Shame Gershen Kaufman,1992 **Shame, the Power of Caring** Gershen Kaufman,1985 *Shame, the Power of Caring* Gershen Kaufman,1980 **A Skeptic's Guide to the 12 Steps** Phillip Z.,Z. Phillip,1990-10-01 How many of us have felt like Phillip Z He has a staunch belief in the Twelve Steps yet struggles with the concept of a Higher Power In *A Skeptic's Guide to the 12 Steps* the author investigates each of the Twelve Steps to gain a deeper understanding of a higher power He examines what may seem like unsettling concepts to us including surrendering one's will and life to God and he encourages us to understand the spiritual journey of recovery despite our skepticism **Outside the Camp** Garth Cross,2017-01-13 If you're looking for a feel good read *Outside the Camp* is not it If you want joy without lament grace without sin light without darkness or love without pain read something else In fact the wince factor of this book is through the roof and I thought someone ought to warn you But if you want to read something that is profoundly and Biblically true revolutionary and life changing this is it Garth has given God's people a wonderful gift and I rise up and call him blessed You will too Steve Brown professor author radio show host and leader of Key Life Network I have more thoughts emotions and places your story took me than I am able to capture I had to let you know that the Lord has deeply impacted me through your book Thank you Jim Amandus Senior Pastor at Highlands Community Church near Seattle *Outside the Camp* tells the story of a former pastor's journey through a season of turmoil and personal failure The story of his decade of disillusionment sets the context for his observations as a church outsider in regards to how evangelical churches often fail in response to the wounded the outcasts and the sinners in their midst Offered in the form of Biblical lament three concerns are addressed the evangelical church does not truly offer or even fully understand the gospel of grace it preaches instead suggesting that believers need to try harder and do more to prove themselves worthy of God's favor the faith community is artificial rather than authentic and too often the wounds of its soldiers are left unattended people whose pain is too deep and complex for the church to easily comprehend are referred outside the church for the help they need to survive or they are simply neglected The book concludes with a consideration of God's intent to restore sinners by offering grace that is full and free with a call for the church to once again communicate the unadulterated gospel to all who need its healing balm *Energize Your Emotions for Life* Kenneth A. Fox,2018-11-08 Ken Fox writes Walking a path of emotional health is the most significant thing I can do if I want to nurture and promote a culture of change and growth across the tapestry of my life *Energize Your Emotions for Life* is entirely about what we can do to bring change to our lives It is about becoming our own best friend not in some self absorbed way but as a foundation for cultivating satisfying relationships with others Instead of seeing emotions like anger or fear as harmful the author shows how our emotions can be a friend who has incredibly much to offer each one of us Based on extensive interdisciplinary research in affective neuroscience biblical studies leadership philosophy and psychology this practical easy to understand self leadership book is written for anyone who wants to walk a path of emotional health and self
