Shared Phantasy In Marital Problems

David H Walker

Shared Phantasy In Marital Problems:

Shared Phantasy in Marital Problems Kathleen Bannister, Lily Pincus, 1972

Marriage, Domestic Life and Social Change David Clark, 2019-10-07 Marriage Domestic Life and Social Change brings together leading writers on marriage and the family in a tribute to the life and work of Jacqueline Burgoyne a major figure in family studies

Psychoanalytic Couple Therapy David E. Scharff, Jill Savege Scharff, 2018-05-01 In this time of vulnerable marriages and partnerships many couples seek help for their relationships Psychoanalytic couple therapy is a growing application of psychoanalysis for which training is not usually offered in most psychoanalytic and analytic psychotherapy programs This book is both an advanced text for therapists and a primer for new students of couple psychoanalytic psychotherapy Its twenty eight chapters cover the major ideas underlying the application of psychoanalysis to couple therapy many clinical illustrations of cases and problems in various dimensions of the work The international group of authors comes from the International Psychotherapy Institute based in Washington DC and the Tavistock Centre for Couple Relationships TCCR in London The result is a richly international perspective that nonetheless has theoretical and clinical coherence because of the shared vision of the authors

Object Relations and Relationality in Couple Therapy James L. Poulton, 2012-11-16 During the course of psychoanalytic psychotherapy with couples the practicing clinician is commonly faced with problems and issues that at times can seem nearly insoluble In Object Relations and Relationality in Couple Therapy Exploring the Middle Ground James L Poulton PhD surveys those problems and offers practical suggestions for their resolution Through the use of extensive clinical material from couple cases each chapter presents a specific issue reviews the theoretical background that is essential for understanding it and offers detailed illustrations of effective clinical interventions The issues addressed by this book include the following the influence of intergenerational trauma on the couple's functioning dynamics of violence and sacrifice within the couple the narcissistic couple and disillusionment with the therapeutic process intensification of emotional stress that results when both partners share unconscious anxieties appropriate and inappropriate uses of the therapist's self disclosure integration of cultural issues in couple therapy negotiating individual and shared transferences in couple therapy the place of truth and certainty in the couple's capacity to heal Object Relations and Relationality in Couple Therapy Exploring the Middle Ground draws upon leading edge innovations in both theory and technique to offer creative solutions to the common dilemmas in couple therapy In current discussions of psychoanalytic treatment two distinct but interrelated theoretical approaches predominate object relations and relational theory This book emphasizes the continuities and commonalities between these two approaches particularly in their application to the treatment of couples and argues that modern relational theories can be read as clinically useful elaborations of similar intuitions that have already been developing in the object relations oeuvre The chapters in this book illustrate that there is a firm middle ground in which ideas and techniques from both theories can be integrated into a consistent therapeutic approach that provides a broad foundation

for conceptualizing couple interactions and for designing interventions that facilitate the couple's growth

The Large Group Lionel Kreeger, 2019-08-22 This important pioneering book collates our knowledge of large groups both at a theoretical and practical level Thirteen distinguished contributors offer experiences from a wide range of disciplines and settings Roughly half the chapters are psychoanalytic in their orientation other contributions derive from general psychiatry sociology anthropology and industrial psychology The place of large group therapy is still to be defined but it is hoped that this book will contribute to the careful and detailed assessment that is necessary to fulfill its evaluation

Keeping Couples in Treatment Carl Bagnini, 2012-06-07 Keeping Couples in Treatment provides the theory and practice tools for the beginning to seasoned individual or couple therapist striving to keep couples in couple treatment and needing an in depth method of assessment and treatment to accomplish the task

The Invisible Matrix Sasha Brookes, 2018-04-17 This book is about the therapist's professional matrix both visible and invisible It is about how clinicians manage the web of professional connections that inform control both and console us whilst we struggle with our client's inner world

Marital Tensions (Psychology Revivals) Henry V. Dicks, 2014-10-14 Originally published in 1967 this book gathers together the various aspects of Dr Dick's theoretical and clinical approach to marriage difficulties into a coherent system for the benefit of professional workers and students who were concerned with family and community psychiatry and case work at the time He preserves the essentials of the steps by which his concepts developed from one person therapy into hypotheses for understanding interaction with the couple as the unit of study

Through and Beyond Together David H Walker, 2011-12 Through and Beyond TOGETHER Scary things that happen in childhood do not have to affect you forever It was bewildering for this four year old boy to leave my happy family in wartime to be safe To be nearly shipwrecked made me terrified then fearful throughout childhood My parents never stopped loving us from afar and praying Our new American family had faith and love too Peace did come We did return to England There we moved to Ilford Young fun loving Christian friends there accepted stuttering little me As I grew up still feeling fragile they pushed me to apply for college when I often felt worthless When God heard my cries of desperation in a phone box outside the college He healed me amazingly I began to feel that the Creator was guiding me towards a very creative career Jesus said Ask I prayed to be shown His Way He had heard and guided through and beyond difficult times So God gave fresh courage to go on to work with criminals and others who struggled with life I learnt that those who really want to change can be helped So led by the Wonderful Counsellor I found myself starting a new Christian helping service called Listening Post This book is about my travelling companions through life It tells how we learned together to help struggling people to move from despair to peace Best of all are accounts offered by nine people who found lasting freedom beyond their struggles Christians of all denominations put theological differences aside by coming TOGETHER to set up Christian Counselling services Through describing these stories we hope others like you will be encouraged Please put differences aside Be single minded Listen to God He hears you He will help you

listen to learn and learn to listen Then find that real change is possible today With God all things are possible

Psychoanalytic Approaches to Loss Timothy Keogh, Cynthia Gregory-Roberts, 2018-09-18 *Psychoanalytic Approaches to Loss Mourning Melancholia and Couples* applies psychoanalytic ideas to the clinically complex issue of loss in couples and families and outlines a new model for the treatment of associated unresolved grief In line with contemporary approaches to couple and family psychoanalysis this integrated object relations and link theory model provides a clear framework and approach for assessing and treating this clinical presentation The book brings together contributions from internationally known and respected clinicians and authors who focus on loss including repeated pregnancy loss the loss of a child or parent and the loss of a relationship itself These psychoanalytic couple therapists take the reader inside their consulting rooms enabling observation of their approaches to the treatment of couples experiencing loss and associated unresolved grief *Psychoanalytic Approaches to Loss Mourning Melancholia and Couples* will make an important contribution to the literature on grief and mourning and the application of psychoanalytic thinking to couples presenting with difficulties linked to unresolved grief following loss It represents an essential resource to psychotherapists counsellors family therapists mental health professionals and many others supporting those experiencing loss
