Suffering Paul H. De Neu, 2011-02-03 Christian Reflections on the Buddhist Dukkha What is dukkha In Buddhism this word encompasses the concepts of dis ease unsteadiness sorrow and lack of inner calm In English it is usually translated simply as suffering However it is defined dukkha is central to understanding Buddhism The Buddha described not only what it was but taught that there is a way out of it Suffering is an undeniable theme in both Christianity and Buddhism Both treat the topic with great intensity Buddha taught that suffering was inherent to the mortal condition Christ was born into a life of suffering and called disciples to follow him in this path Through enlightenment Buddha pointed to a way out of suffering Through his death Christ suffered once for all Both groups experience suffering but often talk about it from completely different starting points Are there insights from each perspective that can inform the other We believe so Suffering Christian Reflections on the Buddhist Dukkha is a collection of articles by Western and non Western Christ followers for those who
