The Ignorance of Shakespeare John Doherty, 2012 Did William Shakespeare write the plays usually attributed to him or was he an imposter Many claims have been advanced supporting rival authors based to a large extent on Shakespeare s presumed ignorance and inability but no one has ever succeeded in proving beyond doubt that their candidate was the real writer Nor it must be said has anybody proved conclusively the case for Shakespeare His name however appears on the title pages of every edition of the plays published over the last three hundred years or so This should be a strong point in his favour but his opponents claim it can be explained away as part of the imposture Those supporting alternative authors do best when they show that their proteges had the education and access to sources necessary to write the plays Can the same be said for William

Shakespeare The Ignorance of Shakespeare does not attempt to answer all rival claims in detail a project that would require several volumes Rather it aims to show that it is far more likely than not that Shakespeare was well educated and had access to the reference books and source books required to write the plays [http SBPRA com](http://SBPRA.com) JohnDohert **The Afterlife of Shakespeare's Sonnets** Jane Kingsley-Smith,2019-08-29 An original account of the reception and influence of Shakespeare s Sonnets in his own time and in later literary history Shakespeare Truth and Tradition John Semple Smart,William Macneile Dixon,1928 The Oxford Handbook of Shakespeare Arthur F.
