Rowan,2004-11 With over 100 colour photographs Folk Furniture of Canada s Doukhobors Hutterites Mennonites and Ukrainians offers a stunning visual record of the culture and values of these four ethno cultural groups Authors John Fleming and Michael Rowan take an interpretive approach to the importance of folk furniture and its intimate ties to people s values and beliefs Photographer James Chambers beautifully captures both representative and exceptional artifacts from large furniture items such as storage chests benches cradles and tables to small kitchen items including spoons breadboxes and cookie cutters **Canadian Multiculturalism and the Far Right**

Bàrbara Molas,2022-08-22 Canadian Multiculturalism and the Far Right examines a neglected aspect of the history of 20th century Canadian multiculturalism and the far right to illuminate the ideological foundations of the concept of third force Focusing on the particular thought of ultra conservative Ukrainian Canadian Walter J Bossy during his time in Montreal 1931 1970s this book demonstrates that the idea that Canada was composed of three equally important groups emerged from a context defined by reactionary ideas on ethnic diversity and integration Two broad questions shape this research first what the meaning originally attached to the idea of a third force was and what the intentions behind the conceptualization of a trichotomic Canada were and second whether Bossy s understanding of the third force precedes or is related in any way to postwar debates on liberal multiculturalism at the core of which was the existence of a third force This book will be of interest to students and researchers of multiculturalism radical right ideology and the far right and Canadian history and politics **Diversity and Aging Among Immigrant Seniors in Canada** Douglas Durst,Michael MacLean,2010-01-01

Historically Canada has been a nation of immigrants with 16 20% of its citizens being foreign born Most immigrant research addresses the issues of integration and adjustment of young and adult immigrants with little work on aging There are numerous books on immigrants and books on aging but there are few that have considered the topics of both diversity and aging Diversity and Aging among Immigrant Seniors in Canada breaks from that tradition and offers an eclectic collection of original research from among Canada s leading researchers on aging and immigrants Some researchers refer to this emerging field as Ethno gerontology There are two interesting groups of immigrant seniors those who entered Canada at over 65 years of age and those who aged in Canada Most Canadians are surprised to learn that the senior population of seniors has a higher percentage of immigrants 19 6% than the general population 13 7% As Canadians age the country s composition of immigrant seniors has also changed from mainly European to greater cultural and ethnic diversity from Africa and Asia This cultural and ethnic diversity has social health economic policy implications and impacts on programs and services delivered to seniors Diversity and Aging among Immigrant Seniors in Canada is divided into two main sections In Part 1 the chapters explore general and universal issues such as national trends and demographics theoretical orientations

issues of culture and legal dimensions poverty and income and end of life care In Part 2 the chapters examine issues pertaining to specific ethnic groups For example there are chapters on the social well being of Chinese immigrants determinants of mental health for Iranian seniors family dynamics for aging Haitian elders and emerging issues for Punjabi families Diversity and Aging among Immigrant Seniors in Canada offers both breadth and depth to the topic of aging among immigrants and is a must read for social work and health care professionals students in health and social services policy and program planners and families of aging immigrants It is written in a language that crosses disciplines shedding professional jargon making it an informative and engaging read for professionals researchers and the general public

Hromada: The Changing Ukrainian Community in Saskatchewan Alan B. Anderson, 2025-08-25 The story of any immigrant community at its core depicts the changing meaning of home and identity the home and identity you leave behind those which you build on new shores in new places in new ways How any change to that home and identity changes the children who grow up into it how in a very real way each new generation is built from the foundation of the home and identity the previous generation laid down This story is about Ukrainian Canadians who first settled in large often robust communities in Saskatchewan beginning in the late 1890s How has the Ukrainian community hromada in Ukrainian in Saskatchewan been changing with each generation since the arrival of the first settlers This book describes what became of those first arrivals How did their birthplace shape them Where did they settle and how How were the relationships between different communities and ethnic groups in Ukraine translated on the other side of the Atlantic Even after growing into their new home these communities faced massive rural depopulation that would impact subsequent generations and those home communities We follow in their footsteps tracing the new challenges they faced in cities and how they would understand and maintain their cultural identity today Since 2022 the arrival in Saskatchewan of thousands of individuals and families displaced by Russia's full scale invasion of Ukraine has proven challenging but has been supported by the existing strong Ukrainian Canadian community here

Baba's Kitchen Medicines Michael Mucz, 2022-08-29 Michael Mucz's prolonged primary research into Ukrainian Canadian folk history culminates in Baba's Kitchen Medicines This book bursts with the cultural memory of pioneering folk from Canada's prairieland From fever to frostbite this incomparable compendium of tinctures poultices salves decoctions infusions plasters and tonics will fascinate and often mortify readers from all walks of life The comprehensiveness of Mucz's research and interviews framed with deftly painted historical cultural and botanical backgrounds guarantee that this chapter of the Canadian story will continue to be told for generations to come It is a deep charming and often moving work of intricate anthropology that will stir scholar and non specialist alike

Perogies and Politics Rhonda L. Hinthier, 2018-01-01 In Perogies and Politics Rhonda Hinthier explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist

Leninism resulted in one of the most dynamic national working class movements Canada has ever known The Ukrainian left's success lay in its ability to meet the needs of and speak in meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinch's colourful and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces *Home-work* Cynthia Conchita Sugars, 2004-06-22 Canadian literature and specifically the teaching of Canadian literature has emerged from a colonial duty to a nationalist enterprise and into the current territory of postcolonialism From practical discussions related to specific texts to more theoretical discussions about pedagogical practice regarding issues of nationalism and identity Home Work constitutes a major investigation and reassessment of the influence of postcolonial theory on Canadian literary pedagogy from some of the top scholars in the field **The Literary History of Alberta Volume Two** George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One From Writing on Stone to World War Two* George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day It is a vital text for anyone interested in Alberta's vibrant literary culture **Canadian Ethnic Studies**, 1986 **Look and Feel** Harlan Walker, 1994 Prospect Books 1994 *Committing Theatre* Alan Filewod, 2011-09-26 *Trailblazers of Ukrainian Emigration to Canada* Marshall A. Nay, 1997 Wasyl Eleniak and Ivan Pylypow were both born in 1859 in Nebyliw in the district of Kalush Stanyslaviv region now called Ivano Frankivsk region province of Galicia Austro Hungary Wasyl's parents were Stefan Eleniak and Eudokia Stefura Ivan's parents were Hawrylo Pylypow and Maria Kulka Wasyl and Ivan with their families eventually settled in the Edna Star region of Alberta **Unsettled Remains** Cynthia Sugars, Gerry Turcotte, 2010-08-27 *Unsettled Remains Canadian Literature and the Postcolonial Gothic* examines how Canadian writers have combined a postcolonial awareness with gothic metaphors of monstrosity and haunting in their response to Canadian history The essays gathered here range from treatments of early postcolonial gothic expression in Canadian literature to attempts to define a Canadian postcolonial gothic mode Many of these texts wrestle with Canada's colonial past and with the voices and histories that were repressed in the push for national consolidation but emerge now as uncanny reminders of that

contentious history The haunting effect can be unsettling and enabling at the same time In recent years many Canadian authors have turned to the gothic to challenge dominant literary political and social narratives In Canadian literature the postcolonial gothic has been put to multiple uses above all to figure experiences of ambivalence that have emerged from a colonial context and persisted into the present As these essays demonstrate formulations of a Canadian postcolonial gothic differ radically from one another depending on the social and cultural positioning of who is positing it Given the preponderance in colonial discourse of accounts that demonize otherness it is not surprising that many minority writers have avoided gothic metaphors In recent years however minority authors have shown an interest in the gothic signalling an emerging critical discourse This spectral turn sees minority writers reversing long standing characterizations of their identity as monstrous or invisible in order to show their connections to and disconnection from stories of the nation
