A Piece of My Mind Nancy J. Eshelman,2007-10-08 Plenty of people have come up to me over the years and said You ought to write a book My response has always been to ask them to imagine they are a hairdresser All day they work in a salon cutting hair coloring hair styling hair Now I ask When you go home at night do you want to cut hair color hair and style hair The last thing I wanted to do after a long day in the newsroom was construct sentences edit paragraphs and compile a manuscript Then one day I had an awakening All those words I had been stringing together in columns in The Patriot News since 1989 were just hanging around in a computer library A few were clipped from newspapers and shoved in people's drawers Some dangled from magnets on refrigerators Why not gather a bunch of them together and create a book And so this work began taking shape What I have gathered here are columns written over the years about the joys and sorrows that come from caring about someone and about the changes I've observed as I've passed from child to adult from daughter to mother to grandmother **Deception on His Mind** Elizabeth George,2009-03-24 NEW YORK TIMES BESTSELLER One of
