# Saints And The Union Utah Territory During The Civil War

**Bryon C. Andreasen**

## **Saints And The Union Utah Territory During The Civil War:**

**The Saints and the Union** Everette Beach Long, 1981 Long noted Civil War historian and long time research assistant to the late Bruce Catton reveals a neglected but fascinating chapter in American frontier Mormon Indian and Civil War history His lively portrayal of two volatile personalities Mormon leader Brigham Young and U S military commander General Patrick Connor depicts events which helped shape the opening up of the West While the Civil War raged in the East the Mormons in Utah zealously continued to guard their cultural identity and church practices from federal control At the same time however they lobbied hard for statehood but were continually thwarted by a series of inept or antagonistic federal authorities Drawing upon seldom used archival material from the Mormon Church Long s astute study depicts the earnest nature of this Mormon federal conflict by focusing upon the battle of wills and words between Young and Connor Jacket flap

*Utah and the American Civil War* Kenneth L. Alford, 2017-07-25 When Fort Sumter was attacked in April 1861 hundreds of soldiers were stationed at the U S Army s Camp Floyd forty miles southwest of Salt Lake City The camp established in June 1858 was the nation s largest military post Utah and the American Civil War presents a wealth of primary sources pertaining to the territory s participation in the Civil War material that until now has mostly been scattered incomplete or difficult to locate Organized and annotated for easy use this rich mix of military orders dispatches letters circulars battle and skirmish reports telegraph messages command lists and other correspondence shows how Utah s wartime experience was shaped by a peculiar blend of geography religion and politics Editor Kenneth L Alford opens the collection with a year by year summary of important events in Utah Territory during the war with special attention paid to the army s recall from Utah in 1861 the 1st Utah Cavalry Company s 107 day military service the Union army s return in 1862 and relations between the military and Mormons Readers will find accounts of an 1861 attempt to court martial a Virginia born commander for treason battle reports from the January 1863 Bear River Massacre documents from the army s high command authorizing Governor James Doty to enlist additional Utah troops in October 1864 and evidence of Colonel Patrick Edward Connor s personal biases against Native Americans and Mormons A glossary of nineteenth century phrases military terms and abbreviations along with a detailed timeline of key historical events places the records in historical context Collected and published together for the first time these records document the unique role Utah played in the Civil War and reveal the war s influence both subtle and overt on the emerging state of Utah

*The Civil War Era and Reconstruction* Mary Ellen Snodgrass, 2015-03-26 The encyclopedia takes a broad multidisciplinary approach to the history of the period It includes general and specific entries on politics and business labor industry agriculture education and youth law and legislative affairs literature music the performing and visual arts health and medicine science and technology exploration life on the Western frontier family life slave life Native American life women and more than a hundred influential individuals

*Civil War in the Southwest*  
*Borderlands, 1861-1867* Andrew E. Masich, 2017-02-03 Still the least understood theater of the Civil War the Southwest

Borderlands saw not only Union and Confederate forces clashing but Indians Hispanos and Anglos struggling for survival power and dominance on both sides of the U S Mexico border While other scholars have examined individual battles Andrew E Masich is the first to analyze these conflicts as interconnected civil wars Based on previously overlooked Indian Depredation Claim records and a wealth of other sources this book is both a close up history of the Civil War in the region and an examination of the war making traditions of its diverse peoples Along the border Masich argues the Civil War played out as a collision between three warrior cultures Indians Hispanos and Anglos brought their own weapons and tactics to the struggle but they also shared many traditions Before the war the three groups engaged one another in cycles of raid and reprisal involving the taking of livestock and human captives reflecting a peculiar mixture of conflict and interdependence When U S regular troops were withdrawn in 1861 to fight in the East the resulting power vacuum led to unprecedented violence in the West Indians fought Indians Hispanos battled Hispanos and Anglos vied for control of the Southwest while each group sought allies in conflicts related only indirectly to the secession crisis When Union and Confederate forces invaded the Southwest Anglo soldiers Hispanos and sedentary Indian tribes forged alliances that allowed them to collectively wage a relentless war on Apaches Comanches and Navajos Mexico s civil war and European intervention served only to enlarge the conflict in the borderlands When the fighting subsided a new power hierarchy had emerged and relations between the region s inhabitants and their nations forever changed Masich s perspective on borderlands history offers a single cohesive framework for understanding this power shift while demonstrating the importance of transnational and multicultural views of the American Civil War and the Southwest Borderlands **The Era of the Civil War--1820-1876**

Louise A. Arnold-Friend, US Army Military History Institute, 1982 American Civil War Spencer C. Tucker, Paul G. Pierpaoli Jr., 2015-03-24 This two volume encyclopedia offers a unique insight into the Civil War from a state and local perspective showing how the American experience of the conflict varied significantly based on location Intended for general interest readers and high school and college students American Civil War A State by State Encyclopedia serves as a unique ready reference that documents the important contributions of each individual state to the American Civil War and underscores the similarities and differences between the states both in the North and the South Each state chapter leads off with an overview essay about that state s involvement in the war and then presents entries on prominent population centers manufacturing facilities and military posts within each state important battles or other notable events that occurred within that state during the war and key individuals from each state both civilian and military The A Z entries within each state chapter enable readers to understand how the specific contributions and political climate of states resulted in the very different situations each state found itself in throughout the war The set also provides a detailed chronology that will help students place important events in proper order Saints, Slaves, and Blacks Newell G. Bringhurst, 2018-04-10 Originally published shortly after the LDS Church lifted its priesthood and temple restriction on black Latter day Saints Newell G Bringhurst s landmark

work remains ever relevant as both the first comprehensive study on race within the Mormon religion and the basis by which contemporary discussions on race and Mormonism have since been framed Approaching the topic from a social history perspective with a keen understanding of antebellum and post bellum religious shifts *Saints Slaves and Blacks* examines both early Mormonism in the context of early American attitudes towards slavery and race and the inherited racial traditions it maintained for over a century While Mormons may have drawn from a distinct theology to support and defend racial views their attitudes towards blacks were deeply embedded in the national contestation over slavery and anticipation of the last days This second edition of *Saints Slaves and Blacks* offers an updated edit as well as an additional foreword and postscripts by Edward J Blum W Paul Reeve and Darron T Smith Bringhurst further adds a new preface and appendix detailing his experience publishing *Saints Slaves and Blacks* at a time when many Mormons felt the rescinded ban was best left ignored and reflecting on the wealth of research done on this topic since its publication

**Historical Dictionary of the Civil War and Reconstruction** William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction

*The World of the Civil War* Lisa . Tendrich Frank, 2015-07-28 Covering everything from the arts to food and drink religion social customs and technology this two volume set provides an in depth accessible look at the social cultural economic and political aspects of the American Civil War The American Civil War caused dramatic changes in every aspect of life and society affecting combatants and noncombatants at all levels of the socioeconomic scale *The World of the Civil War A Daily Life Encyclopedia* offers an accessible and reliable reference for the major topics that defined American life during the nation s most tumultuous era Taking a blended approach to history this book covers the military and political history of the era and examines the social and human experiences of the war thereby offering a comprehensive look at the Civil War era s most significant events people places and experiences The thematic organization of this encyclopedia helps readers to more readily explore related topics The subject matter explored in some 250 entries includes religious

beliefs and practices rites of passage soldiers lives and experiences rural and urban life social structure of the Civil War era aristocrats landowners and slaves men s and women s roles and responsibilities holidays festivals and other celebrations tools machinery and inventions and justice and punishment Readers will come away with an understanding of many aspects of daily life during the Civil War era and gain appreciation for the vast differences between life today and 150 years ago

**The Civil War Years in Utah** John Gary Maxwell, 2016-02-29 In 1832 Joseph Smith Jr the Mormons first prophet foretold of a great war beginning in South Carolina In the combatants mutual destruction God s purposes would be served and Mormon men would rise to form a geographical political and theocratic Kingdom of God to encompass the earth Three decades later when Smith s prophecy failed with the end of the American Civil War the United States left torn but intact the Mormons perspective on the conflict and their inactivity in it required palliative revision In *The Civil War Years in Utah* the first full account of the events that occurred in Utah Territory during the Civil War John Gary Maxwell contradicts the patriotic mythology of Mormon leaders version of this dark chapter in Utah history While the Civil War spread death tragedy and sorrow across the continent Utah Territory remained virtually untouched Although the Church of Jesus Christ of Latter day Saints and its faithful proudly praise the service of an 1862 Mormon cavalry company during the Civil War Maxwell s research exposes the relatively inconsequential contribution of these Nauvoo Legion soldiers Active for a mere ninety days they patrolled overland trails and telegraph lines Furthermore Maxwell finds indisputable evidence of Southern allegiance among Mormon leaders despite their claim of staunch long standing loyalty to the Union Men at the highest levels of Mormon hierarchy were in close personal contact with Confederate operatives In seeking sovereignty Maxwell contends the Saints engaged in blatant and treasonous conflict with Union authorities the California and Nevada Volunteers and federal policies repeatedly skirting open warfare with the U S government Collective memory of this consequential period in American history Maxwell argues has been ill served by a one sided perspective This engaging and long overdue reappraisal finally fills in the gaps telling the full story of the Civil War years in Utah Territory **Defender** Quentin Thomas

Wells, 2016-11-21 *Defender* is the first and only scholarly biography of Daniel H Wells one of the important yet historically neglected leaders among the nineteenth century Mormons leaders like Heber C Kimball George Q Cannon and Jedediah M Grant An adult convert to the Mormon faith during the Mormons Nauvoo period Wells developed relationships with men at the highest levels of the church hierarchy emigrated to Utah with the Mormon pioneers and served in a series of influential posts in both church and state Wells was known especially as a military leader in both Nauvoo and Utah he led the territorial militia in four Indian conflicts and a confrontation with the US Army the Utah War But he was also the territorial attorney general and obtained title to all the land in Salt Lake City from the federal government during his tenure as the mayor of Salt Lake City He was Second Counselor to Brigham Young in the LDS Church s First Presidency and twice served as president of the Mormon European mission Among these and other accomplishments he ran businesses in lumbering coal mining

manufacturing and gas production developed roads ferries railroads and public buildings and presided over a family of seven wives and thirty seven children Wells witnessed and influenced a wide range of consequential events that shaped the culture politics and society of Utah in the latter half of the nineteenth century Using research from relevant collections sources in public records references to Wells in the Joseph Smith papers other contemporaneous journals and letters and the writings of Brigham Young Quentin Thomas Wells has created a serious and significant contribution to Mormon history scholarship

**Theater of a Separate War** Thomas W. Cutrer, 2023-04-04 Though its most famous battles were waged in the East at Antietam Gettysburg and throughout Virginia the Civil War was clearly a conflict that raged across a continent From cotton rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico the Trans Mississippi Theater was site of major clashes from the war s earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865 In this comprehensive military history of the war west of the Mississippi River Thomas W Cutrer shows that the theater s distance from events in the East does not diminish its importance to the unfolding of the larger struggle

**Historical Dictionary of the Civil War** Terry L. Jones, 2011-07-15 The Civil War was the most traumatic event in American history pitting Americans against one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the Historical Dictionary of the Civil War relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War

**The American Civil War** Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience Brigham Young

Leonard J. Arrington, 2012-06-12 Brigham Young comes to life in this superlative biography that presents him as a Mormon leader a business genius a family man a political organizer and a pioneer of the West Drawing on a vast range of sources including documents personal diaries and private correspondence Leonard J Arrington brings Young to life as a towering yet fully human figure the remarkable captain of his people and his church for thirty years who combined piety and the pursuit of power to leave an indelible stamp on Mormon society and the culture of the Western frontier From polygamy to the Mountain Meadows Massacre to the attempted preservation of Young's Great Basin Kingdom we are given a fresh understanding of the controversies that plagued Young in his contentious relations with the federal government Brigham Young draws its subject out of the marginal place in history to which the conventional wisdom has assigned him and sets him squarely in the American mainstream a figure of abiding influence in our society to this day

**West of Slavery** Kevin Waite, 2021-04-01 When American slaveholders looked west in the mid nineteenth century they saw an empire unfolding before them They pursued that vision through diplomacy migration and armed conquest By the late 1850s slaveholders and their allies had transformed the southwestern quarter of the nation California New Mexico Arizona and parts of Utah into a political client of the plantation states Across this vast swath of the map white southerners defended the institution of African American chattel slavery as well as systems of Native American bondage This surprising history uncovers the Old South in unexpected places far beyond the region's cotton fields and sugar plantations Slaveholders' western ambitions culminated in a coast to coast crisis of the Union By 1861 the rebellion in the South inspired a series of separatist movements in the Far West Even after the collapse of the Confederacy the threads connecting South and West held undermining the radical promise of Reconstruction Kevin Waite brings to light what contemporaries recognized but historians have described only in part The struggle over slavery played out on a transcontinental stage

*Special Bibliography*, 1982 *The Civil War in Books* David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1/2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume *The Civil War in Books* Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher's *The Civil War in Books* is a remarkable compendium of the best reading available about the

worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

**Lincoln Revisited** John Y. Simon, Harold Holzer, Dawn Vogel, 2009-08-25 This essay collection draws together some of the best and brightest Abraham Lincoln scholars around for a fresh and enlightening view of his life The Journal of American History More than 150 years after his death Abraham Lincoln remains the most written about figure in American history Lincoln Revisited is a brilliant gathering of fresh scholarship by the leading Lincoln historians of our time Brought together by the Lincoln Forum these scholars tackle uncharted territory and emerging questions they also take a new look at established debates including debates about their own landmark works Here key chapters in Lincoln's legacy are revisited from Matthew Pinsker on Lincoln's private life Jean Baker on religion and the Lincoln marriage Geoffrey Perret on Lincoln as leader and Frank J Williams on Lincoln and civil liberties in wartime These eighteen original essays explore every corner of Lincoln's world religion and politics slavery and sovereignty presidential leadership and the rule of law the Second Inaugural Address and the assassination In his 1956 classic Lincoln Reconsidered David Herbert Donald confronted the Lincoln myth Today the scholars in Lincoln Revisited give a new generation of students scholars and citizens the perspectives vital for understanding the constantly reinterpreted genius of Abraham Lincoln A superb collection Booklist
