Shanghai 1949 The End Of An Era:

Shanghai 1949 Sam Tata, 1990-01-01 **Goodbye Shanghai - a Memoir** Sam Moshinsky, 2014-01-16 During his seventeen years in Shanghai Sam experienced wars changing regimes different currencies and a variety of schools that reflected the evolving political landscape In a world obsessed with conflicting nationalism his family survived as stateless residents neither beholden to nor the responsibility of any country They were instead sustained by their Russian Jewish culture and community Through Sam's memories of early life and his love of history we learn of Shanghai's uniqueness as a home and haven to thousands of Jews over many centuries **Blood Brothers** B. Lintner, 2016-04-30 From pirates singing Ricky Martin to mob hits carried out with samurai swords Bertil Lintner offers a fascinating look at organized crime in the Asia Pacific Both Western and Asian pundits assert that shady deals are an Asian way of life Some argue that corruption and illicit business ventures gambling prostitution drug trafficking gun running oil smuggling are entrenched parts of the Asian value system Yet many Asian leaders maintain that their cities are safer than Sydney Amsterdam New York and Los Angeles Making use of expertise gained from twenty years of living in Asia Lintner exposes the role crime plays in the countries of the Far East In *Blood Brothers* he takes you inside the criminal fraternities of Asia examining these networks and their past histories in order to answer one question How are civil societies all over the world to be protected from the worst excesses of increasingly globalised mobsters Twentieth Century China James H. illness Vowing to escape her mother's smothering fear Tessa leaves home and travels to the farthest most remote corners of the globe But once she turns thirty her roaming begins to feel less like freedom and more like running away so she returns to face the history that shaped her family Extensively researched and gorgeously rendered Feeding Ghosts is Tessa's homecoming a vivid journey into the beating heart of one family set against the dark backdrop of modern Chinese history By turns fascinating and heartbreaking inventive and poignant Feeding Ghosts exposes the fear and trauma that haunt generations and the love that holds them together

The Shanghai Alleyway House Gregory

Bracken, 2013-03-05 As a nineteenth century commercial development the alleyway house was a hybrid of the traditional Chinese courtyard house and the Western terraced one Unique to Shanghai the alleyway house was a space where the blurring of the boundaries of public and private life created a vibrant social community In recent years however the city's rapid redevelopment has meant that the alleyway house is being destroyed and this book seeks to understand it in terms of the lifestyle it engendered for those who called it home whilst also looking to the future of the alleyway house Based on groundwork research this book examines the Shanghai alleyway house in light of the complex history of the city especially during the colonial era It also explores the history of urban form and governance in China in order to question how the Eastern and Western traditions combined in Shanghai to produce a unique and dynamic housing typology Construction techniques and different alleyway house sub genres are also examined as is the way of life they engendered including some of the side effects of alleyway house life such as the literature it inspired both foreign and local as well as the portrayal of life in the laneways as seen in films set in the city The book ends by posing the question what next for the alleyway house Does it even have a future and if so what lies ahead for this rapidly vanishing typology This interdisciplinary book will be welcomed by students and scholars of Chinese studies architecture and urban development as well as history and literature

Spymaster Frederic E. Wakeman, 2003 The most feared man in China Dai Li was chief of Chiang Kai shek's secret service during World War II This sweeping biography of China's Himmler based on recently opened intelligence archives traces Dai's rise from obscurity as a rural hooligan and Green Gang blood brother to commander of the paramilitary units of

the Blue Shirts and of the dreaded Military Statistics Bureau the world's largest spy and counterespionage organization of its time In addition to exposing the inner workings of the secret police whose death squads kidnappings torture and omnipresent surveillance terrorized critics of the Nationalist regime Dai Li's personal story opens a unique window on the clandestine history of China's Republican period This study uncovers the origins of the Cold War in the interactions of Chinese and American special services operatives who cooperated with Dai Li in the resistance to the Japanese invasion in the 1930s and who laid the groundwork for an ongoing alliance against the Communists during the revolution that followed in the 1940s Frederic Wakeman Jr illustrates how the anti Communist activities Dai Li led altered the balance of power within the Chinese Communist Party setting the stage for Mao Zedong's rise to supremacy He reveals a complex and remarkable personality that masked a dark presence in modern China one that still pervades the secret services on both sides of the Taiwan Strait Wakeman masterfully illuminates a previously little understood world as he discloses the details of Chinese secret service trade craft Anyone interested in the development of modern espionage will be intrigued by Spymaster which spells out in detail the ways in which the Chinese used their own traditional methods in addition to adapting foreign ways to create a modern intelligence service

Street Criers Hanchao Lu, 2005 This is a rich and comprehensive study of beggars culture and the institution of mendicancy in China from late imperial times to the mid twentieth century with a glance at the resurgence of beggars in China today Generously illustrated the book brings to life the concepts and practices of mendicancy including organized begging state and society relations as reflected in the issues of poverty public opinions of beggars and various factors that contribute to almsgiving the role of gender in begging and street people and Communist politics Panoramically the reader will see that the culture and institution of Chinese mendicancy which had its origins in earlier centuries remained remarkably consistent through time and space and that there were perennial and lively interactions between the world of beggars and mainstream society
