Saints Scholars And Politicians:

Religion and Politics in the Middle Ages Ludger Körntgen, Dominik Waßenhoven, 2013-01-30 The increased interest in religion as a phenomenon and its various cultural contexts is encouraging a focus on the relationship between religion and politics However the political relevance of the religious and the interdependence between political and religious spheres has always been a major area of medieval research The articles in this volume consider not only the principle inseparability of both spheres as previously established by research but also the beginnings of a differentiation and relative autonomy of religion and politics within the framework of a comparison between Germany and the United Kingdom This allows the identification of restrictions within the research traditions that are due to national histories and points to ways of overcoming these restrictions

The submerged centuries. The novel. The scholar in politics. Romeo and Juliet. A true love story. Humanity to man and beast. Excess. Peculiarities of man. An injured world David Swing, 1894 *Handbook of Medieval Studies* Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together

The Scholar in Politics Richard Olney, 1896 *Gender and Political Culture in Early Modern Europe, 1400-1800* James Daybell, Svante Norrhem, 2016-07-01 *Gender and Political Culture in Early Modern Europe* investigates the gendered nature of political culture across early modern Europe by exploring the relationship between gender power and political authority and influence This collection offers a rethinking of what constituted politics and a reconsideration of how men and women operated as part of political culture It demonstrates how underlying structures could enable or constrain political action and how political power and influence could be exercised through social and cultural practices The book is divided into four parts diplomacy gifts and the politics of exchange socio economic structures gendered politics at court and voting and political representations each of which looks at a series of interrelated themes exploring the ways in which political culture is inflected by questions of gender In addition to examples drawn from across Europe including Austria the Dutch Republic the Italian States and Scandinavia the volume also takes a transnational comparative approach crossing national borders while the concluding chapter by Merry Wiesner Hanks offers a global perspective on the field and encourages comparative analysis

both chronologically and geographically As the first collection to draw together early modern gender and political culture this book is the perfect starting point for students exploring this fascinating topic *Occasional, Critical, and Political Writing* James Joyce, 2000 This is a collection of Joyce's non-fictional writing including newspaper articles reviews lectures and essays It covers 40 years of Joyce's life and maps important changes in his political and literary opinions

Representing Medieval Genders and Sexualities in Europe Dr Alison More, Dr Elizabeth L'Estrange, 2012-10-01 Transcending both academic disciplines and traditional categories of analysis this collection illustrates the ways genders and sexualities could be constructed subverted and transformed Focusing on areas such as literature hagiography history and art history from the Anglo Saxon period to the early sixteenth century the contributors examine the ways men and women lived negotiated and challenged prevailing conceptions of gender and sexual identity In particular their papers explore textual constructions and transformations of religious and secular masculinities and femininities visual subversions of gender roles gender and the exercise of power and the role sexuality plays in the creation of gender identity The methodologies which are used in this volume are relevant both to specialists of the Middle Ages and early modern periods and to scholars working more broadly in fields that draw on contemporary gender studies

Representing Medieval Genders and Sexualities in Europe Elizabeth L'Estrange, Alison More, 2011 Engaging with current academic debates over the complexities and pluralities of gender identity in the Middle Ages this volume is one of the first collections to show how the themes of gender construction subversion and transformation are applicable to a wide range of fields The methodologies used in this volume are relevant both to specialists of the Middle Ages and early modern periods and to scholars working more broadly in fields that draw on contemporary gender studies

Politics and Cultures of Islamization in Southeast Asia Georg Stauth, 2015-07-15 This book is about cultural and political figures institutions and ideas in a period of transition in two Muslim countries in Southeast Asia Malaysia and Indonesia It also addresses some of the permutations of civilizing processes in Singapore and the city state's image moving across its borders into the region and representing a miracle of modernity beyond ideas The central theme is the way in which Islam was re-constructed as an intellectual and socio-political tradition in Southeast Asia in the nineteen nineties Scholars who approach Islam both as a textual and local tradition students who take the heartlands of Islam as imaginative landscapes for cultural transformation and politicians and institutions which have been concerned with transmitting the idea of Islamization are the subjects of this inquiry into different patterns of modernity in a tropical region still bearing the signature of a colonial past

Rethinking Reform in the Latin West, 10th to Early 12th Century, 2023-09-14 This collection of studies investigates how people of the 10th to early 12th century experienced and represented processes of intentional change in the Church and what the consequences are of modern scholars' reliance on reform to describe and interpret these processes In 11 thematic chapters it takes stock of the current state of research and offers suggestions to deepen our understanding of the ideological institutional and cultural dynamics at play Contributors are

Julia Barrow Robert F Berkhofer III Gordon Blennemann Katy Cubitt Nicolangelo D Acunto Anne Marie Helv tius Ludger K
 rntgen Rutger Kramer Brigitte Meijns Diane Reilly Rachel Stone and Steven Vanderputten *Biblical Scholarship, Science
 and Politics in Early Modern England* Kevin Killeen, 2016-12-05 Kevin Killeen addresses one of the most enigmatic of
 seventeenth century writers Thomas Browne 1605 1682 whose voracious intellectual pursuits provide an unparalleled insight
 into how early modern scholarly culture understood the relations between its disciplines Browne s work encompasses biblical
 commentary historiography natural history classical philology artistic propriety and an encyclopaedic coverage of natural
 philosophy This book traces the intellectual climate in which such disparate interests could cohere locating Browne within
 the cultural and political matrices of his time While Browne is most frequently remembered for the magnificence of his prose
 and his temperamental poise qualities that knit well with the picture of a detached apolitical figure this work argues that
 Browne s significance emerges most fully in the context of contemporary battles over interpretative authority within the
 intricately linked fields of biblical exegesis scientific thought and politics Killeen s work centres on a reassessment of the
 scope and importance of Browne s most elaborate text *Pseudodoxia Epidemica* his vast encyclopaedia of error with its mazy
 series of investigations and through this explores the multivalent nature of early modern enquiry *Sermons Preached to
 the Masses* E. J. Silvertown, 1879 **Commemorating Power in Early Medieval Saxony** Sarah Greer, 2021 Commemorating
 Power looks at how the past was evoked for political purposes under a new Saxon dynasty the Ottonians who came to
 dominate post Carolingian Europe after 888 as the rulers of a new empire in Germany and Italy focusing on two convents of
 monastic women who played a significant role in Ottonian politics *Culture and Politics* NA NA, 2019-06-12 Political
 culture is one of the central but most difficult concepts in political science *Culture and Politics A Reader* explores this
 concept by compiling previously published works that focus on the core themes of political culture research Concepts and
 Applications Culture and Globalization Popular Culture Civil Society and Social Capital Social Movements and Collective
 Identity Culture and Political Change and Culture and Rationality Each section includes general and article introductions as
 well as a suggested reading list *Culture and Politics A Reader* provides a handy resource for students and teachers at both
 the graduate and under graduate level **The Irish Language in Northern Ireland** Camille C. O'Reilly, 2016-07-27 A
 topical and authoritative investigation of the Irish language and identity in Northern Ireland The phrase our own language
 has come to symbolize the importance of the Irish language to Irish identity for many Nationalists in Northern Ireland
 However different interests compete to have their version of the meaning and importance of the Irish language accepted This
 book investigates the role of the Irish language movement in the social construction of competing versions of Irish political
 and cultural identity in Northern Ireland arguing that for some Nationalists the Irish language has become an alternative
 point of political access and expression **Islam, Sufism and Everyday Politics of Belonging in South Asia** Deepra
 Dandekar, Torsten Tschacher, 2016-09-13 This book looks at the study of ideas practices and institutions in South Asian Islam

commonly identified as Sufism and how they relate to politics in South Asia While the importance of Sufism for the lives of South Asian Muslims has been repeatedly asserted the specific role played by Sufism in contestations over social and political belonging in South Asia has not yet been fully analysed Looking at examples from five countries in South Asia India Pakistan Bangladesh Sri Lanka and Afghanistan the book begins with a detailed introduction to political concerns over belonging in relation to questions concerning Sufism and Islam in South Asia This is followed with sections on Producing and Identifying Sufism Everyday and Public Forms of Belonging Sufi Belonging Local and National and Intellectual History and Narratives of Belonging Bringing together scholars from diverse disciplines the book explores the connection of Islam Sufism and the Politics of Belonging in South Asia It is an important contribution to South Asian Studies Islamic Studies and South Asian Religion

The Saturday Review of Politics, Literature, Science and Art, 1904 *Political Leadership Among Swat Pathans* Fredrik Barth, 2020-09-08 A classic and highly influential ethnography which explores political leadership among Swat Pathans and which emphasizes the importance of individual decision making for wider social processes This study describes certain aspects of the society of the Pathans of the Swat valley in the North West Frontier Province of Pakistan Except where other reference is given the material on which it is based was collected by the author in the period February November 1954

Social Attitudes and Political Structures in the Fifteenth Century Tim Thornton, 2001-02-13 This volume includes papers on political religious social and economic history and the history of ideas during the 15th century The papers challenge existing conceptions and open new avenues of discussion on longstanding debates Themes covered include parliaments and their relationships with the monarchs of the period both in Scotland and in England queens and their role in the 15th century English polity the ideas that lay behind the English claims to the French throne and the rituals of peace making in the Hundred Years War Debates over the importance of lordship and service are also touched upon in a paper which examines Lord Hastings retainers in the defence of Calais while another chapter discusses the local politics of a small Welsh marcher lordship The crucial subject of Lancastrian government finances in the 1450s also receives a fresh examination In religious history papers examine the activity of monastic propagandists and the religious life of cathedrals through the activity of fraternities based in them There are also considerations of a noble widow and of the 15th century rural economy

New Makers of Modern Culture Justin Wintle, 2016-04-22 New Makers of Modern Culture is the successor to the classic reference works *Makers of Modern Culture* and *Makers of Nineteenth Century Culture* published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred

essay style entries and covering the period from 1850 to the present New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms
