Shakespearian Tempest G Wilson Knight

**Alden T. Vaughan, Virginia Mason
Vaughan**

Shakespearian Tempest G Wilson Knight:

The Shakespearian Tempest G. Wilson Knight, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company

The Shakespearian Tempest G Wilson Knight, 2023-07-18 G Wilson Knight's study of Shakespeare's *The Tempest* is a classic work of literary criticism that explores the play's themes of power, betrayal, and redemption. Knight argues that *The Tempest* is a deeply philosophical work that has much to teach us about the human condition. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Shakespeare's Caliban Alden T. Vaughan, Virginia Mason Vaughan, 1991 Shakespeare's *Caliban* examines *The Tempest*'s savage and deformed slave as a fascinating but ambiguous literary creation with a remarkably diverse history. The authors, one a historian and the other a Shakespearean, explore the cultural background of *Caliban*'s creation in 1611 and his disparate metamorphoses to the present time.

Shakespiritualism J. Kahan, 2013-02-27 This study concerns itself with a now forgotten religious group, Spiritualists, and how their ensuing discussions of Shakespeare's meaning, his writing practices, his possible collaborations, and the supposed purity and/or corruption of his texts anticipated, accompanied, or silhouetted similar debates in Shakespeare Studies.

[Shakespeare's Fascist Followers](#) Richard Wilson, 2025-08-21 Richard Wilson's meticulously researched, powerfully argued, and brilliantly written account of Shakespeare's 20th-century fascist followers is not just an important but a genuinely essential book. Robert Shaughnessy, Guildford School of Acting, UK. In this illuminating book, Richard Wilson demonstrates how, in the 20th century, Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author. Wilson argues that the version of Shakespeare this caricature produced—authoritarian, jingoistic, racially intolerant, misogynistic—was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America, while noting striking cases of the same bias in Germany and France. Some of the names this book focuses on will surprise many of the right-wing political views or leanings of the prominent figures discussed have been left unexplored or ignored. From A. K. Chesterton, who was both editor of the British Union of Fascists newspaper *Blackshirt* and former manager of press and publicity at the Shakespeare Memorial Theatre, to celebrated Shakespeareans such as G. Wilson Knight and writers, artists, and theatre practitioners including W. B. Yeats, T. S. Eliot, Edward Gordon Craig, and Marshall McLuhan. At a time when democracy is under threat, populism is on the rise, and far-right views are increasingly prominent in our political discourse, Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship.

[Shakespeare: A Midsummer](#)

Night's Dream Nicolas Tredell, 2010-05-06 A stimulating and comprehensive critical survey of the responses to A Midsummer Night's Dream as well as the key debates and developments from the seventeenth century to the present day Leading the reader through material chronologically the Guide explores the main themes and interpretations and draws on a rich range of critical writings

The Other Virgil Craig Kallendorf, 2007-10-18 The story of how the Aeneid has been approached by various postclassical authors including Shakespeare and Milton not as an endorsement of the ideals of their societies but as a model for poems that probed and challenged dominant values just as Virgil himself had done centuries before

Shakespeare R A Foakes, 2013-10-11 First published in 1971 This volume explains and analyses the last plays of Shakespeare as dramatic structures Beginning from the dark comedies the author describes the ways in which Shakespeare was affected by the new techniques and possibilities for drama opened up by the innovations of the years after 1600 notably by the rise in children's companies The main line of development of Shakespeare's dramatic skills is shown as leading from the dark comedies through the late tragedies to the last plays A major part of the book is devoted to analyses of Cymbeline The Winter's Tale The Tempest and King Henry VIII

Pedagogic Criticism Ben Knights, 2017-07-01 This book argues that the history of English Studies is embedded in its classroom practice and its practice in its history Some of its foundational struggles are still being lived out today English is characterized as a boundary subject active in dialogue across a number of imagined borders especially those between academic and non specialized readerships While the subject discipline maintains strong pedagogic principles many of its principles and values are obscure or even invisible to students and potential students The book cross fertilizes the study of English as a subject with the analysis of selected literary texts read as pedagogic parables It concludes with a call for a return to the subject's pedagogic roots

Criticism and Literary Theory 1890 to the Present Chris Baldick, 2014-06-11 Presents a coherent and accessible historical account of the major phases of British and American Twentieth century criticism from decadent aestheticism to feminist deconstructionist and post colonial theories Special attention is given to new perspectives on Shakesporean criticism theories of the novel and models of the literary canon The book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as T S Eliot and F R Leavis to minor but fascinating figures and critical schools Unlike most guides to modern literary theory its focus is firmly on developments within the English speaking world
