Shaping Of Israeli Identity:

The Shaping of Israeli Identity Robert Wistrich, David Ohana, 1995 The Shaping of Israeli Identity David Mendelsson, 1998 Israel, Diaspora, and the Routes of National Belonging, Second Edition Jasmin Habib, 2019-08-22 Over the course of four years Jasmin Habib was a participant observer on tours of Israel organized for diaspora Jews as well as at North American community events focusing on Israel and Israel diaspora relations In this book she argues that much of the existing literature about North American Jews and their relationship to Israel ignores their reactions to official narratives and perpetuates an official silence surrounding the destructive aspects of nationalist sentiments The second edition of Israel Diaspora and the Routes of National Belonging includes a new introduction by the author that builds on her groundbreaking research and reflects on the changes to scholarship since the book's publication in 2004 Additionally by exploring the dramatic changes to the region's politics Habib ensures that the startlingly honest theoretically rich and detailed analysis of her original work continues to be of relevance over a decade later Lyndon B. Johnson and the Politics of Arms Sales to Israel Abraham Ben-Zvi, 2004 This book seeks to reconstruct and elucidate the processes behind the decisions made by the Johnson Administration during the years 1965-68 to sell Israel M 48 tanks A 4 Skyhawk planes and F 4 Phantom planes

Israel, Diaspora, and the Routes of National Belonging Jasmin Habib, 2004-01-01 Based on interviews with North American Jewish tourists to Israel Habib examines the narratives of tourism and identity and the relationship between the Jewish Diaspora and Israel as a nation The Religious Other Alon Goshen-Gottstein, 2018-08-08 One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra Theodor Herzl's Zionist Journey - Exodus and Return Mordechai (Motti) Friedman, 2021-06-08 This book provides in depth investigation into the secret of Theodor Herzl's success in changing the fate of the Jewish People More than a biography the book delves deep into Herzl's personality and physique which left a deep impression on his followers and opposers alike The book traces Herzl's transformation from a newspaper editor and playwright into a man of vision and action the star in a drama he could never write for the stage Understanding the Spiritual Meaning of Jerusalem in Three Abrahamic Religions Antti Laato, 2019-08-05 Understanding the Spiritual Meaning of

Jerusalem in Three Abrahamic Religions analyzes the historical social and theological factors which have resulted in Jerusalem being considered a holy place in Judaism Christianity and Islam It also surveys the transmission of the religious traditions related to Jerusalem This volume centralizes both the biblical background of Jerusalem s pivotal role as holy place and its later development in religious writings the biblical imagery has been adapted rewritten and modified in Second Temple Jewish writings the New Testament patristic and Jewish literature and Islamic traditions Thus all three monotheistic religions have influenced the multifaceted interpretive traditions which help to understand the current religious and political position of Jerusalem in the three main Abrahamic faiths *H.V. Evatt and the Establishment of Israel* Daniel Mandel, 2004

This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure **Jewish Women** Katharina Galor, 2023-12-15 *Jewish Women Between Conformity and Agency* examines the concepts of gender and sexuality through the primary lens of visual and material culture from antiquity through to the present day The backbone of this transhistorical and transcontextual study is the question of Jewish women s agency in four different geographical chronological and methodological contexts beginning with women s dress codes in Roman Byzantine Syro Palestine continuing with rituals of purity in medieval Ashkenaz worship in papal Avignon and the Comtat Venaissin and ending with marriage and divorce in Israeli film Each of these explorations is interested in creating a dialogue between the patriarchal legacy of the traditional texts and the chronologically corresponding visual and material culture The author challenges traditional approaches to the study of Jewish culture by employing tools from art history archaeology and film and media studies In each of these different contexts there is ample evidence that women despite persistent overall structural discrimination have found ways to challenge male constructs of gender norms Ultimately these examples from past and present times highlight women s eminence in shaping Jewish history and culture Bringing a new interdisciplinary lens to the study of the history of gender and sexuality the book will be of interest to students and researchers of Jewish history and culture art history archaeology and film studies
