The Israeli-American Connection Michael Brown, 2018-02-05 An examination of the ways in which the American experience influenced some of the major Jewish leaders during and between the world wars The Israeli American Connection examines the ways in which the American experience influenced some of the major leaders of the yishuv the Jewish settlement in Palestine during and between the world wars In six biographical chapters Michael Brown studies Vladimir Jabotinsky Chaim Nahman Bialik Berl Katznelson Henrietta Szold Golda Meir and David Ben Gurion focusing on each leader's involvement with and image of America as well as the impact of America on their lives and careers **Shalom Golda** Terry Morris, 1971

The Ransom of the Jews Radu Ioanid, 2021-06-23 After 1948 the 370 000 Jews of Romania who survived the Holocaust became one of the main sources of immigration for the new state of Israel as almost all left their homeland to settle in Palestine and Israel Romania's decision to allow its Jews to leave was baldly practical Israel paid for them and Romania wanted influence in the Middle East For its part Israel was rescuing a community threatened by economic and cultural extinction and at the same time strengthening itself with a massive infusion of new immigrants Radu Ioanid traces the secret history of the longest and most expensive ransom arrangement in recent times a hidden exchange that lasted until the fall of the Communist regime Including a wealth of recently declassified documents from the archives of the Romanian secret police this updated edition follows Israel's long and expensive ransom arrangement with Communist Romania Ioanid uncovers the elaborate mechanisms that made it successful for decades the shadowy figures responsible and the secret channels of communication and payment As suspenseful as a Cold War thriller his book tells the full startling story of an unprecedented slave trade

Hear Her Voice! Miriam P. Feinberg, Miriam Klein Shapiro, 2006 The authors present the lives of biblical Jewish leaders like Queen Esther and the Prophetess Deborah as well as modern unique personalities like Supreme Court Justice Ruth Bader Ginsburg and Prime Minister Golda Meir At the end of each biography is a section describing what young readers can do to understand the contribution made by these famous people as well as a detailed bibliography of where to find additional information about each woman

Wisdom Caroline Stoessinger, 2012-03-20 The subject of the Academy Award winning documentary The Lady in Number 6 Music Saved My Life Alice Herz Sommer was the world's oldest Holocaust survivor when she died on February 23 2014 A Century of Wisdom is the true story of her life an inspiring story of resilience and the power of optimism Before her death at 110 the pianist Alice Herz Sommer was an eyewitness to the entire last century and the first decade of this one She had seen it all surviving the Theresienstadt concentration camp attending the trial of Adolf Eichmann in Jerusalem and along the way coming into contact with some of the most fascinating historical figures of our time As a child in Prague she spent weekends

and holidays in the company of Franz Kafka whom she knew as Uncle Franz and Gustav Mahler Sigmund Freud and Rainer Maria Rilke were friendly with her mother When Alice moved to Israel after the war Golda Meir attended her house concerts as did Arthur Rubinstein Leonard Bernstein and Isaac Stern Until the end of her life Alice who lived in London practiced piano for hours every day Despite her imprisonment in Theresienstadt and the murders of her mother husband and friends by the Nazis and much later the premature death of her son Alice was victorious in her ability to live a life without bitterness She credited music as the key to her survival as well as her ability to acknowledge the humanity in each person even her enemies A Century of Wisdom is the remarkable and inspiring story of one woman's lifelong determination in the face of some of the worst evils known to man to find goodness in life It is a testament to the bonds of friendship the power of music and the importance of leading a life of material simplicity intellectual curiosity and never ending optimism Praise for A Century of Wisdom An instruction manual for a life well lived The Wall Street Journal As if her 108 years of experience alone were not enough to coax you there is the overarching fact that draws people to Herz Sommer's story She survived the Theresienstadt concentration camp and is believed to be the oldest living Holocaust survivor The Washington Post I have rarely read a Holocaust survivor's memoir as enriching and meaningful Get Caroline Stoessinger's book A Century of Wisdom telling Alice Herz Sommer's tale of her struggles and triumphs You will feel rewarded Elie Wiesel A Century of Wisdom is a stately and elegant book about an artist who found deliverance in her passion for music Caroline Stoessinger writes with a special purity as though she were arranging pearls on a string of silk Pat Conroy As one of millions who fell in love on YouTube with Alice Herz Sommer a 108 year old Holocaust survivor who plays the piano and greets each day with no hint of bitterness I'm grateful to Caroline Stoessinger for writing a book that explains this mystery You will be inspired by the story of Alice Herz Sommer who lives to teach us Gloria Steinem I walked on the cobblestones in Prague for thirty years wondering who might have walked on them before me Kafka Freud Mahler It feels like a miracle to have encountered in Caroline Stoessinger's wonderful book Alice Herz Sommer who walked with them all with a heart full of music Peter Sis A Century of Wisdom is universal and will enrich readers for generations to come Itzhak Perlman *Well-Dressed Role Models* Gale Eaton, 2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty four books juvenile biographies histories and collected biographies for trends in both content and rhetoric Well Dressed Role Models The Portrayal of Women in Biographies for Children then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all

the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study **Multicultural Women's Sourcebook** Martha Cotera,1982 [The Courage for Civil Repair](#) Carlo
