

A 19th-century landscape painting. A vibrant rainbow arches from the top right corner down towards a river in the middle ground. The river flows from the left towards the center, reflecting the sky. In the background, a large, rounded hill or mountain rises, its slopes covered in dense, autumn-colored foliage in shades of orange, yellow, and brown. The foreground consists of a grassy field with patches of reddish-brown earth. Several dark-colored horses are grazing in the field. A few trees, including a prominent dark evergreen, are scattered across the middle ground. The overall atmosphere is serene and majestic, typical of 19th-century landscape art.
