Salero Foothold In Europe:

Salerno: Foothold in Europe David Mason, 1972 **World War II in Europe** David T. Zabecki, 2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps **The Western European and Mediterranean Theaters in World War II** Donal Sexton, 2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian **Troy H. Middleton** Frank James Price, 1999-03-01 Troy H Middleton 1889 1976 was the youngest colonel in the American Expeditionary Force in France during World War I Later he served as commander of the Army s 45th Division and then the VIII Corps During World War II Middleton spent more time in combat than any other general officer General Middleton made key tactical decisions in the largest and most complex military action in which the U S Army has ever been involved the Battle of the Bulge In 1951 Louisiana State University s

board of supervisors appointed Middleton president of the university He had previously served at the school as commandant of cadets professor of military science dean and vice president While president of LSU Middleton oversaw a sustained period of growth and academic achievement Like many other university presidents in the Jim Crow era throughout his tenure at LSU he also staunchly upheld his institution's deeply racist segregationist policies In this thoroughly researched biography Frank James Price tells Middleton's life story from his boyhood plantation days in Copiah County Mississippi to his public service achievements after his retirement as president of Louisiana State University in 1962 In much of the book the author through taped interviews allows Middleton to tell his own story In researching the book Price interviewed and corresponded with General Dwight D Eisenhower General Omar Bradley and other personal acquaintances of General Middleton

The Day of Battle Rick Atkinson, 2007-10-02 NEW YORK TIMES BESTSELLER In the second volume of his epic trilogy about the liberation of Europe in World War II Pulitzer Prize winner Rick Atkinson tells the harrowing story of the campaigns in Sicily and Italy In *An Army at Dawn* winner of the Pulitzer Prize Rick Atkinson provided a dramatic and authoritative history of the Allied triumph in North Africa Now in *The Day of Battle* he follows the strengthening American and British armies as they invade Sicily in July 1943 and then mile by bloody mile fight their way north toward Rome The Italian campaign's outcome was never certain in fact Roosevelt Churchill and their military advisers engaged in heated debate about whether an invasion of the so called soft underbelly of Europe was even a good idea But once under way the commitment to liberate Italy from the Nazis never wavered despite the agonizingly high price The battles at Salerno Anzio and Monte Cassino were particularly difficult and lethal yet as the months passed the Allied forces continued to drive the Germans up the Italian peninsula Led by Lieutenant General Mark Clark one of the war's most complex and controversial commanders American officers and soldiers became increasingly determined and proficient And with the liberation of Rome in June 1944 ultimate victory at last began to seem inevitable Drawing on a wide array of primary source material written with great drama and flair this is narrative history of the first rank With *The Day of Battle* Atkinson has once again given us the definitive account of one of history's most compelling military campaigns

Naval Eyewitnesses James Goult, 2022-11-04 Goult tells the story from the perspective of the ordinary sailor or officer who was there The Northern Mariner Although many books have been written about naval actions during the Second World War histories and memoirs in particular few books have attempted to encompass the extraordinary variety of the experience of the war at sea That is why James Goult's vivid survey is of such value Sailors in the Royal Navy and the Merchant Navy experienced a war fought on a massive scale on every ocean of the world in a diverse range of vessels from battleships aircraft carriers and submarines to merchant ships and fishing boats Their recollections are as varied as the ships they served in and they take the reader through the entire maritime war as it was perceived at the time by those who had direct personal knowledge of it Throughout the book the emphasis is on the experience of individuals their recruitment and training their expectations and the reality

they encountered on active service in many different offensive and defensive roles including convoy duty and coastal defence amphibious operations hunting U boats and surface raiders mine sweeping and manning landing and rescue craft A particularly graphic section describes in the words of the sailors themselves what action against the enemy felt like and the impact of casualties seamen who were wounded or killed on board or were lost when their ships sank A fascinating inside view of the maritime warfare emerges which may be less heroic than the image created by some post war accounts but it gives readers today a much more realistic impression of the whole gamut of wartime life at sea
