Our World Herbert Sherman Houston, 1924

Generation Share Matofska, Benita, Sheinwald, Sophie, 2020-05-26

Generation Share takes readers on a journey around the globe to meet the people who are changing and saving lives by building a Sharing Economy Through stunning photography social commentary and interviews with 200 change makers Generation Share showcases extraordinary stories demonstrating the power of Sharing From the woman transforming the lives of slum girls in India to the UK entrepreneur who has started a food sharing revolution you ll discover the creators of a life saving human milk bank a trust cafe and a fashion library who are changing the world A collaboration between speaker social innovator and global Sharing Economy expert Benita Matofska and photographer Sophie Sheinwald Generation Share brings to life the phenomenon causing the most significant shift in society since the Industrial Revolution *Sharing Democracy* Michael L. Ferguson, 2012-10-18 Democratic theorists frequently assume that the people must have something in common or else democracy will fail This produces an ironically anti democratic tendency to emphasize the passive possession of commonality Sharing Democracy counters this tendency with a radical vision of democracy grounded instead in the active exercise of political freedom **Philosophical Papers** Calvin O. Schrag, 1994-01-01 Insofar as three nineteenth century philosophers in particular Marx Kierkegaard and Nietzsche figured so decisively in the shaping of twentieth century continental thought they too become part of the wider story being told **Documentarity** Ronald E. Day, 2019-10-01 A historical conceptual account of the different genres technologies modes of inscription and innate powers of expression by which something becomes evident In this book Ronald Day offers a historical conceptual account of how something becomes evident Crossing philosophical ontology with documentary ontology Day investigates the different genres technologies modes of inscription and innate powers of expression by which something comes into presence and makes itself evident He calls this philosophy of evidence documentarity and it is through this theoretical lens that he examines documentary evidence and documentation within the tradition of Western philosophy largely understood as representational in its epistemology ontology aesthetics and politics Day discusses the expression of beings or entities as evidence of what exists through a range of categories and modes from Plato s notion that ideas are universal types expressed in evidential particulars to the representation of powerful particulars in social media and machine learning algorithms He considers among other topics the contrast between positivist and anthropological documentation traditions the ontological and epistemological importance of the documentary index the nineteenth century French novel s documentary realism and the avant garde s critique of representation performative literary genres expression as a form of self evidence and the post documentation technologies of social media and machine learning described as a posteriori real time technologies of documentation Ultimately the representational means are not only information and knowledge technologies but technologies of judgment judging entities both descriptively and prescriptively *Today's Menu: Feeding on God's Word* Laura Russell Simpson, 2019-08-31 The back

cover illustration is to be About the Book **Hearings** United States. Congress Senate,1960 **Narrative and Violence** Mammad Aidani,2016-04-22 Narrative and Violence explores philosophical and anthropological ideas surrounding the nature of social suffering its relationship to social historical and political contexts and the manner in which diasporic communities narrate their suffering Against the setting of the adverse relationship between Iran and the West it examines the ways in which suffering shapes identity and belonging in the Diaspora for Iranians living in the West Based on rich empirical information drawn from the UK and Australia this book investigates ways in which the lives of Iranians living in the Diaspora are affected by the understanding of Iran in terms of abjection as that which is beyond or outside of The West Exploring the emotions and feelings of pain and suffering as they are rooted in and shape various categories of experience propounds a view of suffering which is thoroughly grounded in culture history and politics Presenting a new theoretical and cultural understanding of experiences of suffering violence war and displacement this book contributes to critical debates within sociology geography anthropology history and cultural and critical theory **Prayer and Prayer Activities** Gill Ambrose,2013-04-26 ROOTS is a joint initiative by all the mainstream churches in the UK and Ireland For ten years it has provided lectionary based resources for worship and learning for the whole church Over 10 000 local churches use its regular magazine and online programmes This versatile and adaptable participative prayer resource for all age worship is taken from the extensive material the ROOTS authors have created Based on the lectionary readings for each Sunday of Years A B C it includes gathering prayers seasonal prayers of thanksgiving a creative response to the day s readings responsive prayers of intercession a children s prayer activity an all age prayer activity responsive prayers for sending out All the texts can be downloaded or projected from the accompanying CD Rom **Life Is...A Journey Worth Fighting For** Sofia Villarreal,2018-09-12 Life Is A Journey Worth Fighting For Everyone has a story to tell Whether we are young or old our story began the moment we took our first breath Every one of us chooses the life that we want to live and the story that we want to leave behind the moment we take our last breath The story of our life is what we make it as we live and learn each day Life is a journey of personal growth and learning experiences It is about lessons learned and actions taken to improve the quality of life This book will take you through a teenage girl s journey through life Her struggles continued after she dropped out of school got married at the age of fifteen going on sixteen and becoming a young teenage mother who managed to finish high school and ultimately obtain a PhD Both she and her husband were also struck with cancer but no matter what obstacles came her way she continued to trust in God and kept moving forward with many dreams for her future Some facets of life such as life is an opportunity beauty a dream a game a promise sorrow a song a struggle a tragedy an adventure luck too precious life is life fight for it are words that spoke to her as she came across a poem that inspired her to write this book She immediately began reflecting on her life and making connections to the words and her interpretation of the message in the poem A feeling overcame her as if the poem was telling her life story She experienced the facets of life stated above at

different stages in her life and in different situations As a result she came to the conclusion that life is a journey worth fighting for Life is not perfect and people should not pretend that it is Some have to work harder than others in order to facilitate their journey through life Challenges such as bullying growing pains dropping out of school dealing with a failed relationship or marriage loss of income or job job reassignment drug abuse alcoholism getting older and disease are just a few of the struggles that we may experience at different points in life At times we may have to put up a good fight and not give up by overcoming obstacles that may interfere with the quality of life the life God wants for us that will ultimately lead us to eternal life No matter what age one may be or what obstacles come our way we should never stop dreaming
