Annotation An original imagination full of surprises from Beowulf to Bangladesh **Indian Women's Writing in English** Joel Kuortti, 2002 This is a remarkable collection of information on Indian women s writing written originally in English

Beginning from the 19th century it introduces 444 writers of poetry and fiction Now it has been a part of common critical parlance to say that the Indian English women s writing is in ascendance One aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing Writers included in the bibliography come from all over India and from the Indian diaspora all over the world Another aim of this bibliography is to make us aware of the constructed nature of writerhood A given writer s texts do not exist and circulate in a vacuum but in a context We can see that Indian English women s writing is taking place But what we do not see is the critical establishment that is literary scholars and critics taking much note of it
