Holland, 2020 Caroline Bancroft History Prize 2021 Denver Public Library Armitage Jameson Prize 2021 Coalition of Western Women's History David J Weber Prize 2021 Western History Association W Turrentine Jackson Prize 2021 Western History Association Tiny You tells the story of one of the most successful political movements of the twentieth century the grassroots campaign against legalized abortion While Americans have rapidly changed their minds about sex education pornography arts funding gay teachers and ultimately gay marriage opposition to legalized abortion has only grown As other socially conservative movements have lost young activists the pro life movement has successfully recruited more young people to its cause Jennifer L Holland explores why abortion dominates conservative politics like no other cultural issue Looking at anti abortion movements in four western states since the 1960s turning to the fetal pins passed around church services the graphic images exchanged between friends and the fetus dolls given to children in school she argues that activists made fetal life feel personal to many Americans Pro life activists persuaded people to see themselves in the pins images and dolls they held in their hands and made the fight against abortion the primary bread and butter issue for social conservatives Holland ultimately demonstrates that the success of the pro life movement lies in the borrowed logic and emotional power of leftist activism **Forthcoming Books** Rose Army, 1994-04 **Should I Have this Baby?** Carl Jones, 1996 Should I Have This Baby the first book to give step by step advice about an unexpected and possibly

unwanted pregnancy is for every woman girl family member friend social worker and counselor who is confronted with unexpected pregnancy In clear simple easy to follow language renowned childbirth expert Carl Jones provides guidance on the following the choices in the first second and third trimester what to do if carrying a special needs child how to handle a pregnancy that occurs from contraceptive failure the pros and cons of adoption and abortion and how to heal the grief that often follows either one the diagnostic procedures used to determine whether a pregnancy is normal resources for every woman regardless of her choice and much more Should I Have This Baby is an important book that will help readers come up with the best answers to some crucial questions that will affect the rest of their lives **Collective Insecurity** Ikechi

Mgbeoji, 2011-11-01 Africa's notorious civil wars and seemingly endless conflicts constitute one of the most intractable threats to global peace and security in the post Cold War era This book provides both a superb analysis of the historical dysfunction of the post colonial African state generally and more specifically a probing critique of the crisis that resulted in the tragic collapse of Liberia Using a historical deconstruction and reconstruction of the theories and practice of international law and politics Ikechi Mgbeoji ultimately shows that blame for this endless cycle of violence must be laid at the feet of both the Western powers and African states themselves He further posits that three measures a reconstructed regime of African statehood legitimate governance and reform of the United Nations Security Council are imperatives for the creation of a stable African polity In the post 9 11 era this holistic and multilateral approach to collective security remains the world's best route to peace and socio political stability Collective Insecurity is a vital addition to the study of international law and will be of interest to students and practitioners of international law and international relations and those with an interest in security studies politics and African studies *The Saturday Review of Politics, Literature, Science and Art* ,1927
