considers the question of religious sainthood and martyrdom as well as the relationship between society the state and the Church in Britain during the C16th They establish the full ideological significance of the trial and demonstrate that the politics of post Reformation British society cannot be understood without the wider local national and international contexts in which they occurred This is a major contribution to our understanding of both English Catholicism and the Protestant regime of the Elizabethan period     **St Margaret Clitherow** Mary Joanna Dessain,1980     **St Margaret Clitherow of York, Martyr** Leo Griffin,1992 An account of the life and martyrdom of a courageous Englishwoman who would not give up her Catholic faith during the reign of Elizabeth I when to attend Mass or harbour a priest was a capital offence She was canonised by Pope Paul VI in 1970 Author is a retired member of the Congregation of Christian Brothers     **Saint Margaret Clitherow** Philip Caraman,2010     **Butler's Lives of the Saints** Alban Butler,Paul Burns,2003 This is indeed true if the saints and blessed collected here share one overarching characteristic it is to have put their love of God to work for their fellow men and women as they saw fit through austerity of life contemplative prayer or myriad embodiments of what we would now call social work They are holy examples to us because they lived and died for others for us BOOK JACKET
