

Shakespeare's Universe of Discourse: Language-Games in the Comedies

Elam, Keir

Note: This is not the actual book cover

Shakespeares Universe Of Discourse Language Games In The Comedies

P. Murray

Shakespeare's Universe Of Discourse Language Games In The Comedies:

Shakespeare's Universe of Discourse Keir Elam, 1984-06-21 This book makes ample use of approaches to language within linguistics semiotics the philosophy of language and sociology in order to do justice to the subtlety of Shakespeare's verbal artistry Keir Elam adopts a fresh approach to the language of Shakespeare's comedies considering it not simply as style but as the principal dramatic and comic substance of the plays Traditional analysis of the language as diction expression or verbal structure is not adequate to describe the range and importance of linguistic functions in these plays This book shows that in Shakespearean comedy language or rather discourse language in use is always a dynamic active protagonist of the drama The author explores the extraordinary gamut of verbal activities or language games that contribute to the rich rhetorical make up of the comedies The historical framework complements the application of critical theory which will assure a readership among students and teachers of Shakespeare as well as those interested in linguistics and semiotics

Shakespeare's Universe of Discourse Keir Elam, 1989 *The Cambridge Companion to Shakespearean Comedy* Alexander Leggatt, 2002 An accessible wide ranging and informed introduction to Shakespeare's comedies dark comedies and romances first published in 2001 **Speech and Performance in Shakespeare's Sonnets and Plays** David Schalkwyk, 2002-10-17 David Schalkwyk offers a sustained reading of Shakespeare's sonnets in relation to his plays He argues that the language of the sonnets is primarily performative rather than descriptive In a wide ranging analysis of both the 1609 quarto of Shakespeare's sonnets and the Petrarchan discourses in a selection of plays Schalkwyk addresses such issues as embodiment and silencing interiority and theatricality inequalities of power status gender and desire both in the published poems and on the stage and in the context of the early modern period *Shakespeare's Irrational Endings* D. Margolies, 2012-07-24 Problem Plays has been an awkward category for those Shakespeare plays that don't fit the conventional groupings Expanding from the traditional three plays to six the book argues that they share dramatic structures designed intentionally by Shakespeare to disturb his audience by frustrating their expectations *Shakespeare's Imagined Persons* P. Murray, 1996-05-10 Challenging our understanding of ideas about psychology in Shakespeare's time Shakespeare's Imagined Persons proposes we should view his characters as imagined persons A new reading of B F Skinner's radical behaviourism brings out how contrary to the impression he created Skinner ascribes an important role in human behaviour to cognitive activity Using this analysis Peter Murray demonstrates the consistency of radical behaviourism with the psychology of character formation and acting in writers from Plato to Shakespeare an approach little explored in the current debates about subjectivity in Elizabethan culture Murray also shows that radical behaviourism can explain the phenomena observed in modern studies of acting and social role playing Drawing on these analyses of earlier and modern psychology Murray goes on to reveal the dynamics of Shakespeare's characterizations of Hamlet Prince Hal Rosalind and Perdita in a fascinating new light **Error in Shakespeare** Alice Leonard, 2020-01-27 The traditional view of Shakespeare's mastery of

the English language is alive and well today This is an effect of the eighteenth century canonisation of his works and subsequently Shakespeare has come to be perceived as the owner of the vernacular These entrenched attitudes prevent us from seeing the actual substance of the text and the various types of error that it contains and even constitute it This book argues that we need to attend to error to interpret Shakespeare s disputed material text political dramatic interventions and famous literariness The consequences of ignoring error are especially significant in the study of Shakespeare as he mobilises the rebellious marginal and digressive potential of error in the creation of literary drama

Multilingualism in the Drama of Shakespeare and his Contemporaries Dirk Delabastita, Ton Hoenselaars, 2015-06-24 No literary tradition in early modern Europe was as obsessed with the interaction between the native tongue and its dialectal variants or with foreign languages and the phenomenon of translation as English Renaissance drama Originally published as a themed issue of English Text Construction 6 1 2013 this carefully balanced collection of essays now enhanced with a new Afterword decisively demonstrates that Shakespeare and his colleagues were far more than just English authors and that their very Englishness can only be properly understood in a broader international and multilingual context Showing a healthy disrespect for customary disciplinary borderlines Multilingualism in the Drama of Shakespeare and his Contemporaries brings together a wide range of scholarly traditions and vastly different types of expertise While several papers venture into previously uncharted territory others critically revisit some of the loci classici of early modern theatrical multilingualism such as Shakespeare s Henry V

Shakespeare's Comic Commonwealths Camille Wells Slight, 1993-01-01 Challenging the traditional view that Shakespeare s early comedies are about the experience of romantic love and constitute a genre called romantic comedy Camille Wells Slight demonstrates that they dramatize individual action in the context of social dynamics reflecting and commenting on the culture in which they originated Shakespeare s Comic Commonwealths sheds new light on ten Shakespearean comedies The Comedy of Errors The Taming of the Shrew The Two Gentlemen of Verona Love s Labor s Lost A Midsummer Night s Dream The Merchant of Venice The Merry Wives of Windsor Much Ado about Nothing As You Like It and Twelfth Night In a diversity of comic forms from rollicking farce to tragicomedy these plays offer varying perspectives on the forces that make and mar human communities Dramatizing tensions between savagery and civilization autonomy and dependence and isolation and community Shakespeare s comedies both reflect and comment on the society that produces them Slight eschews viewing these comedies as endorsements of the prevailing ideologies of sixteenth century England or as subversions of that hierarchical patriarchal culture They can be most fruitfully understood as imaginative forms that present cultural practices institutions and beliefs as human constructions susceptible to critical scrutiny While exposing the injustice and brutality as well as the assurances and satisfactions of social experiences Shakespeare s comedies represent people as inescapably social beings By combining historical scholarship with formal analysis and incorporating insights from social anthropology and feminist theory Shakespeare s Comic Commonwealths

offers new readings of Shakespeare's early comedies and analyses the interaction between the plays and the social structures and processes of early modern England Harrying Harry Berger, 2015-09-01 Harrying considers Richard III and the four plays of Shakespeare's Henriad Richard II Henry IV Part 1 Henry IV Part 2 and Henry V Berger combines close reading with cultural analysis to show how the language characters speak always says more than the speakers mean to say Shakespeare's speakers try to say one thing Their language says other things that often question the speakers motives or intentions Harrying explores the effect of this linguistic mischief on the representation of all the Henriad's major figures It centers attention on the portrayal of Falstaff and on the bad faith that darkens the language and performance of Harry the Prince of Wales who becomes King Henry V

This is likewise one of the factors by obtaining the soft documents of this **Shakespeares Universe Of Discourse Language Games In The Comedies** by online. You might not require more grow old to spend to go to the ebook instigation as with ease as search for them.
