of his pontificate The book reveals the conflicts and the controversies that have rent the Church in that time as well as the figures who have played key roles in shaping the papacy as we know it today Taken together these biographies eruditely chart the history of two millennia and bear testament to the growth of Catholicism across the globe However more than anything else the book is witness to the extreme durability of an institution what is amongst the oldest in the world From front cover flap      **101 Surprising Facts About St. Peter's and the Vatican** Fr. Jeffrey Kirby,2015 What do you really know about Vatican City The Vatican comprising the Apostolic Palace St Peter s Basilica and various other buildings serves as the headquarters of the Catholic Church It has done so for nearly two millennium ever since the first Pope St Peter made it his home Thousands of Catholics flock to the Vatican and its iconic basilica each year Even if you haven t visited you ve likely watched with bated breath for smoke to rise from behind the cupola during the election of a new pope or have laid eyes on the new pontiff when he emerged from the balcony for the first time But what do you really know about this great basilica and the city that houses it Here Father Jeffrey Kirby takes you on a whirlwind tour of this little country yes Vatican City is its own country Fact 2 and uncovers the secrets and surprising facts about the city and its famous church      **The Papacy from Saint Peter to the Present** Don R. Caffery,2013-12-09 Who was the first pope Who is the

pope today What does he do And why do we need one anyway The answers to these questions and more can be found in this beautifully illustrated book for children Our Holy Father the Pope takes us back to the time of Jesus so that we can learn about the origins and role of the Papacy The storybook format begins with the Gospels Jesus calling Simon Jesus renaming him Peter meaning rock and giving him the keys to the kingdom and so on It follows Peter as Jesus suffers dies and rises from the dead for all mankind The descent of the Holy Spirit the birth of the Church and the death of Peter himself for the sake of Jesus also are described The Church carries on with a new leader to replace Peter as she has down through the centuries to our own day As children will learn from this book although the Church has adapted to the times the tasks of our modern popes are not that different from those of Peter The book includes brief biographies of some famous popes a list of all the popes from Peter to the present and a bibliography Includes beautiful and inspiring illustrations by renowned French illustrator Emmanuel Beaudesson

The Man who Never Died Gerald T. Brennan, 2005 Most kids think of popes as old men who live quiet lives in the Vatican In fact danger surrounds every pope From John Paul II who was shot all the way back to the first pope the men God places in charge of His Church have been hated and attacked for their goodness and for the good the Church does The Man Who Never Died recounts the adventures of the apostle Peter the first pope and explains how Peter in giving his name and responsibilities to all the popes who follow him became the man who never died fulfilling the promise that Jesus made to him Thou art Peter and upon this rock I will build my Church the Church that remains standing today and will last until the end of time
