Shamanic Experience A Practical Guide To Extrasensory Perception:

Shamanic Experience Kenneth Meadows, 2011-11-30 In an age when much of the earth's surface has been explored the spiritual realms within us are still for many people uncharted territory This Inner Space was experienced by shamans and the Wise Ones of all cultures and traditions who could bring to the surface of consciousness knowledge that could then be applied to improve the quality of individual lives Today the opportunity exists for us all to experience the reality of transcending distance and time find new understanding and discover the inspiration and guidance to meet all of life's challenges Shamanic Experience packaged together with its unique shamanic drumming CD can enable you to awaken and develop your inner senses resources access other levels of awareness and retrieve information that is relevant to all areas of your life discover that the power of every living thing including yourself lies within

Contemporary Shamanisms in Norway Trude Fonneland, 2017-08-01 One of the fastest growing religious movements in the Western world neo shamanism embraces notions and techniques borrowed from various tribal peoples and adapted to the life of contemporary urban dwellers Until the twenty first century the neo shamanism found in northern Europe differed little from neo shamanism elsewhere in the Western world In the new millennium a Sami and Nordic version of neo shamanism came into being along with a new focus on the uniqueness of the arctic north expressed through New Age courses and events The Norwegian New Age scene is increasingly overrun with Sami and Nordic shamans symbols and traditions Contemporary Shamanisms in Norway examines the construction of this Sami neo shamanistic movement and argues that it fits into the broader ethno political search for a Sami identity Drawing on ten years of ethnographic research Trude Fonneland highlights the values important to neo shamans self development and their marketing of shamanistic products and services She explores Sami and Nordic neo shamans promotion of Arctic nature their negotiations of gender in neo shamanism and their ritual inventions Focusing on contemporary shamanism in Norway and Nordic contexts Fonneland argues that the spiritual quest in Nordic countries has developed surprising and innovative forms of spirituality that call for a reevaluation of the relationship between religion and the secular world

Shamanic Experience Kenneth Meadows, 2003-02-10 A guide to shamanic practices for those seeking to develop psychic powers Contains 19 practical exercises based on shamanic practices from around the world Includes 47 minute CD of shamanic drumming to induce meditative states of deeper awareness Written by the author of Earth Medicine and The Medicine Way Motivated by the spirit rather than the intellect shamanism extends conscious awareness and awakens dormant potential for spiritual wisdom healing and personal growth Shamanic Experience offers a unique opportunity for the Western reader to access the domain of the collective soul through an experiential learning program based on the distillation of shamanic wisdom from cultures and traditions around the world Nineteen practical exercises allow readers to discover their aura develop shamanic breath energize power centers develop relationships with power animals and engage in a Vision Quest The lessons of Shamanic Experience culminate with a trance state journey induced by
