Salome Her Life And Work:

Salomé, Her Life and Work Angela Livingstone, 1984 Born in 1861 in Russia Lou Andreas Salome is best known for the famous company she kept But as this book reveals her relationships with Nietzsche Rilke and Freud were complex and she had profound influences on each of them This biography brings us up close to her writing as well as to her life and meeting with Tolstoy Wagner and other remarkable men It explores in depth her relationship with Nietzsche who saw in her a natural heir to his philosophy Only since knowing her I was ripe for my Zarathustra he wrote Salome's marriage was to last for 45 years yet never be consummated She had her first love affair at age 36 with a twenty one year old Rilke He wrote through the relentless force of your words my work become consecrated At fifty Salome met Freud and studied under him for two years Freud had a special admiration for Lou Andreas Salome wrote Ernest Jones She spent the rest of her life as a psychoanalyst her friendship with Freud was to last until her death in 1937

Women in the Works of Lou

Andreas-Salomé Muriel Cormican, 2009 Comprehensive view of Andreas Salome's fictional works focusing on her depictions of women and questions of narrative and identity The writer and intellectual Lou Andreas Salome 1861-1937 fascinates scholars of German literature because of her associations with Nietzsche Rilke and Freud and because she was active in the cultural and intellectual vanguard of late 19th and early 20th century Germany and Austria Recent editions of her fictional works have garnered wider attention from scholars of literature and theory particularly those interested in women's studies identity politics and narrative theory This study analyzes how Andreas Salome depicted women in her fictional works just as feminism was emerging revealing a complex engagement with questions of narrative and identity More than mere thematic explorations of women's changing roles in society her works investigate the concept of identity and its relationship to gender sexuality and narrative representation She is as concerned with a cultural crisis of femininity and masculinity as with the identity crises of her individual women characters This book offers the best account of Andreas Salome's literary works de-emphasizing biographical and psychoanalytical perspectives but taking into account the sociopolitical historical and cultural contexts in which they were written It also adds to contemporary theoretical discourses on gender feminism and identity Muriel Cormican is Professor of German at the University of West Georgia Carrollton Georgia

transcendence and or Divinity **The Love Lives of the Artists** Daniel Bullen,2013-02-12 As the oldest of institutions marriage seems outdated in modern times when each individual is encouraged to break with tradition in order to fulfill him or herself And so artists like Diego Rivera and Frida Kahlo seem to be paving the way toward a brave new kind of marriage where spouses would be allowed even encouraged to fulfill different aspects of themselves in outside relationships Shared creativity they believed would transcend their jealousies and compensate their sufferings through art they would rise above conventional marital fidelity and prove a higher fidelity to art and to themselves The Love Lives of the Artists tells the stories of Rainer Maria Rilke and Lou Andreas Salom Alfred Stieglitz and Georgia O Keeffe Jean Paul Sartre and Simone de Beauvoir Diego and Frida and Henry Miller and Ana s Nin five couples who approached their relationships with the same rebellious creativity as they practiced in their art From their early artistic development and their first experiences in love to their artistic marriages and their affairs and then to their fights and reconciliations addictions nervous breakdowns and continued creativity The Love Lives of the Artists describes the promise and the price of freedom and creativity in love Nietzsche Lou Andreas-Salomé,2001 This English translation of Friedrich Nietzsche in seinen Werken offers a rare intimate view of the philosopher by Lou Salom a free thinking Russian born intellectual to whom Nietzsche proposed marriage at only their second meeting Published in 1894 as its subject languished in madness Salom s book rode the crest of a surge of interest in Nietzsche s iconoclastic philosophy She discusses his writings and such biographical events as his break with Wagner attempting to ferret out the man in the midst of his works Salom s provocative conclusion that Nietzsche s madness was the inevitable result of his philosophical views generated considerable controversy Nietzsche s sister Elisabeth F rster Nietzsche dismissed the book as a work of fantasy Yet the philosopher s longtime acquaintance Erwin Rohde wrote Nothing better or more deeply experienced or perceived has ever been written about Nietzsche Siegfried Mandel s extensive introduction examines the circumstances that brought Lou Salom and Nietzsche together and the ideological conflicts that drove them apart *Fire & Fiction* Anne Sophie Riepma,2021-10-18 Augusta Jane Evans a nineteenth century writer from the American South produced bestsellers in the genre of the domestic novel popular between the 1820s and 1880s Evans was particularly good in creating strong and independent heroines She is best known for her blockbuster St Elmo 1866 featuring the love story of Edna Earl and the passionate St Elmo Murray In Fire and Fiction Augusta Jane Evans in Context Anne Sophie Riepma reconstructs the literary cultural religious social and historical contexts of Evans s work She explores the author s relation to her times and focuses on the way her novels reflect and address the cultural experiences of Southern women Riepma pays particular attention to topics such as the ideology of domesticity domestic fiction the concept of woman s sphere women s role in society middle class culture education and employment for women religion reform political developments and the Confederate War *1910* Thomas Harrison,2023-04-28 The year 1910 marks an astonishing and largely unrecognized juncture in Western history In this perceptive interdisciplinary analysis Thomas Harrison addresses the

extraordinary intellectual achievement of the time Focusing on the cultural climate of Middle Europe and paying particular attention to the life and work of Carlo Michelstaedter he deftly portrays the reciprocal implications of different discourses philosophy literature sociology music and painting His beautifully balanced and deeply informed study provides a new wider and more ambitious definition of expressionism and shows the significance of this movement in shaping the artistic and intellectual mood of the age 1910 probes the recurrent themes and obsessions in the work of intellectuals as diverse as Egon Schiele Georg Trakl Vasily Kandinsky Georg Lukács Georg Simmel Dino Campana and Arnold Schoenberg Together with Michelstaedter who committed suicide in 1910 at the age of 23 these thinkers shared the essential concerns of expressionism a sense of irresolvable conflict in human existence the philosophical status of death and a quest for the nature of human subjectivity Expressionism Harrison argues provocatively was a last desperate attempt by the intelligentsia to defend some of the most venerable assumptions of European culture This ideological desperation he claims was more than a spiritual prelude to World War I it was an unheeded prophetic critique This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996 The year 1910 marks an astonishing and largely unrecognized juncture in Western history In this perceptive interdisciplinary analysis Thomas Harrison addresses the extraordinary intellectual achievement of the time Focusing on the cultural climate of *Medieval Religious Women in the Low Countries* Wybren Scheepersma, 2004 A case study of the Chapter of Windesheim and the texts produced there illuminates the female spiritual experience of the Modern Devotion a northern European movement of the late fourteenth century
